

President Roosevelt

Said (May 29, 1903): "Not merely in the interest of the States which are benefitted by irrigation, but in the interest of the Union, I want to see the National Irrigation Congress at Ogden, and the work of irrigation, made the greatest possible success."

THE MOST IMPORTANT CONVENTION EVER HELD IN AMERICA AS

TO IRRIGATION AND FORESTRY AND AGRICULTURE AND
HORTICULTURE UNDER IRRIGATION.

Hon. Jas. Wilson, Secretary of Agriculture.

represents the Cabinet at the Congress and wrote (June, 1903):
"I desire to co-operate with the National Irrigation Congress in every possible way. I will make it a point to have as many experts and scientists of this department attend your next session as can conveniently do so."

THE ELEVENTH NATIONAL IRRIGATION CONGRESS

- AT THE ATTRACTIVE CITY OF -

Ogden, Utah, Sept. 15-18, 1903.

ONE FARE FOR THE ROUND TRIP

From all points west of Chicago
and St. Louis, and east of
the Pacific Ocean.

Come as a Delegate.

The Basis of Representation in the Eleventh National Irrigation Congress will be:

The Governor of each State and Territory to appoint 20 Delegates

or University having chairs of Hydraulic Engineering or Forestry 2 Delegates

The following are delegates by virtue of their respective offices: The President and Members of his Cabinet; the duly accredited representative of any foreign nation or colony; the Governor of any State or Territory; any Member of the United States Senate or House of Representatives; Member of any State or Territorial Commission.

Colonization is Progress--let us annex arid America and perpetuate the forests by proper use.

Save the forests and store the floods!
Trade follows the irrigation flag!

Let us make an inland empire in America through irrigation and intensive cultivation of the soil!

Land without population is a wilderness. Population without land is a mob!

The Congress Has Arranged a Semi-Arid States Fruit Exhibit

All Growers Raising Fruit under irrigation, also hops and barley, are invited to compete for the National Irrigation Congress Gold Medals, Cash Prizes and Cups to be awarded. Please write for list of prizes and regulations. Exhibits limited to states and territories of the arid region.
