GREAT

CENTRAL ROUTE

AND CONNECTIONS.

Entire line running FOUR EXPRESS PASSENGER TRAINS DAILY between Chicago and New York, Boston, and all intermediate points in New England, New York and the Canadas.

The renowned Pullman Palace Sleeping Cars are run on this line, exclusively, from Chicago east, and are fully supplied on all night trains.

The famous PULLMAN HOTEL CARS leave daily on evening trains running directly through to Rochester, N. Y., without change. The passenger equipment of this line is unequalled by any other in the country, and will be found by patrons to possess all the requisites of "SPEED, COMFORT and SAFETY."

Connected with the

GREAT CENTRAL ROUTE

IS ALSO

The Blue Line

Established January 1, 1897, for the carriage

of freight without transfer

This line is owned and operated by the Michigan Central, Illinois Central, Chicago, Burlington and Quincy, Chicago and Alton, Great Western of Canada, New York Central, Hudson River, Boston and Albany, Providence and Worcester, Worcester and Nashua, Housatonic and Jackson, Lansing and Saginaw Railroads.

THE "BLUE LINE"

is the only route that offers to shippers of freight the advantage of an unbroken passage of freight from Chicago and the Mississippi river to the seaboard, and is of the

SAME GAUGE as the Union Pacific,

over which these cars will run on completion of that road.

THE BLUE LINE CARS

are ALL OF UNIFORM BUILD, thus largely eliminating the chances of delay from the use of cars of a mixed construction, and the consequent difficulty of repairs while remote from their own road.

The Blue Line is incorporated by the Railroad Companies who own it, without the intervention of intermediate parties between the Road or Line and the public.

The facilities of the Line for handling

freight are of the highest quality.

All claims promptly settled on their merits.

Freight contracts given at the offices of the Companies in New York, Boston, etc.
