DOBBINS' ELECTRIC SOAP!

The Best in the World!

No Sand!! No Rosin!! No Clay!! No Adulteration of any kind!

Children can do the Washing. No Washboard Required. No Boiling Needed.

Every Grocer sells it! Every Family uses it! None can do without it!

Be sure that the wrapper has on it the cut of Mr. Fog and Mrs. Enterprise, and that the wrapper is stamped with the name of the inventor and originator, J. B. DOBBINS, as none other is genuine.

Like everything of great value, it is extensively commended, and the market filled with false and worthless Electric Soaps, not worth the name, and dear if ever given away.

The Finest American Toilet Soap, fully equal to the French, made by a French soap-maker in the same manner as the French Soaps are made, and sold at one-fourth their price!

DOBBINS' Triple-Scented TOILET SOAP!

No Toilet Table is complete without it. The Best Emollient in the market!

It is given the preference at every watering place in the country, and is for sale every where.

PLEASE ASK FOR IT! Don't be put off with any cheap common soap. Try it, and see how much BETTER it is than any other.

DOBBINS' ELECTRIC BOOT POLISH!

Makes old Boots look like new ones! And Calfskin like Patent Leather!

It is put up in a Patent Box, the greatest novelty of the age. The box alone is worth more than to keep than the price of Box and Polish combined.

DOBBINS' KRUGHAT

THE GENUINE Turkish Bath Compound

Use in all Oriental countries, in the bath and manufactured by a French chemist and physician, of exact style, odor and quality, from the original recipe, as that made in Constantinople, and import duties, premium on gold, etc., are included in the price, so that the consumer pays no extra price. By its use a bath becomes indeed a luxury. Very highly scented, and producing medicinal effects upon the skin. It is really worth a trial.
