EVENING NEWS.

Saturday. . . Sept. 25, 1880.

LOCAL AND OTHER MATTERS.

Excommunication.—The following action was taken by the High Council of the Salt Lake Stake of Zion in relation to William Harrison, late of the 9th Ward, Salt Lake City, but now a resident of Provo, at a session held Friday evening, Sept. 24th, 1880:

"That William Harrison be cut off from the Church of Jesus Christ of Latter-day Saints, for unchristian-like conduct and apostacy, and that the action be published."

The above was carried by the unanimous vote of the Council.

WILLIAM W. TAYLOR, Clerk.

Priesthood Meeting.—The regular monthly meeting of the Priesthood of this Stake will be held in the Salt Lake Assembly Hall, on Saturday, October 2nd, 1880, at 11 a. m.

As this is also the quarterly meeting of the Priesthood, the various Associations and societies of this Stake will oblige by forwarding their quarterly reports at once to be read at that meeting.

WILLIAM W. TAYLOR,
Clerk of Stake.

The Choir Excursion.—The excursion of the Tabernacle Choir to Provo Cañon Fork, will take place on Monday next.

Home Mission.—The Home Missionaries of this Stake will meet in the Council House on Wednesday evening the 29th inst., at half-past seven o'clock.

The Primaries.—Primary meetings for the election of delegates to the Children's Territorial Convention, will be held in the several voting districts of this city, on Monday evening at 7 o'clock. Turn out in force.

Select Social Ball.—An event of social character will take place in the Seventeenth Ward Assembly Rooms on Wednesday evening, September 30th, under the auspices of the Mutual Improvement Association. The dancing will commence at 7.30 p.m.

Home To-Night.—W. F. Neslen, the purchasing agent for the popular firm of S. P. Teasdel, is expected home this evening from the east. The customers of the house may soon expect an extensive stock of fall and winter goods from which to make their selections.

Y. M. M. I. A.—The choral department of the Musical Society will meet in the New Assembly Hall on Monday evening, at 7.30. A full attendance of the Union Choir is requested at the Council House on Tuesday evening at 7 o'clock.

A Meteor.—On Thursday evening at 9 o'clock, a meteor was observed to shoot across the sky from the east to northwest. It traversed about 45 degrees of the firmament and burst into several pieces over the direction of the lake. It was a brilliant white light, not unlike a rocket.

Sunday Services.—The Sabbath services of the Church of Jesus Christ of Latter-day Saints will consist of the following: Sunday Schools in the various wards at 10 a.m., general meeting in the Tabernacle at 2 p.m. and ward meetings in the evening as usual. Home missionaries attend the latter.

Home Again.—We are delighted to welcome among us once more, our esteemed friend Dr. W. F. Anderson, who returned a few days ago from a protracted visit to the west. He spent several months in lower California, and in some of the islands of the Pacific, in quest of restored health. We are pleased to be able to state that his desires have been realized in this respect, and that he returns much improved.

Good Side-Walk.—The sidewalk in front of Godbe's buildings to the Theatre, now presents a nice appearance. A smooth stretch of cement has been put down along the entire distance. Even the cross-walk at the head of Commercial Street is finished with the material and edged on the south side with a cobble pavement to protect the asphaltum from the constant wear of passing teams. This is an experiment, and if wagons keep off it for a few days, it will become substantiality.

A Close Shave.—To-day, Mr. C. Goodwin, Superintendent of the Deseret Mills, showed us a bullet which he says passed through the rag cutter at the mills yesterday. At the time, a workman was standing on either side of the machine. Strange to say, although the machine was at the time making 400 cuts per minute, the cartridge (a twenty-eight calibre) passed through with the rags without touching the knives, and was not exploded or even scratched. The same thing will scarcely happen again with the same machine. At least, we hope that at the Mill are not at all likely to prove that it could be done.

Theatrical Performances.—During the coming week there will be four performances given at the Salt Lake Theatre. The first will be the "Octoroon," to be presented on the evening of the 6th as a benefit testimonial to Mr. D. McKenzie, who for the occasion will personate his celebrated role of "Jacob McCloskey," supported by the Home Dramatic Club and others.

On the 7th, the thrilling drama of the "Romance of a Poor Young Man" will be performed for the third time by the members of the Club and other ladies and gentlemen, with nearly the same cast as before. On the 8th, Mr. P. Margetts and a strong company of players will produce the stirring sensation, "The Lost Child," and the "Jacobite;" and on Thursday evening, the 9th, the same company will give the "Postboy," or Couldock's specialities, with Mr. Margetts in the leading role.

"Leader" Locals.—From the Logan *Leader* of Friday:

From a gentleman who left Brigham City on Wednesday last, we learn that a man named Wm. Jones had one of his eyes put out the evening previous. Our informant did not learn the particulars of the accident.

Last week, a fourteen-year old son of Alvin Crockett, Esq., while engaged in some gymnastic sport, fell and broke his arm near the wrist. He is now doing well.

On Saturday evening last, as a son of Josiah Hendricks, of the 2nd Ward, was riding home from the ranch, horseback, the animal fell and broke the boy's leg about four inches above the ankle. The limb was also badly bruised and soon became much swollen. The victim of the accident is about fourteen years old.

For some days past there has been a somewhat exciting rumor in circulation about town to the effect that coal has been discovered in Sardine Canyon, in the hills immediately south of Wellsville. We have been unable to ascertain definitely whether a well defined vein has been struck, but are informed that detached chunks of coal of good quality have been found. Should a coal mine be opened in this valley, it will prove indeed a mine of wealth to its owners and of inestimable public benefit.

The long-talked-of fair of the Cache County A. & M. Society opened in the basement of the Tabernacle on Wednesday morning last with very fine displays of the various classes of goods, articles and products designed to be exhibited. Since its opening, the fair has proved a great success. The displays fully equal, on the whole, the general expectation. The attendance has been large, and the Logan and Wellsville brass bands have enlivened the scene with their inspiriting music at frequent intervals.

Ladies Conference.—The Ladies Conference continued this morning at 10 o'clock. The forenoon was devoted to the childrens' associations, and the meeting was presided over by Sister Ellen C. S. Clawson, President of the primaries of this Stake. The opening service was the Lord's Prayer, repeated in concert by a multitude of children, led by Sister Louie Felt, after which they sang a selection from their little hymn book lately published. The presidents of the several ward societies then made verbal reports, which were interspersed with hymns by the little ones, and a little girl named Winnie Miner, of the 14th Ward, then recited the whole of the revelation on the Word of Wisdom. This was followed by a similar rendering of the Ten Commandments, by a little boy named Henry Coulam, of the 11th Ward. Both occupied the stand during their recitations. Sister Zina D. Young then addressed the children in a kind, motherly way, asking them various interesting questions, which were promptly and intelligently answered. The children led by Sister Camilla Cobb, sang again and the meeting adjourned till 2 p. m. Benediction by Bishop L. D. Young.

This afternoon the Young Ladies' session convened with Sister Mary Freeze presiding. There was a very good attendance, better than at any other session during the conference.

The Immigrants. — The immigrants arrived this forenoon at 11.40 from Ogden, in charge of Elder John Rider. There were 338 souls reached Ogden, out of which number about 200 came to Salt Lake. Sixteen of these will leave by the morning train for the south, the main body will settle in this and adjacent towns. In the company were 147 Scandinavians, 137 English, and 40 Swiss. Besides these, returned 17 elders, including Brother Rider, captain of the company. Crossing the Atlantic, rough weather was experienced, but the voyage as a whole was prosperous. Two deaths occurred on the way, a Swiss brother who was burried in mid ocean, and a Swiss child who died at Altoona, Pa., and was interred at Pittsburg. The company, as an entirety, is in good health.

"Junction" Jots. — From last night's issue:

This morning U. S. Grant, Jun., and Jesse Grant, the second and third sons of Ex-President Grant, passed through Ogden en route for the east. They came from California.

Mr. John Draney of Plain City, had a serious accident, yesterday afternoon. While on his way to Mr. W. R. R. Stowell's, near the mouth of Strong's canon, he had to cross some ditches and crevasses, made by the spring freshets. Not acquainted with the whereabouts, he undertook to cross one in a place where the track was too narrow to admit two horses, which he did not observe until the team was close on to the gully. One horse pushed the other down and a general upsetting took place. The wagon was considerably damaged, and a long splinter entered into the body of one of the horses, killing it almost instantly. Fortunately Mr. Draney was not injured.

PUBLIC LAND SURVEYS.

UNITED STATES Surveyor General's Office, Utah Territory,
Salt Lake City,
Sept. 24, 1880.

The following named township plats of the public surveys, executed by Augustus D. Ferron and Joseph Gorlinski, U. S. Deputy Surveyors, have been this day filed in the U. S. Land Office, in this city.

Township 4 S. R., 21 E.		Township 7 S., 21 E.	
" 8 " 20 E.		" 6 " 25 E.	
" 8 " 24 E.		" 6 " 25 E.	
" 22 " 11 W.		" 25 " 11 W.

U. S. Surveyor General.

By T. C. BAILEY,
Chief Clerk.

Riding Out.—We are glad to see our friend, C. S. Burton, Esq., riding around the streets once more. He is rapidly getting well. The only inconvenience resulting from the wound in his head, is a numbness along the shoulder and arm and a slight difficulty experienced while talking. He will soon be all right again.

Museum. — The Curator of the Deseret Museum respectfully acknowledges the receipt of the register of St. Marks School, 1880, 81. Also "Crystallography," from the author, Henry Palin Gurney, M. A. of Clare College, and of the University of Cambridge, England.

"Buy a trunk, Pat," said a dealer. "And what for should I buy a trunk?" rejoined Pat. "To put your clothes in," was the reply. "And go naked" exclaimed Pat, "not a bit of it."

DIED.

In Richmond, Cache Co, September 9th, from a severe attack of Typhoid fever, JENNIE, daughter of James and Isabella Burgess. Deceased was well known in the 16th Ward of this City, greatly beloved and respected by all her acquaintances, and her death is greatly lamented by her parents and friends. She was 6 years old last May. She was a twin and leaves her little brother John to mourn her loss.

SPECIAL BUSINESS NOTICES.

Immense Audience.

No lecture on science ever drew larger audiences here than Dr. Simms. He makes each lecture as amusing as a first class theatre, and ten times as instructive. He is a great mimic, and never allows the audience to tire. The topics on which he will treat to-night are chin, wrinkles, walk, laugh, address, hand-shaking, etc.

Appreciation is agreeable and it is decidedly pleasing to know that Paris dressmakers are stitching with Corticelli Silk.

By Universal Accord,

AYERS' CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them the best and most effective purgative Pill that medical science can devise. Being purely vegetable, no harm can arise from their use. In intrinsic value and curative powers no other pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild, but effectual cathartic is required. 4dsw

IT IS TRULY WONDERFUL

TO SEE what improvements now exist as compared with railway travel only a few years ago. To become convinced of this, one has only to select for his route East, the popular and well-known

CHICAGO & NORTHWESTERN RAILWAY.

You are landed by the Union Pacific R. R. in the Union Depot at Council Bluffs, where stands the C. and N.-W. Palace train, composed of Pullman Hotel Cars, Pullman Sleeping Cars, elegant Day Coaches, Smoking Baggage, Postal Cars, etc., ready to convey its passengers through Iowa and Illinois, and into Chicago. Gliding smoothly along over the superb track of steel rail through thriving cities and villages, comfortably seated in this train, one scarcely discovers the high rate of speed which he is riding. Trains of this road are always on time, connections sure, and passengers seeking pleasure, comfort, safety and ease in traveling, will find the "North-Western" in excess of their expectations, and the greatest of all routes to Chicago and the East. Insist upon Ticket Agents selling you Tickets via this road; all Agents sell them. Examine your Tickets, and refuse to buy if they do not read over this Road. If you wish the best Traveling Accommodations, you will buy your Tickets via this Route, and WILL TAKE NO OTHER. dawly
