cases before Judge J. M. Bowman in the criminal division of the city court yesterday afternoon and the session lasted more than three hours. Drunks vags, men charged with violating the speed ordinance and other petty cases were called and disposed of.

Grist.

THREE HOUR SESSION

The case that perhaps attracted the most interest was that of the city against Hop Sing, a Chinaman charged with violating the license ordinance by selling a bottle of beer at 16% Com-mercial street.

selling a bottle of beer at 16½ Com-mercial street. Sing, with a fellow named George Davis, was arrested by the police sev-eral weeks ago. Davis, for some un-known reason, was released, but the Mongolian suffered prosecution, the main witness heing City Councilmen J. G. Murdoch, Oliver Hodgson and W. H. Raybould. The "city fathers" were escorted through Commercial street and to the Mongolian's place by a man who is supposed to be Willie Hodd. The councilmen all testified that Hodd paid the Chinaman 25 cents for a bottle of beer and that they drank some of it "just to see if it was beer," but they denied they went there for the purpose of getting evidence against the China-man.

man. The defendant was represented by Atty. W. R. Hutchinson, who skilfully blocked the attempt of the prosecu-tion to show that a large quantity of liquor found by the detectives be-longed to Hop Sing. It was shown that it really belonged to Davis, the man who was released and who, at the time of the stress, was said to be more responsible than the ignorant. Chinaman for the operation of the "blind pig."

"blind pig." The city statesmen created consid-crable amusement by their answers to the question: "What is your occupa-tion?" The answer was: "City coun-

Another laugh was created when Mr. Murdoch declared there was "g 16-ounce-candle-power electric light in the

room." The defense of the Chinaman was that he had the liquor in his room for his own use in celebrating the Chinese New Year, and that he did not have it there for sale. To spite of this statement and the peculiar phases to the prosecution, he was found guilty and fined \$50. nd fined \$50.

"Generally debilitated for years. Had slok bendacites, lacked ambition, was worn-out and all run-down. Burdock Blood litters made me a well woman." --Mrs. Charles Freitoy, Moosup, Cons.
