Help for Memphis—Row in Court.

NEW YORK, 7.—Nine police precincts return over four thousand dollars, contributed at the polling places on election day, for Memphis. The police have contributed two thousand dollars for the police of Memphis.

Judge Davis and Mr. Bartlett, of the counsel for Tweed, at the trial to-day, had another tilt. The Judge had decided that one Orrell, after a long examination, was competent, when Bartlett rose to comment on an admission by a witness, tending to show bias. Judge Davis peremptorily refused to hear another word on the subject, and in the course of the dialogue Bartlett said, "As your honor will not hear argument after decision, would you inform us, when the next juror is called, that you will hear argument before decision?" Judge Davis said angrily, "Sit down." Bartlett said, "I refer your honor to Justice Chase, and many other authorities." Judge Davis, rapping with his gavel, "Sit down, sir, sit down. Be cautious, sir, or I will refer to a still later case." Bartlett—"I did not hear your honor." Judge—"Another repetition of that or anything of that character will fall down upon you in a way that may not be pleasant." The juror was then peremptorily challenged by the defence. The reference to Justice Chase was understood to be to that Judge's impeachment for irregularities on the bench.

Dissatisfaction—Funeral—Tweed Case—Legal Opinion.

Financial writers in the evening papers say that a general feeling of dissatisfaction prevails in regard to the action of the Pensuylvania Central Railroad, in declaring scrip dividends of five per cent., when a cash dividend of six per cent. was expected, and was fully warranted by the business of the company.

The funeral of General Richard Delafield, of the U. S. A., took place this p.m.; the pall-bearers were generals Newton, Barnum, Abbott and Webb. The remains were taken to Greenwood.

After the scene between Judge Davis and Bartlett in the Tweed case this a.m., the call of the panel was continued until it was exhausted, when the court adjourned till Monday next, three jurors having been obtained.

At the trial of the detectives, to-day, the counsel for the corporation gave it as his opinion that McDonald, being a convicted felon, his affidavits could not be taken into consideration.

Indicted for Murder—Detectives Sued—11,000 Men Discharged.

The grand jury of Suffolk county have indicted several persons for the murder of Chas. G. Kelsy. Rudolph Sommers is the only one arrested.

John Ruchty has sued the detectives for false arrest, on the information of Lucette Myers charging him with complicity in the Goodrich murder.

Eleven thousand men were discharged to-day from the lumber yards, city works, and cabinet shops.

Buried.

The funeral of Louis Gaylord Clark took place this afternoon, at Piedmont; the pallbearers were Parker Goodwin, Manton Marble, R. H. Stoddard, Oscar Brooks and Hugh N. Hastings.

More Distressed Poor.

BOSTON, 7.—The Manchester, N. H., print works have stopped printing until the 1st of December, throwing about five hundred people out of employment. The mills stopped this week, and it is understood, will only run four days per week hereafter. The Great Falls Manufacturing Company's mills will be run on three-fourth's time on and after next Monday. The Amesbury woollen mill commenced, yesterday, running on half time. The Salisbury mills are running three-quarter time. The Merrimac company will shut down tomorrow for the month of November.

Owing to a reduction of wages, a large number of laborers on the Maine Central bridge at Amesbury have quit work. The Maine Central has just discharged three hundred workmen.

Suspended.

PHILDAELPHIA, 7.—Schoepper Bros., manufacturers of dress goods, have suspended; it is reported that they have ample assets to pay their liabilities.

Fatal Duel.

At Brownerstown, Geo. Hopkins and M. Baily, both prominent citizens, had a pistol fight, resulting in the death of Hopkins, and the mortally wounding of Bailey.

Scrip Dividend.

The board of directors of the Pennsylvania Railroad Co., to-day, declared a scrip dividend of five per cent, redeemable the first of March, 1875, with the option on the part of the company to redeem it any time after six months. The scrip is receivable at par for unpaid installments on stock allotments, which can be turned into cash at once, as there will be a demand to meet the installments due from the 1st to the 28th of this month. President Thompson submitted a letter from Vice-President Scott, stating that if it was deemed desirable, in consequence of his connection with the Pacific Construction Company, his resignation as Vice President would be submitted; the board unanimously resolved that it was not advisable that there should be any change in Colonel Scott's relations to the company.

Closed.

PITTSBURG, 7.—The banking houses of Ira B. McVay & Co., closed this morning, owing to complications growing out of the suspension of their eastern correspondents.

The "Virginius" Affair.

WASHINGTON, 7.—The Department of State, up to noon to-day, had received no official information concerning the steamer *Virginius* further than the mere fact of her capture. The Navy Department has no official news on the subject, there being no government vessels in the neighborhood of the place of capture. Registers granted to vessels continue until they are sold or change their names. No intelligence relating to either of these points as to the *Virginius* has reached the department. The books of the Treasury Department show that the register originally granted to the *Virginius* remains unchanged. News received today of the execution of prominent persons captured on board the *Virginius* occasions much surprise in all circles, it not being supposed that the trial would be so summary. The subject was discussed at a cabinet council.

The *Post* will publish, this evening, a report of the Union Trust Company, from which it appears that the total assets are $6,827,369, and there is due to depositors $5,539,136.

Official dispatches received by the Department of State, show that the *Virginius* was captured six miles from the coast of Jamaica.

At the instance of minister Sickles instructions were sent from the government at Madrid, to wait orders from the home government before inflicting penalties on the passengers or crew of the *Virginius*. This order was probably received on the evening of the 5th or morning of the 6th, too late, as it appears from the dispatches received from Cuba, to-day, to be respected.

Promotion.

J. Meredith Read, the present consul general at Paris, has been promoted to be minister resident to Greece, vice J. M. Francis, resigned. A. T. A. Torbot, consul general at Havana, is promoted to the place vacated by Read, and Henry C. Hall to the consulship at Havana.

To Fort McPherson.

Lieut. Wilkinson, of Gen. Howard's staff, has been ordered to Fort McPherson, to conduct the Modocs to their new home in the Indian Territory.

Patrons of Husbandry

BINGHAMPTON, 7.—A State grange of the patrons of husbandry is being organized at Syracuse, by C. B. Bieman, of Iowa, general deputy at large; representatives are present from all parts of the State.

Railroad Lock.

KNOXVILLE, Tenn., 7.—The railroad lock continues. An attempt of the company to send out a freight train this morning failed, owing to the engineer being prevented by force from taking the engine out of the round house. The company have sued a hundred strikers in the Circuit Court for half a million dollars damages, and the sheriff served notices this evening. The company also sued another hundred strikers in chancery, and obtained an injunction, restraining them from obstructing business. An attempt will be made to-night to start freight trains at Bristol, and to Chattanooga tomorrow morning.

An Ex-Governor Indicted—Wages Reduced.

OMAHA, 7.—The grand jury of Lancaster Co. have indicted ex-Governor James, for appropriating to his own use, while governor, money belonging to the State.

Mrs. Yano, wife of the Japanese Charge d'Affairs, at Washington, passed through here to-day, on her way east.

The wages of the Union Pacific employees have been reduced ten per cent.

Factory Burned.

Chicago, 7.—The oakum factory of Davis & Co. was burned to-night; loss $15,000, no insurance. The cause of the fire was friction of the machinery.

Given to the Jury.

WEST CHESTER, Pa., 7. — The Uddersook murder case was given to the jury this afternoon.

Discharged.

CAIRO, Ills., 7.—Drummond and Morrison, the alleged abductors of the girl Watkins, were discharged for want of evidence; the story of the girl is believed to be a fabrication.

Outrage by Masked Men.

WILMINGTON, Del., 7. — Five masked men, by strategy, entered the residence of the cashier of the Bank of Delaware, and seized and handcuffed him, and with drawn pistols forced silence. One of the ladies in the dining room escaped and gave the alarm. Two police arrived in time to see the escaping robbers. Shots were exchanged, but without effect. One of the rascals stopped and knocked a pursuing officer senseless. All escaped.

"It is Sweet to Die."

RICHMOND, 7.—John Oley, aged 60, suicided to-day, because the Bible says "it is sweet to die."

Indian Raids and Murders.

ST. LOUIS, 7.—A special from Ft. Sill says the Indians burned Whaley's ranch, near Red River station, on Monday, murdered one man and drove away considerable stock. Two men belonging to the surveying party are reported killed thirty-five miles from Fort Richardson, on Saturday. The Mescalde Apaches, from New Mexico, are raiding in Texas, and committing murders. The Comanches, on their reservation near this post, have not and cannot deliver up the five men stipulated for at the Fort Sill council, and as a consequence their annuity goods and food will be withheld after this week, which it is expected will drive them to the war path.

$60,000 Fire.

Thornton's livery stables burned to-night; loss about $60,000.

Incendiary Caught.

ONEIDA, N. Y., 7.—A man was caught at Canastota, to-night, in the act of setting fire to a house. He is supposed to be the man who fired the village before. There is great excitement among the people, and it is feared that he cannot be protected from their indignation.

WESTERN.

Cochise Unruly—Bread Scarce in Arizona.

SAN FRANCISCO, 7. — Advices from Tucson, Arizona, to the first of November, state that Cochise refuses to stop raiding into New and Old Mexico, and will not submit to the government discipline of having his tribe counted; they continue to draw regular government rations, whether on or off the reservations.

Apprehensions are felt that there will be a great scarcity of breadstuffs in the Territory of Arizona before next harvest.

NOVA SCOTIA.

HALIFAX, 7.—The steamer *Abyssinian*, yesterday, fell in with the ship *Richard Robinson*, from New York to Europe, with a cargo of cotton, oil, cake &c., abandoned about 200 miles off Halifax. The *Abyssinian* towed her to the mouth of this harbor to-day, and put the third officer and five men aboard and then proceeded on her voyage. The officer and men came ashore at Camperdown and telegraphed to this city for assistance. A tug was sent down and towed the wreck up. The decks were strewn with chain shot, empty bottles, guns and *debris* generally, which showed that the vessel had been scuttled. There were several feet of water in the hold.

WEST INDIES.

Arrived—Burned.

HAVANA, 7.—General Portella arrived here to-day, and was received by a procession with banners and music.

The greater portion of the cargo of the steamer *Virginius* was thrown overboard or burned in the furnaces before the capture.
