In Alameda county, Judge McKee, of the Third District Court, has sentenced Ramon Amador, a native of California, to be hanged on Thursday, the 31st of August next. Amador murdered a hunter, named Hiscock, to get possession of a ritle, which he coveted.

The Omnibus R. R. Co., has reduced the street car fare to four cents; other companies are expected to follow

At a late hour last evening there were rumors on the street that the leaguers at Amador had inaugurated a reign of GEM, HAMMER, NET, NHARPEN and terror and commenced murdering all parties obnoxious to them. Notices were immediately issued for the national guards to hold themselves in readiness to march at a moment's notice, and a large force has reported for duty at the respective armories. The troops generally are anxious to turn out and meet the murderers. E. E. Hatch was murdered by McKemeomy, a prominent leaguer, who was in turn shot and killed or mortally wounded by Hatch. The Amador Company's force is blockaded by the leaguers, as is also the telegraph office, and it is supposed that the wires have been cut by the masked leaguers seeking to murder various parties. A reign of terror is prevailing. Governor Haight has received no notice of any shape of trouble at Sutter

Creek requiring military interference. He will act on proper notice promptly and a force is in readiness to leave as soon as ordered out. General Cotton and other mine owners had received nothing from Sutter Creek or Amador ROOK BINDING AND PAPER RULING concerning the difficulties this morning, and as the line is in working order, it is supposed the leaguers will not permit such messages to be sent. Threatening letters are being sent to the military officers, warning them against protecting the Italians in their proposed parade, on Sunday week,

nevertheless measures will be taken to prevent any breach of the peace at that

The weather is fine and pleasant.
