lute and unqualified failure.

essage said:

He says

that all the testimony refuting th statements of Jackson, Balderson and others concerning Church interference in polities in Idaho is not heard by the men who should hear. It is clear, however, that the three witnesses of yesterday and this morning favorably impressed the committee. Senator Smoot's case was not hurt by the evi-dence of Frank Martin, Democrat, who was attorney-general two years; in fact, the senator's attorneys have cerlainly scored well thus far in disprov log the charge that the Church conpolitical affairs in Idaho, and if succeed as well when the Utah situation is reached tomorrow, will have gone far towards breaking down the whole case of the prosecu ion, for if the protestants fall to prove Church interference, the whole fabric

(By Associated Press.)

of the protest is broken.

Washington, Jan. 12 .- The defense in the Senator Smoot investigation be-fore the senate committee on privileges d elections today called to the stand H. Holzheimer, a practising attorney of Pocatello, Idaho. He lived in Utah about 20 years before going to Idaho, but two years ago. He belongs to the Episcopal church and said he always impossible to segregate the true from the false ballots and the legislature is asked to discard these precincts al together. It is charged that a padded list of and been a Democrat except for a time in Utah when, in common with all Gen-iles, he belonged to the Liberal party. The examination of Mr. Holzheimer 10,000 names was used in Denver on election day, and that the registration hooks contained at least 15,000 faise, fraudulent and mythical names. It is further set forth that 10,000 votes were pas confined almost entirely to politi-tal conditions in Idaho. He was a member of the last Democratic concast by repeaters in this city. Charges of ballot box stuffing, substitution of prepared ballots for those cast by vol-ers and miscounting by election judgvention which adopted an anti-"Mor-mon" plank and served on the resolulions committee. He declared that he and opposed a plank "for the extermiers are also included in the specifications of fraud. Another charge is that it, order to defeat Gov. Peabody, ballots already marked with a cross for Adams were handed by the election officers to hation of polygamy and polygamous bation of polygamy and polygamous chabitation and the separation of church and state" on the grounds that no plank of that character was needed. voters who were known to be Repub licans. Penbody asks to have 95 Der. there had been no plural marriages the state since the manifesto. The witness said a majority of the dele-rates were opposed to the plank but that the resolution was forced on the convention because it was understood that former Senator Heitfield, who had ver precincts thrown out and claims that the vote of this county should show 6,300 plurality for him instead of 4,093 for Adams, as canvassed. been endorsed for governor, had made pledges to the national convention that it should be adopted. Afterward he was nominated by the convention for Congress but subsequently declined io fun on the ticket because the party leaders proposed to conduct a cam-paign directed against the "Mormon" Church. These leaders, the witness maid, called their plan a campaign of purification of Idaho homes.

purification of Idaho homes. Because they were told that they would have to conduct their campaign on a "high moral plane," Democratic leaders not in sympathy with an at-tack on the "Mormon" Church refused to make speeches in the 1904 campaign, uild the witness. He thought there was no necessity for the direct attack, as all young "Mormons" were opposed to polygamy. He said that the practise of polygamy in Idaho is only in isolated tases; that there had been a few cases where children have been born in plur-al families since the manifesto, but that al families since the manifesto, but that there are not more than 20 or 30 plural families in the whole state.

"Have you ever seen evidence of in-terference by the Mormon Church in abilities?" asked Attorney VanCott. "I have not,' replied Mr, Holshelmer, "Can't the Mormon Church get any-hing it wants from the legislature to

thing it wants from the legislature in Idaho?" 'I should say decidedly not-they

"I should say decidedly not-they have never had anything. They are in the minority, both in the legislature and in the state," was the reply. The witness was then cross examined by Mr. Tayler. Mr. Holsheimer could an me only two Democratic leaders who refused to support the anti-"Mormon" Nampaign, but he named six Democratic hewspapers that were opposed to the thad in the state," was the reply. The witness was then cross examined by Mr. Tayler. Mr. Holsheimer could name only two Democratic leaders who be used to support the anti-"Morroon" the awas in order to make them appli-tor the court milisters he-fore the court milisters he-fore the court milisters and be at-sponsible for their acts only to the em-peror

tion of \$7,900. In this connection the gentleman states that it is the opinion of many that this is a needless expendi-ture of public funds, and as the gover-nor made no mention of it whatever, having no report on which to base any such reference, he feels that the state would be \$7,000 better off by re-nealing the sectoriture have her says Mr. Cook stated this noon, in response to questions, that plans had been com pleted for the substitution at the Salt Lake and Ogden stations of electrical dynamos for the old style battery sys-tem; and 12 dynamos had been ordered for each of the two stations, each impealing the sericulture law. He says the amount named is not sufficient for provement to cost \$19,000. In fact the the purpose and as the state cannot afford to allow more, the law would be better off the books than on. To put fices of the company, as along the line of general improvements, which are beit in Mr. Joseph's own words, "The duty of the Legislature is to undo undue ing introduced as rapidly as possible, A legislation, rather than to burden the statute books with more," And to this

ing introduced as rapidly as possible. A dynamo plant has just been installed at Cheyenne, also one at Pueblo, and the Utah stations come next. The gen-eral managen at of the Western Union does not propose to lost any op-portunity to improve the service and plant of the company. plant of the company.

PERFECTLY SATISFIED.

The Utah art institute, says Mr. Jo-seph, has been a public scandal in many respects. It has, he declares, done no good for art or Utah either. Quarrels and litigation have grown out of it, and he says he wants to wipe it out. On the same point Governor Cutler in his County Commissioners Reappoint Objects of Tribune's Recent Attacks,

At the session of the board of county commissioners held today, James Sabine, Jr., was reappointed pauper clerk at a salary of \$75 per month, the same as before, with an allowance of \$15 per month for horse hire. W. R. Jones, the present superintendent of the county infirmary was reappoluted. Mrs. W. R. Jones was appointed matron of the in-firmary in place of Mrs. Miller, the change to go into effect on the 15th inst.

The salaries of the superintendent and matron were formerly \$110 per month, and \$50 per month. Tespectively, a total of \$160 per month. Under the new ar-rangement Supt. Jones is to receive \$100 and Mrs. Jones \$10 per month, a saving of \$50 per month to the county.

SCHETTLER'S BANK.

Receiver Anderson Answers Editorial Attack This Morning.

In an editorial statement of the condition of B. H. Schettler, private banker the Tribune this morning makes an attack on Receiver R. R. Anderson that is apparently written with as full a knowl edge of facts and the law as in other

The charge of the Tribune is as fol ows: "Incidentally we might mention the

apparent impropriety of a man who has een a bank examiner during the very time when the insolvency of this bank is not said to have been known being ap-pointed receiver of that bank; he should not be allowed to have anything to, do with it." The fact that this bank being a privat

The fact that this bank being a private one, could not be legally examined by the state examiner, and that to make it possi-ole in the future to examine such banks legislation is now being prepared, seems to have passed several blocks over the Tribuno's head, according to minny of those who know with Jajor spent by the receiver in untangling the bank's affairs, and who know of us strong work as bank examiner.

The Articles Are Brought Into The Articles of the articles of the articles of the orthorn district of Florida, will be tried by the senate "for high crimes and midsumeanors in office," were and mid the state bank examine and senate the case against judge.

the provisions of the proposed act.

On this point the gentleman has much to say concerning the salt beds on the Great Salt Lake. He contends that the industry is responsible, in large meas-ure, for the receding waters of the lake, and thinks it only just that the state should derive some benefit from taxa-tion. Only a small part of the depes-its are taxed, this being that part which the company has on hand at the time of making the assessment. TO ABOLISH COAL MINE IN-SPECTOR. In the course of a few days, Mr. Jo-seph will introduce a measure abblish-ing the office of coal mine inspector and substituting therefor the office of gen-

eral mine inspector, he to have jurisdic-tion over all the mines of the state. The tion over all the mines of the state. The bill has for its especial object the bet-ter protection of miners in general and alms, he mays, to prevent such lameur-able accidents as that which occurred at the Daly-West mine nearly two years ago. The bill will provide also for an assistant inspector and make the office self-sustaining, the expenses thereof to be chorsed up to the difthereof to be charged up to the difthe inspector and his assistant to make a regular inspection of state mines and see that they are properly thinkered and well ventilated. Certain penalties are prescribed for non-compliance with
