

August 16, 200 August liberal amount, water for irrigation has not been scenty, and the result is a fair prospect for well filled stackyards and bins. Providence has seconded the ef-forts of the busbandman, so far as pro-duction is concerned, and the barvest is great, though in some localities the la-borers are few. It would be a good thing if some of the city loafers and bu mers would get up and go into the country and assist the farmers in get ing in the harvest, it would be a great deal better than lounging around sa-loons, restaurants, stores, and disreput-able establishments, perhaps appearing

loons, restaurants, stores, and disreput-able establishments, perhaps appearing before Justice Olinten coensionally, wasting manhood and frittering away precious opportunities of doing good, serving the country, and setting an ex-ample of industry to the raing genera-tion, who will be much what the pre-sent adult generation make it. To the farmers we may say, if you need help in getting in your crops, secure it and pay for it promptly and liberally, that all, rich and poor, may

liberally, that all, rich and poor, may of fight.

share in and rejoice over the bounties of Providence. Liberal pay can be Numancia were suffering so from yelof Providence. Liberal pay call be given in produce, so much of the pay as can not be made over in cash or the next most convenient representative of wealth. There is no blessing promised to him who grinds the faces of the poor, or of those who do the labor of the world. If those who do Ram will be anchored outside the not work should not est, those who do Narrows to-day. Narrows to-bay. PHILADELPHIA, 16. — Commedore Macomb was buried yesterday. NEW YORK, 16 — A letter was pub-lished to-day from Attorney-General Barlow, requesting Sheriff Brennan not to arrest Andrew J. Garvey, on the work faithfully should enjoy a most generous livelihood. civil process against Tweed, Ingers li civil process against Tweed, Ingers in and others. Bain has fallen steadily since 10 this morning and continues this afternoon. The storm continues at Washington, and the races at Utics have been post-polled an account of rain there. CHICAGO, 10.- Willia Warner's me-nagerie was exhibiting at Dealard Mon-roe Co., Ills., the other day, an experi-ment was made of exhibiting the rhi-noceros in the ring. The experiment resulted disastronsiy. The animal broke away, stampeded the audience, killed two men, wounded seven others, and having harvested them, the next thing is to take good care of them. It is too bad for a farmer, after having secured his crops, and bountaous crops, to find them wasting away at home to want of a little care and exertion in making them safe from certain contingencies. Stackyards should be effectually secured from invasion by hungry animals, and the stacks should be well animals, and the stacks should be well and substantially built, and made as secure as conveniently practicable from injury by the weather, should be proof against wind storms, and im-pervious to rain storms. Tons upon tons of hay and hundreds of bushels of grain have been destroyed

Already there seems a spirit of enquiry avakened and the deal (those who have that Saunders, the nagro Democrat, met scanty comfort and no courtesy, but was called liar, traitor, and it is evident that Greeley will encounter the opposition of the entire colored vote of this State.

Bed with the fatherly meaner of Brocher Fairbanks. Our young friend, Junius F., is setting a worthy example for one of his years. President Fairbanks and the brathren units in kind regards to Presi-dent Young, also Presidents Smith and Wells, and praying for your continual suc-cess in the kingdom of cur God. Yours in the cause of truth. S. S. JONES.
THE HOBERN CRIME OF LARGE FAMILIES.
It is time public attention was called to the question of large families. There can be no mistaking the prevailing centiment in our populous cities in re-ference to these encumbrances. When modern people marry it is not often

Novel Treatment of Dyspepsia.

Some years ago a physician in New York City published a small book, in bioh he gave well written certificates marvelous cures of dyspepsia. Pa-ents began to flock to him. Their queer. He took the patient into his consultation office, examined his case, and if it was one he could cure, he ann to his tres nounced his fee as five hundr tollars, to be paid in advance. In advance, in advance

there is frequently much loss through insufficient storage of grain, which every farmer who studies his own in-terest will do the best he can to remedy, or rather to prevent. Grain will be Ward in the late primary, and awards plentiful this fall and winter, and the market price of it may be low, but still it will be worth taking every rea-sonable care of, for it is better to live in a land of plenty than to be in the midst of scarcity, especially when that scar-city was partially avoidable. Let us take the best possible care of the boun-time Provide many best of the boun-

these poisonous sentiments should apread from the centres of social re-finement over the country at large, then, upholders of the marriage rela-tion, look out. The next step of the assault will be against marriage, the citadel of purity and the home affec-tions, and some of the darkest erms of human experience, followed by the lund finmes of retribution, will repant the darkest in bistory

belves in history.

Themselves in history. There is one practical suggestion tending towards the strengthening of a besithiz: tone of public facility is ref-erence to this question of large families which I do not remember to have man with, at any rate in the form in which I propose it, but which I cannot heip thinking is deserving of some consider-ation, if our states and politicians can afford the time in these days of party confligt to entertain any quee-

confligt to entertain soy queen tarian character. Unquestionably the great burden and anxiety of large families fail most fre-quently upon the mother. It is diffi-cult for persons of moderate means and large families to procure domestic help, and the luxury of good boarding senools is far buyond reach. Why,
