Elder Harrison Burgers. He departed this life very suddenly at his residence on Saturday, the 10th linst. For sometime his right side had been affected with palsy, and it supposed that this was the cause of his death. For about two weeks before his demise he had not been feeling well, but still he was able to be around. On the morning of the 10th inst., while dressing himself he was taken with a fainting spell, and in about an hour afterwards expired.

He was born Sept. 8d, 1814, in the town of Putuam, Washington County, State of New York. In the fall of 1832 he became a member of the Church, and in 1833 he was called to fill a mission in the State of Vermont He was with Zimes.

of Vermont. He was with Zion's Camp in 1834, and in 1835 he became a member of the first quorum of Seventies. July 1st, of the same year he was married to Sophia M. Foster. He was with the Saints in all their persecutions, and after the completion of the Nauvoo Temple, he officiated in the ordinances therefor. In 1847 he obeyed the order of Celestial Marriage by taking Amanda M. Hammond to be his second wife, he thereby became the father of

Brown's Iron BITTERS, a true non-alcoholic tonic, made in Baltimore, Md., by the Brown Chemical Company, who are old drug-gists and in every particu-lar reliable, will, by removing the craving appetite of the drunkard, and by curing the nervousness, weakness, and general ill health result-ing from intemperance, do more to promote temperance, in the strictest sense than anyother means now known.

It is a well authenticated fact that many medicines, especially bitters, are nothing but cheap whiskey vilely concocted for use in local option countries. Such is not the case with Brown's IRON BITTERS. It is a medicine, a cure for weakness and decay in the nervous, muscular, and digestive or-gans of the body, produc-ing good, rich blood, health and strength. Try one bottle. Price \$1.00.

Brother Snow he was acting Bishop for some time. He was one of the Presidents of Seventies, and was also a home missionary from the time of his arrival here until his death. He was a kind husband and a tender parent, beloved and respected by all who knew him. His death will be a severe blow to the community which will lose in him a wise counselor and a faithful defender of the truth. Prompt in duty and faithful to the last, he rests in NEW SHOPS!

One man is paid for staying there. If the government knew the facts they would, I think, dispense with this fifth wheel in a wagon and open the place to actual settlers.

This muddy is a rapid stream about ten feet wide and six feet deep and the only stream, I am told, that runs out of the State of Nevada. Its waters first rise in what was once called the Valley of a Thousand Springs. More than 100 miles north from here and immediately west of the rim of the Great Basin these waters sink and rise several times and finally form this turbulent stream.

On the Upper Muddy the water is warm and has a milky appearance. At Overton it is cold and clear. Nearly all the timber along the
