

GRAND TESTIMONIAL LAST EVENING.

A Fine Audience Enjoys an
Ideal Concert Program at
The Great Tabernacle.

A NOTABLE ROLL OF ARTISTS.

Retiring Presidency of the Old Salt
Lake Stake is Fittingly
Honored.

The testimonial in honor of President Angus M. Cannon, Jos. E. Taylor and Charles W. Penrose, the retiring officials of the old Salt Lake Stake, took the form of a huge popular demonstration at the Tabernacle last night—one that told unmistakably of the high regard in which the three officials are held by the people with whom they have been so long associated.

The committee in charge of the event, the presidencies of the four new stakes recently organized from the Salt Lake stake, adopted the most fitting and graceful means for furnishing an ideal testimonial, viz., in arranging a program of music of a high class, and forming a concert which has rarely, if ever, been excelled by any local musical event. It is probable that nothing except the respect felt for the occasion, could have brought together such a notable roll of artists, and the three guests of honor, who sat in the east end of the gallery, undoubtedly appreciated the compliment.

The concert was an admirable one in length, arrangement and make-up. As every Tabernacle concert should be, it was drawn to a close near 10 o'clock, and the dismissal would have come earlier, but for the enthusiasm of the audience in demanding double and triple encores on some of the numbers. The turn out was an immense one, the largest that any Tabernacle concert has drawn for a long time past, the lower part of the house and a large section of the gallery being completely filled. The evening was cool, the ventilation excellent, and all the conditions of the best for a successful musical entertainment.

The program consisted of 11 numbers, but it was spun out to nearly 30 by the encores. The Tabernacle choir rendered "Stephens' dainty Spring Tune" and the chorus to the "Infant's" in excellent fashion, though the male solo was rather short. The soft portions of the accompaniment to the soprano solo have never been better rendered by the choir, but the force of the male solo was rather hurt by the absence of many of the male voices. Mr. Stephens had his choir under excellent control all the evening.

Mr. Walter Wallace, the first of the three guests of honor, introduced, rendered the difficult solo of "Honor and Arms" in fine style, and the accuracy with which he executed the long runs, showed the rare training he has received. He was called back, but contented himself by having his acknowledgments. Mr. McClellan's organ work was, of course, exquisite as usual. He rendered the "Cradle Song" tried to escape an encore, but finally had to render "My Old Kentucky Home." Mrs. Edwards, in the always favorite "Polka" from "Mignon," sang in brilliant style, and had an ovation. The difficult finish was especially ringing. Her singing of the solo to the choir accompaniment in the "Infant's" was as beautiful as ever. Probably she never sang it better, and the audience heard her with a will. A tremendous applause. Mr. J. Williams acknowledged decidedly with his rendition of "Priest of Orders Gray," being encored, he responded with the humorous, "But I am a Minister of the Gospel." The audience, who also caught the fancy of the audience, the Imperial Quartet rendered a waltz song in fine fashion, and being encored gave a plantation selection with good taste.

Mr. R. C. Easton had a big ovation on his appearance, and the fact that he had lost some of his old time powers over it. His rendition of "Fairer than the Sun" was admirable, and his beautiful high notes were heard all over the hall. He was called again and again, and finally responded with the favorite ballad "My Love is like the red, red rose." This song won the audience up to a higher pitch of enthusiasm, and he gave "Annie Laurie," which he rendered in a new way, and as only he knows how to do. Mr. Wallace gave the "My City" in beautiful style, and being called, gave a pianissimo selection which was to the last degree dainty and artistic.

Mr. W. J. Andelin, whose previous hit at the Tabernacle was well remembered, also had a big ovation. He returned the "Sacred Dwellings," he too, an encore "Rocked in the Cradle of the Deep," which raised immense enthusiasm. His big bass voice filled the hall completely, and the audience heard him with a will. He was called again, and he responded with the "Star Spangled Banner" by the organist, choir and a big part of the audience.

The rare program brought out a wealth of accompanists. Prof. McClellan, Spencer Clouston, Jr., Prof. Peterson and Prof. Lund of Provo, all officiated. The latter was especially gratified, and justly so, at the reception accorded his pupil, Mr. Andelin. This young gentleman is only 20 years of age, a native of Richmond, and is at present a student at the Brigham Young university in Provo.

Young Hair

That means rich hair, heavy hair, no gray hair. Is yours thin, short, gray? Just remember, Ayer's Hair Vigor always restores color to gray hair, all the dark, rich color it had years ago. It stops falling of the hair, also. Has been tested for 50 years.

"About a year ago my hair nearly all came out. I thought I would try Ayer's Hair Vigor. I used only one bottle of it, and now my hair has come in real thick and a little curly."—Mrs. Lizzie M. Smith, Saratoga, N. Y.

HOLDUP CAPTURED.

Silver City Stage Robber Turns Another Trick and is Caught.

(Special to the "News.")

Boise, Ida., June 25.—The Silver City stage robber was captured last night at a point about ten miles from Jordan valley, Oregon. The capture was effected by Tom Skinner and another man, who set out from Silver shortly after the robber had disposed of his horse there before being overtaken.

However, the bandit had turned at other trick, his victim this time being a freighter, who had followed close behind him. The bandit secured the sum of \$15, all the money the man had.

A little later the highwayman was pursued by a posse from Silver City, who located him in a haystack on a Hooker Creek ranch. While getting reinforcements, however, the holdup slipped through the line and he remained for Skinner and companion to overtake him on the Jordan Creek road. The bandit gave the name of William McNally, and said he had recently arrived from Battle Mountain, Nev.

CHARGES WIFE WITH INSANITY.

Wm. E. Jacobs Asks That Mrs. Jacobs be Examined as to Her Mental Condition.

WILL BE HOTLY CONTESTED.

Woman Claims She is Being Persecuted by Her Husband, Who Wants Her Money.

A complaint was sworn to before County Clerk James yesterday by William E. Jacobs, a civil engineer of this city, charging his wife, Mrs. Ida May Jacobs, with insanity. Mrs. Jacobs was taken in charge by two deputy sheriffs and was taken before Judge Hall late yesterday afternoon for an examination as to her mental condition, but upon her own request the hearing was postponed until Monday.

After a lengthy consultation with Mrs. Jacobs, in which she stated that her attorney was out of the city and would not return for several days, District Attorney Smith stated to the court that the case would be contested, and as Mrs. Jacobs' attorney was not in the city, he would ask that the examination be continued until Monday. Judge Hall, after privately consulting Mr. Jacobs and his attorney, E. M. Allison, continued the matter as requested.

Mrs. Jacobs is a highly educated woman and a brilliant conversationalist. She claims that she is being persecuted by her husband, who is desirous of securing the balance of her money. She says that he has already squandered about \$25,000, which belonged to her, and now wants to send her to the state mental hospital, after which he can get the remainder of her property.

Mrs. Jacobs was taken to the county jail, but later was released on her own recognizance until Monday morning.

PROMINENT PHYSICIANS PRESCRIBE PE-RU-NA.

Dr. M. C. Gee, of San Francisco, Says, "Pe-ru-na is of Especial Benefit to Women."

James Crozier, M. D., formerly U. S. Pension Office Medical Examiner, formerly on the Medical Board of Referees, U. S. Pension Office, in a recent letter from Washington, D. C., writes:

"I have often prescribed Peruna in my practice for catarrhal trouble, and after giving it a fair test I can cheerfully recommend your valuable remedy, and for coughs, colds and catarrh in its worst stages. It is one of the best tonics I have ever prescribed."—Dr. James Crozier.

A constantly increasing number of physicians prescribe Peruna in their regular practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommended it to their patients.

Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession to-day. Catarrh, as every one will admit, is the cause of one-half the diseases which afflict mankind. Catarrh and catarrhal diseases afflict one-half of the people of the United States.

Dr. A. P. Bogue, formerly Professor of Anatomy at Howard University, writes from the Bureau of Education, Washington, D. C., as follows:

"I have used Peruna in several cases of catarrh and have found it an excellent remedy. I can honestly recommend it to the public as an excellent remedy for catarrh and colds."—A. P. Bogue, M. D.

Catarrh may invade any organ of the body; may destroy any function of the body. It most commonly attacks the head, nose and throat, but thousands upon thousands of cases of catarrh of the lungs, stomach, kidneys, bladder and other pelvic organs have been cured by Peruna.

Peruna is able to cure catarrh wherever it may be located by its direct action upon the mucous membranes. Catarrh means inflamed mucous membranes. Peruna acts at once to cleanse and invigorate the catarrhal condition of the mucous membrane, no matter where it may occur in the body. Its action is the same on the mucous lining of the nose as on the mucous lining of the bowels. It cures the catarrhal inflammation wherever it may occur.

Dr. R. Robbins, Muskogee, I. T., writes:

"Peruna is the best medicine I know of for cough and to strengthen a weak stomach and to give appetite. Besides prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not had a patient but it helped him. It is an excellent medicine and it fits so many cases.

"I have a large practice, and have a chance to prescribe your Peruna. I hope you may live long to do good to the sick and suffering."

We say Peruna cures catarrh. The people say Peruna cures catarrh. Prominent men and women all over the United States from Maine to California do not hesitate to come out in public print to say that Peruna is what it is recommended to be, an internal, systemic catarrh remedy that cures catarrh wherever it may be located.

Dr. M. C. Gee's Experience.

Dr. M. C. Gee is one of the physicians who indorse Peruna. In a letter written from 513 Jones street, San Francisco, Cal., he says:

"There is a general objection to the part of the practicing physician to advocate patent medicines, but when any one medicine cures hundreds of people it demonstrates its own value and does not need the indorsement of the profession.

"Peruna has performed so many wonderful cures in San Francisco that I am convinced that it is a valuable remedy. I have frequently advised its use for women, as I find it insures regular and painless menstruation, cures leucorrhoea and ovarian troubles, and builds up the entire system. I also consider it one of the finest catarrh remedies I know of. I heartily indorse your medicine."—M. C. Gee, M. D.

Peruna is not only the best spring tonic for such cases, but if persisted in will effect a complete cure. Write for a copy of "Health and Beauty," written especially for women by Dr. Hartman. If you want to read of some cures also write for a copy of "Facts and Faces." That will surely convince you that our claims are valid.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
