

THIRD DAY'S MEET AT THE STATE FAIR

Finishes Were Close and Exciting
And Crowd Was Well
Pleased.

THIS AFTERNOON'S PROGRAM.

It Consists of Four Events—Two Are
Harness Races and the Others
Are Running.

In spite of the threatening weather, there was another large crowd at the race track yesterday afternoon, and the fans were rewarded by seeing some fast finishes and some hair-raising features not seen on the program.

In the second heat of the 2:30 trot there was a mad mix-up when McGregor and America came together, with a crash, breaking the sulkeys and throwing the drivers to the ground. Fortunately, neither of the ribbon handlers were injured, but both had narrow escapes.

McGregor was frightened and with parts of the sulky knocking against his heels, dashed madly around the course. The animal nearly crashed into the leader, and for a moment it looked like a general wreck. After the excitement subsided, it was found that a broken sulky was the extent of the damage done. Two horses were not ruled off but were allowed to finish.

Firstaway won the 2:30 trot and pace, but the third heat was a dead one with Francis C.

The 2:15 mixed race was easy for Crab Apple, who captured the event in three straight heats. Oment taking second. Crab Apple broke the state record in this race. The three heats were run in 2:17, 2:15 and 2:18.

The mile and eighth dash was taken by Blanche. The horse took the lead at the start and was never headed. The five-eighths dash was captured by Burbon. After a pretty finish with Saxby, who got second.

UMPIRE A COMEDIAN.

"Funnies" Sayings of Indicator Holder "Sik" O'Loughlin on Diamond.

"Sik" O'Loughlin is the most eccentric umpire on baseball, and he gives in it. He likes to hear the crowd laugh at his "strike" and "ball" talk, and at his awful howl of "STRIKE-THREE" and "YOU OUT-THREE".

He is the author of the sage remark that there is no such thing as a close decision; that every pitched ball is either a

strike or a ball, and that a man is either out or safe. The decision of the umpire, says "Sik," settles the matter at once, with no occasion for the players to object or for the spectators to protest.

"Sik" has a funny little habit of tossing his cap on one side of his head when aggravated by protests from the players or jeers from the spectators. At such times he looks fierce. He never hesitates in talking back to the players, a habit which has helped him acquire a reputation for decided eccentricity.

O'Loughlin had a good deal of trouble with Manager Griffith and the players of the New York Americans during the latter part of 1903 and the early months of 1904. In August, this year, he put half a dozen New Yorkers out of the game and of the field during a series in Cleveland and caused the suspension for three days of Griffith. The latter declared "Sik" could never again enter the New York grounds, but Ban Johnson sent him there August 2 to umpire a series with Cleveland, and he did it without a hint of trouble at the gate or in the field.

O'Loughlin is generally considered one of the most competent of umpires. He is always master of the field, and will put a player out of the game on the slightest provocation.

TROUBLE AMONG GIANTS.

Alleged Bribery of His Stars by Irish Broods Trouble.

A New York dispatch says: There is turmoil in the Giants' team over the world's series. The majority of the players want to play the American league winners, but there are others who are in the "show" who are influenced, perhaps, to hold off or to let themselves away. It is the opinion of one, very close to the players that there will be such scattering of the stars after the last game is played on Oct. 8 that there will not be enough players of the champions left to make a respectable showing against most competent. It is evident that the "inducements" offered by the management of the club will have served, as was intended, to send several of the men so far away that they cannot be reached even with wireless telegraphy. There is turmoil in the team on this account. It is a shame that such a team could be considered as "stars," so that they could all come in for an equal "whack." That is just what the "dispensation" gotten for graft is now, and feel that they have been unjustly discriminated against.

There are other troubles, too, that have tended to cause hard feelings. There has been a great demand among the fans for semi-professional clubs that play Sunday ball around here to get giant players as an attraction. The star players have been able to get as high as \$100 to pitch in these games. The team, too, would get an offer to play in Hoboken or elsewhere. Several of the pitchers, who were getting their own money on the outside, also demanded that they should get their full share of the money that the team received. This caused such a friction that a general pooling of all the money taken in by all hands was proposed, which fell through. The pitchers thought their ability should earn them more than the common run, and couldn't see why they should whack up with players in the demand. It is the old story of the state and the company. Theatrical managers have settled this trouble, but being a new thing in baseball, it is not so settled as yet. The easiest way out of the trouble was for Manager McMurdo to shut down on all pitchers the playing of the game. The players—men and all, in all outside games. The internal troubles among the Giants, their winning of the championship in such easy fashion, and the resultant laxity of discipline, has put the team off training. The Giants are not as they were when they were fighting every inch of the championship war. And just this fact, too, will have more weight in throwing off the world's series anything else, with the possible exception of the "inducement" of the most valuable men of the pitching staff.

HIGH SCHOOL VS AGGIES.

Local Team Going Up Against a Big Handicap Tomorrow.

Manager Thompson of the High School football team will take his gridiron boys to Logan this evening for a game with the Aggies tomorrow afternoon. In going up against the Farmers the High School boys will give away about 100 pounds to the men. While the handicap is a big one, the local players feel confident of making anything else of the field of combat. Their goal is the school championship of the state, and they hope to make a better showing than did the Ogden team, week ago.

Clifford Won on Foul.

Helena, Mont., Oct. 6.—Louis Long Jack Clifford fought thirteen hard grueling rounds here tonight and Clifford was awarded the fight on a foul at the end of the thirteenth round by Referee McDonald. In the beginning of the fight Clifford fought Long but toward the end Long assumed the aggressive. There was a good deal of roughing in the contest and both fighters were guilty of fouls.

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.
