

MANAGER SIGNED FOR WHITE WINGS

William Christie, Princeton Coach,
Will Handle Salt Lake Team.

DENVER PITCHER LANDED.

Carl Peters, a Good Twirler, and C.
C. Whitting, an Infielder Are
Signed for Home Team.

The local baseball team is gradually rounding into better form and it is thought that within another week the line-up of the nine will be completed and ready for the contest with Ogden for the pennant of 1903. Announcement was made last night of the landing of three first class ball players for the home aggregation. One of them is William Christie, who will manage the team. This man is well known as coach for Princeton, the nine which on two occasions took honors away from Yale. He has also acted as coach for the University of California, the team that took the championship from Stanford. He is considered one of the best all around ball players in the business today. Besides being a good batter, he is one of the fastest runners in the game, is a good infielder and in a pinch can hold his own when it comes to throwing the twisters. He has been in San Francisco for some time and local directors have been trying for two weeks to land him. They have finally succeeded and Christie has left the coast for this city and will be here in time to take charge of the team for Saturday's game with Ogden.

The directors feel jubilant over the fact that they have secured a pitcher from the Denver team of the Western league. After a heart to heart talk with Manager Tom Delahanty of Denver, the latter consented to lend to the home team Carl Peters, a pitcher who is likely to make things hum here. Delahanty had more pitchers on his staff than he really needed and was therefore willing to let Peters go for a few weeks. Peters is now on his way here.

A new infielder in the person of C. C. Whitting, arrived in town yesterday afternoon, and at once took himself down to the ball grounds, where he was warmly greeted by the boys. He attired himself in a White Wing uniform and started in to show the boys what he could do, and he certainly made good. Before he has been here long, the fact was developed that Whitting had been signed for several days and the matter kept secret for the reason that others were not after him. Another pleasing announcement is that

The happy change from ill-health and misery to true womanhood and happiness, can only be effected by the use of Paine's Celery Compound.

The present spring demand for Paine's Celery Compound, woman's friend and life giver, is enormous in every State of the Union. This fact alone amply proves that the great Compound possesses virtues and powers unknown to other remedies.

"I have used one bottle of Paine's Celery Compound and am satisfied that one bottle of this medicine has done me more real good than any other medicine that I have ever taken. I had rheumatism of long standing, kidney disease and female troubles, but since taking Paine's Celery Compound I feel altogether a different person. CHAMPIONS MEETING.

"Young Corbett" and Joe Gans Exchanged Greetings at Seattle.

"Hello, champ!" exclaimed a rather good looking yellow boy, rushing up to Young Corbett upon the latter's arrival in Seattle last week.

"Champ yourself, right back at you," replied Corbett, taking the proffered hand. Thus it was that William Rothwell, champion featherweight of the world, and Joe Gans, the champion lightweight of the world, met each other in greetings.

Behind the two, as they stood talking, towered a big, black man, his face all ashine with joy, and his teeth glinting like ivory. It was Young Peter Jackson. It was the first time he had been in Seattle for years, and he was simply wild with impatience to get up town and see some of his oldtime friends.

"Well, Bill!" said Gans. "I see you put Terry out again!"

"Oh, yes," replied the Denver lad, in that quiet way he has. "I robbed him out of it again. Terry is a hard loser, you know."

"Say, Al," said Corbett, addressing Al Herford from Baltimore, who is handling the two black fighters. "If you can get as good as 10 to 1 on the fight, I'll travel in Portland and put up 1,000 for the 'Bear the boy talk,' says Al. 'Where

"Coming out to the coast in August to see Corbett and Jeffries fight!" inquired the white champion of the colored champion.

"Sure," said Joe. "I wouldn't miss out on that scrap for a whole lot."

"Pick the winner," said some one to Corbett.

"Quit your kidding!" responded the champion. "Did you ever see a fighter who could guess right on a fight. It's just like taking a fight on a jockey; you'll walk home that night."
