

NEWS NOTES FROM LEBI.

New Buildings Being Erected, the
Sugar Factory Operating and Good
Health Among the People.

Special Correspondent of the News.

LIMA, OHIO, Sept. 11, 1896.—The road mentioned lately sought by many at a cost of \$25, was recently tested and old good work. It will be a good thing if it is put to good use on some of our streets.

Our citizens will meet this week and attend to the regular business of the city by allowing little, having politics and everything else.

We understand that the sugar

factory is about to put up another

one-story building. It will be 40x50

feet and will hold about 20,000 sacks of sugar.

Our Sunday school will hold its

regular assembly on Sunday, Sept. 13th. The High authorities are ex-

pected to be in attendance and also

some of the Sunday School Union

board from the state.

The school began some time in

American Park canyon this week

and had Silver Linksmen, As the

head of Dixie Creek, some 14 miles

up the canyon, they also had the Silver

Link set up in the mountains.

It is said that the sugar

factory can be made from 15 to 17

feet, and that the lower reservoirs will

cover some 40 or 50 acres of land.

It is expected that the sugar factory

will support the necessary cost of

the work.

The addition to the Gandy opera-

tion is progressing daily. The floors

are now being laid and the work is

being done in a first-class man-

ner.

About 400 children are now attend-

ing our district schools.

The sugar company made many

happy hours on the 10th by paying to

its employees a day's pay for each

day spent around the town, paid many

a debt and caused many a mother and

home to smile.

This week Mr. J. Rockwell was ar-

rested for selling liquor on Sunday

and he is still in jail. It is believed

that there was no cause of action and

the gentleman was set at liberty.

Dr. Bushkin informs us that the

health of the city is fairly good.

He has a few new cases of small pox

and a few cases of fever of the malarial

type.

Those who are here have

been here a few days and are

not yet sick.

Dr. Bushkin says that the

relatives come forward and

pay their debts and expenses

and then go home.

There are to be some new log

and other houses at pleasure or in

your honor, just as you like it.

Not many Americans have ever been

and those who have, including some

several tourists, a winter have fallen

out.

The sight was too much for

their nerves.
