EVENING NEWS.

Monday - Jan. 17, 1887

CORRESPONDENCE.

BRIGHTON, Bannock Stake, Jan. 7, 1887.

Editor Deseret News:

Brighton was put in running order last spring; while Brother John W. Taylor was at our conference, he organized our ward. Since then we have been pretty busy. We have just got our meeting house finished. It is a log building, 30 by 20 feet inside.

Our Sunday School scholars had a splendid time on New Years day.

Our Sabbath meetings are well attended and the Saints feel like doing better in the future. The meetings of all our organizations are well attended.

We have had a good winter so far. The stock is doing well. There is about five inches of snow at present, the weather is mild.

There is plenty of land to be taken up in Brighton, there being room for 500 more families. We have a town laid off. The city lots are about half taken, and the climate of this country is good. This being a very healthy place, sickness does not bother us much. There is a strong opposing element to the Church. There is also some falling away from the Church. They are the worst and bitterest of all. However, the people are doing well, all having good tempers and plenty to eat and wear, and the "Mormon" crops are abundant.

ROBERT GREENWOOD.

Poisoned by a Cobra.

The *Morning Star* of Jaffna, in Ceylon, reports the death of the taxidermist of the Victoria Museum in that town from the bite of a cobra, under curious circumstances. While feeding a cobra, which he thought was harmless from previous extraction of the poison bag, it suddenly bit his hand. For a few minutes he took no notice, thinking the bite harmless, but pain and nausea soon began. Carbolic acid was applied, ligatures were bound round the arm, an incision was made at the bite, and the blood from the arm was wholly removed. Various antidotes were used, but the unfortunate man lost the power of speech, and soon after every muscle seemed to have become paralyzed, and breathing entirely ceased. Artificial respiration was, therefore, resorted to, and this operation was unceasingly continued for nine hours, when at last the patient made an attempt to breathe, and soon regained consciousness enough to make his wants known. He steadily improved until the Friday, the accident having taken place on a Wednesday, and then astonished those around him by stating that during the severe operation on Wednesday night he was conscious of all that was taking place, but was unable to make his feelings known, not having power over a single muscle. It would seem that the poison paralyzed the nerves of motion, but not those of feeling, for he could see and hear and feel, although the physician, even by touching the eyeball, could get no response either of feeling, or consciousness. His partial recovery was, however, followed by a high fever and inflammation of the lungs, and he died, perfectly conscious, on the following Sunday.

THE FASTEST TORPEDO BOAT.—An official trial lately took place at Gravesend of the the last new torpedo boat built by Yarrow & Co. for the British Government. A continuous run of two hours was made, during which were six runs of the measured mile. The average speed during the entire run was 22.39 knots per hour. The highest speed of two of the mile runs was 23 knots per hour, or about 26½ miles per hour. The length of the boat, 125 feet; beam, 13 feet; mean draught, 3 feet 4 inches; load carried, 10 tons; vibration, practically none; circle, 80 yards in 50 seconds; steam pressure, 140 pounds; highest revolutions per minute, 411.]

A neat, unique and most comprehensive little pamphlet is the "Free Advice" sent out by the Charles A. Vogeler Co., Baltimore, Md., to those using St. Jacobs Oil or Red Star Cough Cure, and can be had by patients sending to them a statement of their case, with a two-cent stamp. Nearly all such publications are in almanac form, cumbersome in shape and over-burdened with matter entirely foreign to the treatment of diseases. But the one noted is gotten up in pocket edition size, convenient for the work-basket or bureau-drawer, and is brimful of useful counsel to the sick and afflicted. It is of itself a little traveling doctor and is worth a thousand stamps to every home. It is intended as a helper to those using these remedies, to relieve suffering and to make a cure in each case certain.

For Throat Diseases and Coughs, BROWN'S BRONCHIAL TROCHES, like all really good things, are frequently imitated. *The genuine are sold only in boxes.*

Cocaine, Iodoform or Mercurial in any form in the treatment of catarrh or hay fever should be avoided, as they are both injurious and dangerous. Iodoform is easily detected by its offensive odor. The only reliable catarrh remedy on the market to day is Ely's Cream Balm, being free from all poisonous drugs. It has cured thousands of acute and chronic cases, where all other remedies have failed. A particle applied into each nostril; no pain agreeable to use; Price 50 cents of druggists.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial Bottles Free at Z. C. M. I. Drug Store.

Angostura Bitters do not only distinguish themselves by their flavor and aromatic odor above all others generally used, but they are also a sure preventive for all diseases originating from the digestive organs. Beware of counterfeits. Ask your grocer or druggist for the genuine article, manufactured by Dr. J. G. B. Siegert & Sons.

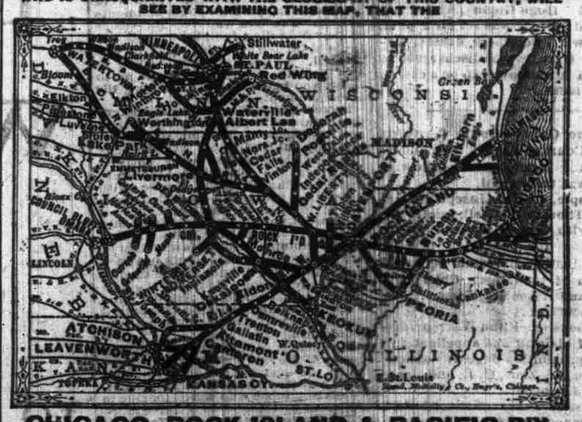
A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE



CHICAGO, ROCK ISLAND & PACIFIC R'Y

By reason of its central position, close relation to principal lines East of Chicago and continuous lines at terminal points West, Northwest and Southwest—is the only true middle-link in that transcontinental system which invites and facilitates travel and traffic in either direction between the Atlantic and Pacific.

The Rock Island main line and branches include Chicago, Joliet, Ottawa, La Salle, Peoria, Geneseo, Moline and Rock Island, in Illinois; Davenport, Muscatine, Washington, Fairfield, Ottumwa, Oskaloosa, West Liberty, Iowa City, Des Moines, Indianola, Winterset, Atlantic, Knoxville, Anderson, Harlan, Guthrie Centre and Council Bluffs, in Iowa; Gallatin, Trenton, St. Joseph, Cameron and Kansas City, in Missouri; Leavenworth and Atchison, in Kansas; Albert Lea, Minneapolis and St. Paul, in Minnesota; Watertown in Dakota, and hundreds of intermediate cities, towns and villages.

THE GREAT ROCK ISLAND ROUTE

Guarantees Speed, Comfort and Safety to those who travel over it. Its roadbed is thoroughly ballasted. Its track is of heavy steel. Its bridges are solid structures of stone and iron. Its rolling stock is perfect as human skill can make it. In all the safety appliances that modern ingenuity has devised its experience proved valuable. Its practical operation is conservative and methodical—its discipline strict and exacting. The luxury of its passenger accommodations is unequaled in the West—unsurpassed in the world.

ALL EXPRESS TRAINS between Chicago and the Missouri River consist of comfortable DAY COACHES, magnificent PALACE PARLOR and SLEEPING CARS, elegant DINING CARS providing excellent meals, and —between Chicago, St. Joseph, Atchison and Kansas City—central RECLINING CHAIR CARS.

THE FAMOUS ALBERT LEA ROUTE

Is the direct, favorite line between Chicago and Minneapolis and St. Paul. Over this route solid Fast Express Trains run daily to the summer resorts, picturesque localities and hunting and fishing grounds of Iowa and Minnesota. The rich wheat fields and grazing lands of interior Dakota are reached via Watertown.

A short central route, and Kankakee and Iowa Express connections to travelers between Cincinnati, Indianapolis, Lafayette and Council Bluffs, St. Joseph, Atchison, Leavenworth, Kansas City, Minneapolis, St. Paul and intermediate points.

All classes of patrons, especially families, ladies and children, receive from officials and employes of Rock Island trains protection, respectful courtesy and kindly attention.
