GREAT NORTHERN ROBBERS.

Sheriff Lou Smith Thinks He Has One Of Them.

Seattle, Wash., Nov. 29.-Sheriff Lou Smith, of Kink county, believes he has in custody one of the men who robbed the Great Northern Overland on Oct. 2, and that he knows the approximate lo. cation of the rest of the gang which consisted of five members. James L. (Altas 'Lem') Short, is now under ar-rest, Fred Alexander, his partner, was

the scanson. Salt Lake promises to turn out gener-ously to see the game, and if Utah whis-ito afford all honor to the team for its successful season. If, however, the fortunes of war go against the home team, the partisan spirit of the crowd is not so likely as it once was to run over into knocks on the of-ficials and to raise the cry of robbery. The lesson of taking defeat as gamely as vic-tory is heing iearned by the Utah rooters, and genuine sportsmanship seems to have a sure place in the ascendancy during the game.

Utah defeated Denver by 24 to 6; and the Colorado Aggies turned the trick by 12 to 0. With Wyoming Utah secured 31 points to a shutout and the Colorado Aggies 34 points to 5. With Golden Utah secured only a goose egg against 22 points, and the Aggies secured 10 points against 17 for Golden. These scores, if they show anything, indicate evenly matched teams. Utah has little excuse in case of defeat except that she has met a team playing a botter brand of ball.

Utah is prepared to make a better show-ing than she has for many weeks ": ud-dy" Russell is in the finest of rettle after a slump of over a month, eovering the two biggest games of the season. Bennlon and Brown are also both in their prime, and this ought to give a back field of the old chain lightning order. With the ball in Utah's possession there should be some sensational happenings. The line is stronger than at any previous time since Barton went out. Hennessy is in good form, while Varley and Boise are both of the weight of their opponents and ought to stop any slashing inrough their posi-tions.
