GOV. SPRY'S VIEW OF INCOME TAX

Thinks the Proposed Amendment Will Not Meet With Great Favor in Utah.

HE IS NOT AN ADVOCATE OF IT

Before People Once Before and Docs Not Believe Those of This State Will Change Their Minds.

New York, July 20 .- In order to asertain sentiment in the various states of the Union on the question of amending the federal Constitution so as to provide Congress with the authority to levy an income tax, a New York newspaper has sent telegrams to the governors of the several states. Of 23 chief executives who have replied, 15 were in favor of the income tax proposition; seven were non-commital, or had not sounded public or legisla-

tive sentiment, and one opposed.

plied to the effect that their state legislatures would probably ratify the proposed income tax amendment: Florida, Montana, Nevada, Colorado, Idaho, Mississippi, Kansas, Indiana, North Dakota, Minnesota, Virginia, Oklahome, Texas, Kentucky, Iowa.

The non-committal replies were from Georgia, Illinois, Rhode Island, Wyoming Missouri, Oracon, and Washing. ing, Missouri, Oregon and Washing-ton. In Utah only, however, was it forecasted that the amendment would be rejected. Gov. William Spry of that

be rejected. Gov. William Spry of that state, replied:
"I am incilined to think that the income tax amendment will not meet with great favor in Utah. The matter has been before the people of the nation once before, and as I remember it, did not meet with special favor. Because of this, I have no reason to believe that the people of Utah will change their minds. Personally, I am not an advocate of the idea."

WHAT GOV. HASKELL SAYS. "I compliment the president for having gone far enough in the waste basket of his predecessor and found a sensible proposition. That is an a sensible proposition. That is an Oklahoma proposition, and the voters will have to endorse it or turn turtle on their position of 14 months ago."
