Commercial Club Receives Assurance That Existing Discrimination Will be Abolished.

TEXT OF COMMITTEE'S REPORT.

Prominent Business Men Elected to Membership at Last Night's Meeting of Governing Board.

At last evening's meeting of the board of governors of the Commercial club it was announced that assurances had been received from the local freight representatives of the roads running into this city and Ogden, that existing freight rates discriminating against these two Utah points would be abolished as soon as the present tariff sheets could be revised. A committee was appointed some time ago to investigate this matter and report, and the findings of the committee were presented last evening in the following communication:

COMMITTEE'S REPORT.
Salt Lake City, Utah, Jan. 11, 1904.

To the Honorable President and Board of Governors of the Commercial Club, Salt Lake City, Utah:

Gentlemen—Your committee appointed for the purpose of securing an adjustment of discriminations against Salt Lake City and Ogden existing in the present freight tariffs, beg to report that the committee has had a conference with T. M. Schumacher, traffic manager of the Oregon Short Line railway; S. V. Derrah, general freight agent of the Rio Grande Western railway; and E. W. Gillette, general freight agent of the San Pedro, Los Angeles and Salt Lake railroad, and these representatives of the various lines into and out of Utah have given the committee a positive assurance that within the shortest period possible data for a revision of the tariffs will be submitted by them to your honorable board for consideration, and such suggestions and changes as in your estimation may be deemed necessary. It is the unanimous opinion of your committee that the railroad officials fully recognize the necessity for a readjustment of the tariffs, and will meet the requirements as far as practicable.

The railroad officials have asked for about 60 days wherein to prepare their statement, and your committee has agreed that the financial report and the condition and the following business men were chosen to membership: W. W. Byrne, representative Giant Powder company; Elmer B. Keesler, representative Bennis Bag company; Omaha; B. H. Kutewsky, manager Equitable Life Insurance company; J. B. Jensen, president and manager Pioneer Savings and Loan company; Denver; R. E. Taylor, merchant; H. Pembroke, stationery; Dorsey Ashe, supervising architect federal building; L. H. Harding, general agent; Colorado Midland; H. P. Mullan, chairman; J. T. Treasure, proprietor Godde-Pitts Drug company; J. M. Marriott, stockman; R. G. Sleater, president Oriental Printing company; Roscoe Brecken, manager Brecken Office Supply company.

The new board of governors meets tonight, when officers for the year will be chosen. As indicated in the "News," Col. E. F. Holmes stands an excellent chance of being re-elected. L. E. Farnsworth is prominently mentioned for the office of treasurer.

Congratulations.
Mr. John H. Cullom, Editor of the Garland, Texas, News, has written a letter of congratulation to the manufacturer of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to cough spells and he would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup, we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies like it like candy. There is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by all Druggists.
