Taking Desperate Chances.

It is true that many contract colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving them the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding cold and blood, which has all the symptoms of a cold. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of colds, can be had for a trifle? For sale by all druggists.

The Good of Medicine.

People insisting that medicine does no good, have one stubborn fact to contend with, that is, the people who do believe are greatly in the majority. We have been so fortunate during the past twenty years as to convince thousands of sufferers with weak watery blood, who had all the symptoms of a general breaking down of the system, that one medicine at least does good. Nervous and untidy people, weak, fleshless people, pimply, pale or sallow people can have strong steady nerves, and solid healthy flesh by the use of Dr. Cassell's Blood and Nerve Tonic. A tablet to take at meal time, it turns the food you eat into rich, red blood, making solid flesh at the rate of 1 to 3 pounds per week. Sold by all druggists for 75c per box, or 3 boxes for \$2. This medicine saves doctor bills and insures health, giving the very best treatment possible. For sale by Z. C. M. I. Drug Department.

Ward Entertainments.

There was a perfect jam at the Eighteenth ward hall last night, when the ward minister made "his bow" to the public. Judging from the laughter and applause that greeted the young performers, there will be another big turnout tonight when the entertainment goes for the last time. The boys presented a striking appearance in black face, and the "music," which was given by the boys, was well received. The girls and specialists were all vastly enjoyed, even though there were some losses of memory. Giles and James, the end men, both showed decided aptitudes as comedians, and Rufus Cobb, as interlocutor, kept the program moving with speed and promptness. Some of the solo singing was specially good. The olio consisted of a clever "musical" act by the Barrell Brothers, acrobatic work by the Richardson and Young, a "chalk talk" by the artist, J. S. Sears, a quartet by Messrs. Geo. W. Pyper, Geo. Glade, Harry Shepherd, and Kent Cobb, a breakdown by James, Giles, Glade and Shepherd, Jensen and Giles in a magicians' act, Billy James in a monologue, and a patriotic finale, "My Own United States," by Harry Shepherd and the company. Prof. Giles acted as accompanist.
