

THE L. D. S. HOSPITAL was erected in 1904. It is a beautiful structure of cream fire brick. The room capacity is 42 patients and the ward capacity 48. The building fund was started by a donation of \$50,000.00 by Dr. Groves, after whom the hospital is named. This hospital deserves the support of all interested in the relief and help of suffering humanity.

Imperfect Digestion.

Imperfect Digestion. Means less nutrition and in consequence less vitality. When the liver fails to se-crete bile, the blood becomes loaded with billous properties, the digestion becomes impaired and the bowels constipated. Her-bies will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the com-plexion, infuses new life and vigor to the whole system. 59 cents a bottle. WANTS ASTOR'S MILLIONS.

New York, Jan. 30.-A special from Pittsburg to the Tribune says:

Declaring it his intention to get pos-session of \$180,000,000 half of the present session of \$180,000,000 half of the present fortune of the Astors, a man intro-ducing himself as Abner Emery of Lewiston, O. T., is in Plitsburg, try-ing to find the heirs of John Emery. John Emery, according to the story told by Abner Emery, was a partner of John Jacob Astor, and they were in business logether when Astor started the fur trade in Astoria, Wash. It is asserted that John Emery left a will leaving his share of the business to his heirs, but that this will was not discov-ered for 75 years. Abner Emery says that this will was opened several years that this will was opened several years ago, and that since then he has been has found 480.

JOHN STINSON MURDERED.

San Francisco, Jan, 29 .- Over seven tars ago John Stinson, an aged and realthy miner of this city, mysteriously appeared. No word ever came of passing away, but it was supposed had died and after the required se of time his relatives obtained m the court a judicial declaration death.

It is now alleged, however, that an restigation has almost conclusively what that Stinson was found dead in we lake in September, 1898, with od stains on his face that seemed to evidence of murder. The body was d for several days and the body was held for several days at the morgue, but finally given a pauper's burial, no one having been able to identify it.

The secretary strongly urges the pass

The secretary strongly urges the pass-age of a bill increasing the pay of non-commissioned officers. One bill provides for a system of re-tirement by selection with a view to promote advancement. The secretary says of this bill: "It seeks to provide a remedy for a condition of affairs in the cavalry, in-fantry and artillery, bad now, but cer-tain to become intolerable unless a cure is applied. "That condition is the result of stag-

EX-GOV. SADLER DEAD.

Rev. Carlisle P. B. Martin, L.L.D. Of Waverly, Texas, writes: "Of a morn-ing, when first arising, I often find a trou-blesome collection of phlogm which pro-duces a cough and is very hard to dis-lodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." 25: 50c and \$1.00.
