By order of the President,

W. WOODBUFF. Our Country Contemporaries

Ogden Junction, Feb. 23-The new bern son of Mr. and Mrs.

Coalville informs us that snow is still so deep on the level thereabout as to render travel by wagon next to impracticable, sleighs being the main dependence in that regard. If a speedy thaw does not soon set in, cattle will be likely to suffer very severely, as feed is getting exceedingly short.

Very unfavorable account of the treatment they had received. They left Ogden Feb. 12 arriving at Toans and the treatment they had received. They amount of steepness, because of its one fault—smoothness and consequent slipperiness; that asphalt roads must be made in the best manner, or they will be miserable failures; and that in Paris, the best kept and best governed city they were abused in coarse language by James Cavanaugh, the description at Z. C. M. I.

Grocery Department.

Don't Be Imposed Upon!!!—

Machinery.—Mr. Wm. Harrison has just received from the east a die press, for the purpose of cutting has just received from the east a die press, for the purpose of cutting warlous kinds of sheet metal covers and bread, was dumped out on the snow and frozen. The men resolved that all should not work all should them they sould all quit. Subsequently twenty five responded. At night they were called for but only five responded. At night they make the other hand it is reported that condomers are getting tired of asphalt for streets in this land of liberty." On the other hand it is reported that condomers are getting tired of asphalt for streets, because of its slippelines. For footpaths it is undoubtedly superexcellent.

Machinery.—Mr. Wm. Harrison has just received from the east a die press, for the purpose of cutting the dissist from work, and cavanaugh abused them round lay. The diminer of the men was dead bread, was dumped out on the snow and frozen. The men resolved that all should not work unless decently feed. Cavanaugh abused them round lay. The diminer of the men was allowed to the men had to have long since discarded all other experiments and completed down on asphalt, with a success that justing sale well known, in Cavanaugh abused them round lay. The dimen to the men was allowed to the men was leaded to the men was allowed to the men was allowed to the men was allowed to work unless decently feed. Cavanaugh abused them round lay. The dimen to the men was allowed to the men was allowed to the men was allowed to work unless decently feed. Cavanaugh abused them round lay. The dimen to the lay of the man allowed to the men was Straw for Braiding.—James Butler, of Payson, brought into this
office, this merning, some specimens of straw cut and assorted for

drifting the snow so health that

and the juvenile. On our admit the enjoyment of good health, and the juvenile. On our admitfor all of which I feel truly thankful to our Heavenly Father."

Theatre.—There is an unusually
attractive bill at the Theatre tomorrow evening, for the complimentary farewell benefit of that

beautiful organ which belongs to
the house in a very creditable man-

the house in a very creditable manner. This reminded me that I was Lindsay. The bill consists of Conrad's four act tragedy of "Jack Cade," a song by P. Margetts, jun., the "Mulligan Guards" by Messra. Upon my leaving I ascertained that this Ward invariably made that this Ward invariably made that this ward invariably made a rule through its deacor the shade at 1 p.m. to-day. Cloudy. ful Bachelor," in which Mr. J. C. of getting up parties or concerts to Graham will appear. The Hydrants.—Mr. Ellerbeck, superintendent of waterworks, is now having the hydrants put in and connected with the water

and connected with the water I perceive two great benefits re mains. The articles were cast at sulting from such sociables—first who wish to let out their bees, or otherwise employ a bee master, will find in Mr. McKay a reliable and practical apiarian.

DEAR BRETHREN: It is out, described with the foundry of Davis, Howe & Co., and differ from any other hydrants in the world, and we question whether there are any others that are more complete in design. In the world, the watchcare of careful parents and friends; secondly, the means are more complete in design. the accomplishment of this purpose we request the Bishops and stead of being put in the ground ple do not begrudge.

OLD ARGUS. Reeping His Birthday

February 23d, 1876.

OGDEN CITY, Utah,

Editor Descret News: Yesterday was a beautiful day contact with the frezen ground city in the evening. At Driver's tenders them less lights to frezen renders them less liable to freeze able company, under the auspices of the foreman, compositors and Mr. Amos Howe, of the firm of well ventilated and very suitable Davis, Howe & Co. Providing the for the purpose. On this occasion weather remains suitable, the it was very tastefully fitted up. The walls were decorated with the stars and stripes, also with numer ous paintings, above all of which "The Father of his Country." Good order prevailed, the music was excellent, the harmony was unbroken, and the dancing continued until about three o'clock this morning,

> apparently well pleased with themselves and each other. All well, weather good, dull, money scarce, and all hope for better times.
