of this city handed to us, for perfrom a friend who resides in Shelby County, Iowa, under date of Feb. 15th. As he makes mention of Chambers, the witness to whose account was laid the cause of delay-

part of the communication in

is what the groundwork of this al-

leged contempt is made of; an application for an injunction upon grounds wholly unknown to the law stands upon this precise footing, and while it may be said to be a novel way of enforcing the extradition laws, it is equally as novel to treat the application with and as a conclusion from which there is no

escaping in looking at this matter, and that is this-that the wrong, i

any has been done, on the part of the legal gentlemen in question, is upon him, Philip Shafer, convicted the legitimate result of the conduct of certain officials that now are and have been in this Territory. The clamor for courts was answered by Congress by the Poland bill; the legitimate good that should have resulted from the passage of that act has been neutralized by gubernatorial proclamations and

ronunciamentes, tacitly approved of by some of the judiciary to such an extent, that property is less secure, life and liberty less pro-tected, and in the most important cases men charged with crime made more defiant than it ever was charged they had been. In some of the districts, from present indications, Rip Van Winkle could
