THE EVENING NEWS.

Tuesday, - - October 25, 1870.

LOCAL AND OTHER MATTERS.

THEATRE.—To-morrow night a capital comedy bill will be presented at the Theatre. The performance will commence with the fine, old, two-act comedy, entitled "The Wonderful Woman," to be followed by the farce of "The Young Widow." Between the pieces Mr. Williams will appear in the dance, "The Essence of Ole Virginy."

The pleasure-loving public will be glad to learn that the favorite comedian, Mr. Phil. Margetts, has been engaged, and will make his re-appearance to-morrow evening, and will be supported by Messrs. McKenzie, Thorne, Mesdames Kiskadden, Romney, Platt and others.

Time of performance changed,—doors open at 7 o'clock, performance commences at half-past.

STAGE ROBBED.—Hugh White Esq., of this city, proprietor of the Southern Mail line, received the following telegram this morning, by Deseret Telegraph line. The message was dated

NEPHI, Juab Co., 24th.

"The Stage from Pioche was robbed about four miles north of Chicken Creek, at 11 o'clock last night. Wells, Fargo, & Co's treasure box was broken open and emptied, the registered mail sack was taken, and the passengers robbed of about fifteen hundred dollars in coin. Judge McCurdy was one of the passengers. Judge Bigler started the sheriff with a posse of men to reconnoitre."

This is probably the same band who have been operating in Idaho and Montana and who have now extended their field of operations to Utah. It is to be hoped that the people of Juab County will render all the assistance in their power to capture and speedily bring the scoundrels to justice and punishment.

A second telegram, dated

NEPHI, 25,

Sent to this office, about noon gives the following additional particulars of the above mail robbery:

"At about eleven o'clock last night a coach from south, 8 miles south of this city, was ordered to halt by three robbers, one of them seized the horses, at the same time levelling a shot gun on the driver. There were five passengers, three men and two little girls, from Pioche in the coach, they were ordered to get out. Their arms were taken from them, one of the robbers guarding the passengers while another plundered the coach. While doing this he threw out the blankets, and told the passengere to wrap up the little girls, and not let them take cold. He found fault with the mail company for not furnishing lights."

THEATRICAL BENEFIT.—On next Thursday night, we learn that Mrs. M. Bowring takes a benefit at the Ogden Theatre, on which occasion the great play of "Uncle Tom's Cabin" will be presented, to be followed by the "Married Rake." Among the performers on the occasion are the following well known and popular actors and actresses: Miss Adams, Mrs. M. G. Clawson, Miss Della Clawson, Messrs. John S. Lindsay, W. C. Dunbar, John C. Graham, Philip Margetts, H. E. Bowring, H. Haines, and Matt Williams.

With such an excellent bill and cast, there should be a crowded house; but apart from this the man of the beneficiare ought to draw on an occasion like this. Mrs. M. Bowring has been long and favorably known to the theatre-goers of these parts; and her talent and industry have heightened the pleasure and interest of very many of the pieces which have been presented; and we hope that on the occasion of her benefit, on Thursday night, the public will show their appreciation with a full house and a substantial benefit. She deserves it!

CO-OPERATIVE WOOLLEN FACTORY.—Our correspondent, "A. C.," of Brigham city, writing on the 23rd inst, says:

"The last shingle is now put on our co-operative woolen factory. Much credit is due to the superintendent, James Pott, and the rest of the men who worked with him, for their energy in the work. Bro. A. Worton, who has gone to the East to purchase the machinery for the factory, is expected to arrive with the same on the 1st of November."

"NOTES ON LIFE INSURANCE."—We have received a work, entitled "Notes on Life Insurance," by Gustavus W. Smith, Commissioner of Life Insurance for the state of Kentucky. It is addressed especially to educated and intelligent men who are interested in but not acquainted with the subject, and explains the whole theory upon which its calculations are based and the principles upon which the business is conducted.

The work is divided into two parts, and is, we have reason to believe, one of the most lucid and interesting expositions of this interesting branch of business yet published, and will yield all the information desired on the subject by all parties interested therein. The work may be obtained of the author, whose address is Atlanta, Ga.

SKEPTICAL.—The Chicago *Evening Post* says:

"It is reported by telegraph that Chief Justice McKean, of Utah, has refused to naturalize two persons for the reason that they believed in the doctrine of polygamy. We do not believe that the Judge has done any such absurd thing. It would be so clearly unconstitutional, and so opposed to the whole spirit of American law, that the decision would be overruled at once."

The *Post's* skepticism is very reasonable, but entirely unfounded, for the report contained in the telegram referred to is strictly true. And the gentleman named by the *Post*, as having committed an act so "absurd" and "unconstitutional," is not alone; at least one other bright, legal luminary (!) has been equally as "absurd" and "unconstitutional" in his proceedings. In any other place than Utah such "decisions" would no doubt be at once overruled; for none can deny that they are "opposed to the whole spirit of American law." History it is said, but repeats itself. The predecessors of those who now seem determined, if possible, to deprive the people of Utah of their Constitutional rights, have sunk into well-merited contempt; a no less enviable fate is in store for them.

Died.

In Lehi City, Oct. 18th, after a severe illness, Martin Bushman, aged 68 years, 6 months and 18 days.

Deceased was born in Lancaster Co. Pa. He joined the Church of Jesus Christ of Latter-day Saints in 1840, and moved to Nauvoo in 1842. He was ordained a High Priest in 1843. He died in full faith of the gospel. He leaves a numerous family to regret his loss. [Com.

PEOPLE'S VERDICT!

Over Half a Million sold and in use!

4,000 made and sold per week!

SINGER'S

New Improved Silent

FAMILY SEWING MACHINES

ARE

The Best in the World,

Because all of them are in constant use, while a very large proportion of other makes are not used, owing to their being partially or utterly impracticable:

THE SINGER

NEW FAMILY MACHINE

Has been brought to perfection, regardless of time, labor or expense, and is now incomparably the best Sewing Machine in existence.

It is *simple, compact, durable, beautiful, quiet, light-running*, and capable of performing a range and variety of work never before attempted upon a single machine; using either Silk, Twist, Linen or Cotton Thread, and sewing with equal facility the very finest and coarsest materials, or anything between the two extremes, in the most beautiful and substantial manner.

The New Improved Attachments for Hemming, (any width) Braiding, Embroidering, Magic Ruffling, Gathering and sewing on (at the same time) Self-Sewing, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are novel and practicable, and have been invented and adjusted especially for this Machine.

Folding Tops and Cabinet Cases.

New designs of the unique, useful and popular Folding Tops and Cabinet Cases, peculiar to the Singer Machine, are in every variety of Wood, such as black Walnut, Mahogany, Rosewood, Satinwood, and from the plainest to the most elaborate pattern and finish. The Machines themselves are plain or highly ornamented with pearl and gold to correspond with their tables or cabinets.

In the Singer the work is fed or passed through the Machine in the natural direction, namely, *from the operator*, permitting her to sit in a natural and healthy position. In many other Machines the work passes from right to left, or the reverse, *compelling the operator to sit in a bent and unhealthy position, and thus causing weakness of the back, etc.*

The Singer uses a SHORT STRAIGHT NEEDLE, which is *not* liable to break or miss the stitch. Many other Machines use a long crooked needle, which *is* liable to break and to miss the stitch.

In the Singer Machine the Shuttle is carried, thus avoiding nearly all wear. It requires no oil, and does not soil the thread or goods. Other Machines drive their Shuttles, in a race, thus causing great wear, and *requiring oil*, soiling the thread and goods.

On the Singer, the Tension on both the upper and lower threads is absolutely under the ready control of the operator, thus rendering the Machine always available for good sewing, which is not the case with any other. Many so-called cheap Machines are really worthless, and so are many of their new peculiarities and supposed advantages.

The **SINGER** is the

Oldest Practical Sewing Machine,

Being about twenty years in the market. Having been constantly improved by the employment of the most skilled ingenuity of the age and unlimited capital, it is now divested of all unnecessary parts and possesses All the Very Latest Inventions and Improvements. It is the only Machine sold on Honest Claims, as all its parts are Practical and will do all that is claimed for them. Some other Machines are Greatly Complicated, to do Useless and Silly things, and thus are rendered Liable to Constant Derangement. The Singer Seldom or Never gives trouble, but is readily and easily managed by those *who utterly fail on other Machines.*

SINGER'S

New Manufacturing Machines

Claim the same advantages over others of their class as the new Family Machines. These old and well-tried Sewing Machines are *applicable to all kinds of heavy and light manufacturing in Cloths, Leather, etc.*, and run in the most perfect and reliable manner without trouble to the operator.

Without any previous advertisement, the Demand for the Singer Machine is so Great that we *have been unable to retain even one Machine to exhibit.* All sold, but a large number are now on the way from New York, and

WILL ARRIVE IN A FEW DAYS.

They will consist of the Different Varieties made by the Singer Manufacturing Company, and we shall sell at Eastern Prices, with addition of Freight only. To accommodate parties who cannot pay all down, we will sell on

EASY MONTHLY INSTALMENTS

So that all may possess one of these *Blessings.*

For the convenience of our Patrons we have engaged the services of a gentleman who has had twenty years experience and is one of the most skillful experts in the world in repairing and adjusting Sewing Machines. He will put each Machine in complete and practical running order before it leaves the Institution and will also impart to purchasers all needful instruction, so that they can at once commence work.

We resort to no trickery whatever to sell Sewing Machines, but allow their Great Merits to recommend them. We can do this, as the demand for them is so great that although the Singer Company make more than all other first-class companies combined, they cannot nearly fill their orders, and are compelled to still extend their Gigantic Works.

We having been so fortunate as to secure the

General Central Agency,

For this Territory, we extend a cordial invitation to all to come and see the Machines, whether they wish to buy or not. See all others, but do not buy without you examine the Singer.

We Guarantee every Machine we sell to give entire satisfaction.

THE SINGER

BUTTON-HOLE MACHINE,

Is the only Practical one in the World.
