

GEN. SHAFER'S ESTATE VALUED AT \$15,000.

Bakersfield, Cal., Nov. 20.—Capt. W. H. Shaffer, son-in-law of the late William H. Shaffer, today filed a petition in the superior court of this county for the deceased general. The petition states that no will of Gen. Shaffer has been found and property valued at \$15,000 is enumerated, as follows: Real property in Kern county, valued at \$10,000; personal property, consisting of bank stock, live stock and articles necessary for the cultivation of a farm, valued at \$5,000.

Seattle, Nov. 20.—Coroner Carroll this afternoon signed a certificate stating that Mrs. Maud Creffield, who died suddenly in the county jail last Friday night, came to her death by suicide through the use of strychnine. The coroner's testimony there this afternoon found the presence of more than enough strychnine to cause death.

LABOR FEDERATION ENDORSES GOMPERS.

Minneapolis, Nov. 20.—Amid scenes of enthusiasm, the American Federation of Labor, which is holding its annual convention here, endorsed the political platform of President Gompers during the campaign, and urged a continuance of activity along independent lines, strongly condemning, however, the idea of affiliating with any special party, and going on record as opposed to forming a national labor party.

Although the committee on the president's report at the opening of the afternoon session, made a favorable recommendation regarding active participation of working men in electing friends of labor as legislators, it was not until 7 o'clock this evening that the delegates were ready to go on record by casting a vote on the committee's recommendation.

President Gompers spoke in defense of the stand he took in the last campaign, and his accusations against Congressional Littlefield, of Maine, as an enemy to organized labor, and he pronounced a severe arraignment against the National party which he said "talks for everything and does nothing."

John Mitchell was present, but took no part in the discussion.

Backache, "The Blues"

Both Symptoms of Organic Derangement in Women—Thousands of Sufferers Find Relief.

How often do we hear women say: "It seems as though my back would break," or "Don't speak to me, I am all out of sorts." These significant remarks prove that the system requires attention. Backache and "the blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or nature's requirement of the organs. Nature requires assistance and at once, and Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women. It has been the standby of intelligent American women for twenty years and the best judges agree that it is the most universally successful remedy for women's ills known to medicine.

Read the convincing testimonials of Mrs. J. G. Holmes, of Larimore, North Dakota, writes:

Dear Mrs. Pinkham:— "I have suffered everything with backache and female troubles. I let the trouble run on until my system was in such a condition that I was unable to be about, and then I commenced to use Lydia E. Pinkham's Vegetable Compound. If I had only known how much suffering I would have saved I should have taken it months sooner. For a few weeks treatment made me well and strong. I suffer no pain at my monthly periods, whereas before I took Lydia E. Pinkham's Vegetable Compound I suffered intense pain."

Mrs. Emma Cotwely, 109 East 12th Street, New York City, writes:

Dear Mrs. Pinkham:— "I feel it my duty to tell suffering women of the relief I have found in Lydia E. Pinkham's Advice—A Woman Best Understands a Woman's Ills."

A DIRECT PROCESS

HOW DR. WILLIAMS' PINK PILLS CURE RHEUMATISM.

Statement from One Who Was Cured of a Particularly Painful Form of This Disease.

Of the many forms which rheumatism takes, that which is popularly known as sciatic rheumatism is probably the most tormenting to the victim more than any other. That Dr. Williams' Pink Pills have cured this stubborn as well as painful trouble is a fact proven by the following statement, and no sufferer who reads this can afford to let prejudice stand in the way of trying these blood-making pills. Rheumatism is now generally recognized as a disease of the blood. Dr. Williams' Pink Pills make—actually make—pure blood. When the blood is pure there can be no rheumatism. Mrs. Thomas Bresnahan, of 34 Mill street, Watertown, N. Y., says:

"My trouble began with a severe cold which I took about a week before Christmas in 1904. I began to have rheumatic pains in my back and limbs and after a time I couldn't straighten up. I suffered the most awful pain for months and much of the time was unable to leave the house and I had to take hold of a chair in order to walk and sometimes I could not stand up at all. My husband had to help me up and down stairs. The pain was greatest down my left limb, along the sciatic nerve.

"The disease was pronounced sciatic rheumatism and, although I had a good physician and took his medicine faithfully, I did not get any better. After some six weeks of this terrible pain and suffering I tried Dr. Williams' Pink Pills and the result was that I was cured. After a few boxes the pain was less intense and I could see decided improvement. I continued to take the pills until I was entirely cured and I have never had any return of the trouble."

\$5,000 REWARD.—The Dr. Williams Medicine Co. has authorized the cashier of the Union National Bank of Schenectady, N. Y., to pay the sum of \$5,000 upon proof of fraud on the part of the company in the publication of the foregoing testimonial, or any other used in making known the merits of Dr. Williams' Pink Pills.

All druggists sell Dr. Williams' Pink Pills and the remedy will be mailed post paid, on receipt of price, 50 cents per box, six boxes for \$2.50, by Dr. Williams Medicine Co., Schenectady, N. Y.

San Francisco, Nov. 20.—Among the passengers on the steamer Korea which sailed today for Honolulu and the Orient, were Commissioner of Immigration Sargent, who will investigate the immigration problem in Hawaii; Brig. Gen. John P. Pershing, who succeeds Gen. Leonard in the Philippines; Benito Legado, a member of the Philippine commission; James L. Rogers, United States consul at Shanghai, and two daughters of Admiral Brown, who will join their father on the Asiatic station.

E. P. COLGAN DEAD. San Francisco, Nov. 20.—State Controller E. P. Colgan died today of acute diabetes.

FORGERS PLEAD GUILTY. From Genuine Checks They Traced Signatures on Blank Checks.

New York, Nov. 21.—Three members of a clever gang of forgers decided in the midst of their trial yesterday to plead guilty of forgery in the second degree. The prisoners were Thomas McCarthy, his wife, Anne, and Thomas S. Shadd, a former messenger employed by the Bank of New York. They will be sentenced on Friday.

Charles Muntwyler, who was the head of the gang, and who engineered the system of forgeries, turned state's evidence. When the original arrests were made last summer Muntwyler fled to Chicago and was recaptured there. He is being brought back by a detective he escaped from a train at Buffalo.

WITTE ROUNDLY ABUSED. St. Petersburg, Nov. 20.—Since his return to Russia Count Witte has been showered with abuse and attacks. A campaign to discredit him and prevent his ever returning to power is openly in progress. The Socialist party has taken him the lie direct on the subject of his declaration that he had no communication with the workingmen's council during his premiership, and high officials of the government are furnishing material for attacks upon him. The reactionary papers are filled with articles abusing the count, among the mildest terms employed being "stupendous liar," "traitor to the fatherland," and "political and financial card-sharper."

The voice of M. Kovalevsky in the Strana is the only one raised in the former premier's support. He says Witte is undoubtedly the most clever man in the government camp, and that abuse is dictated by fear that his star may again be in the ascendant.

GOV. PARDEE PARDONS RICHARD DOWDELL. Sacramento, Cal., Nov. 20.—Richard Dowdell, who was sent to San Quentin for 20 years from San Francisco for highway robbery for holding up ex-Coroner Leland, was pardoned this afternoon by Gov. Pardee. Dowdell, a 35-year-old man, the gas pipe thugs of San Francisco, confess that they, and not Dowdell, robbed Dr. Leland.

MURDERER DABNER WEPT. When Capt. of Detectives Duke Read His Signed Confession in Court. San Francisco, Nov. 20.—Louis Dabner, the young man charged with John Siemsen, of beating three men to death with pieces of gas pipe, wept in Judge Shortall's courtroom this afternoon when Capt. of Detectives Duke read his signed confession. Siemsen, however, smiled when portions of the confession were read.

Several Japanese witnesses told of how the murder at the Kimmion Ginko had been committed. To verify a story told by Siemsen to a cell mate that he had dug up \$5,000 in gold cached at Wayne, near Santa Cruz, Capt. Duke called the young man accused of murder before him. Siemsen confessed to having dug up the money, the location of which had been told him by a convict whom he befriended at San Quentin. Siemsen admitted that he had brought the money to this city, and that he had hidden it, but where he refused to tell. Capt. Duke then detailed a detective to search for the coin among the safe deposit vaults in this city.

Purdy were arrested today and taken before United States Commissioner Williams, charged with violating the game laws of Wyoming. It is claimed that the shipment was made on Nov. 2, but that the elk were killed before Oct. 15, on which date the closed season ends in that state.

Mr. Gould announced just before sailing that his sister Anna, the former Countess Castellane, will return to this country with them at the end of June. Mr. Gould said:

BUTTE MINERS UNION THANKS EMPLOYERS. Butte, Nov. 20.—At a meeting of the miners' union tonight, a vote of thanks was tendered to companies for the raise of 25 cents a shift, which was wages. The group was made during a famous period in the history of the Butte factory from 188 to 1896, when Count Bruhl was at its head. The figure represents Countess de Kessel, one of the beauties of the court of Augustus II, then elector of Saxony.

The group was brought to Christy's by a man who offered to sell it for a small price, but instead of buying it Christy auctioned it off for his benefit.
