Four interesting basketball games were played on Saturday, two in Salt Lake, one in Lehi and one in Provo The games here took place at the Y. M. C. A. The one between the association five and the Logan Aggies proved to be a sharp contest and the locals had to play for all they were worth to win.They finally landed the game with a score of 24 to 19. The game was rather rough at times and while it was devoid of sensational work it proved to be interesting to the large crowd of basketball fans who were present. The teams lined up as follows:

B. Y. U. BEATS L. D. S. U.

One of the most exciting games of basketball ever witnessed in Provo was that played Saturday evening between the B. Y. U. and the L. D. S. U. teams. The contest was witnessed by about 1,200 enthusiastic specators who cheered and rooted for their favorites from the start of the struggle until the finish. The final result was 20 to 19 in favor of the Provo team, a score close enough to suit the most ardent basketball fan. Fouls were called repeatedl on both sides and each team set a terrific pace during the entire game. The Salt Lake team played the cleaner game.

At a point where the teams were tied, and just as the whistle was blown, Gourley made a basket from a free throw. The referee refused to allow the score because Gourley was one foot over the line. There was an immediate and earnest protest on the part of the rooters and the tie was played off, and Provo won. The teams lined up as follows:

B. Y. U.		L. D. S. U.
Gourley	L.E.	Miller
Chamberlain	R.T.	Taylor

FITZ' CALLS NAMES.

New York, Jan. 25.—Bob Fitzsimmons says that "Lemon-Picking Tommy" is the Ace-in-the-Hole kid, and doesn't think that he will ever meet Sam Fitzpatrick's Lil Artha.

"I don't figure," said the ex-champion, "that Burns will ever take on Johnson, for he knows what would happen. He has a couple of 'punk' bouts in England and Ireland Why, when I was traveling around the country meeting all comers I was stopping better boxers than Palmer and Roche in two or three rounds."

What Would You Do

If three good physicians should pronounce your case hopeless. If they should decide that you could not live longer than six weeks. And if you should get well, after using only $12.00 worth of Dr. Miles' Heart Cure and Nervine, what would you advise a friend in like condition to do?

"I have to thank you for saving my wife's life two years ago. We had continued with the doctor until the third doctor, like the two previous ones, said that nothing could be done for her; that she had better be taken home from the hospital to quietly wait her time, which would not be over 6 weeks at the most. I brought her home, and then I thought probably Dr. Miles' Heart Cure and Nervine might help her, so I got a bottle of each and some Nerve and Liver Pills and commenced to give them to her. We soon seen an improvement, and encouraged by this we continued giving the medicine. We gave her eleven bottles in all of the medicine. She takes it occasionally now if she feels the need. I am in the ministry, and have been for 44 years."

MANY ATHLETES IN BIG CARNIVAL TONIGHT.

New York, Jan. 24.—Many athletes of national prominence are scheduled to participate in the Pastime Athletic club's carnival in Madison Square garden tonight. In the list of competitors are to be found the names of ten champions, several former champions, a world's record holder and three holders of American records. Names of entrants well known in the athletic world are those of J. B. Taylor and Guy Haskins of the University of Pennsylvania; Eli B. Parsons of Yale; Melvin Shepherd and Martin J. Sheridan of the Irish-American Athletic club; Charles J. Seltz and Harry Hillman of the New York Athletic club; America's champion high hurdler, Forest Smithson, formerly of Portland, Or.; Daniel J. Kelly, the speedy western sprinter, and H. C. Ramey and Frank J. Waller of the Chicago Athletic association.

An event expected to furnish one of the evening's closest contests is the 600-yard run, in which Hillman, Ramey, Taylor and L. B. Dorland of the Pastime Athletic club, will compete.

LAWSON WINS RACE.

Takes First in Six-Day Grind by Brilliant Burst of Speed.

Kansas City, Jany. 25.—Sprinting with all the energy he could command and exerting every muscle to defeat his opponent, who appeared equally as confident of victory, Iver Lawson, of the Yankee team, in a remarkable burst of speed tonight won the six-day bicycle race from Joe Fogler by so short a distance that it was almost impossible to pick the winner.

The world's record for forty-eight hours, held by Elkes and McFarland, made in 1900 in Madison Square garden, was broken.

With but a few minutes until the end of the race left, all the teams but the two leaders were withdrawn and Iver Lawson and Joe Fogler went in for a real riding duel. Around the track they went and at the end of the mile were absolutely so close together that it was almost impossible to decide which one had won. The referee finally decided in favor of Lawson.

The official finish was:
1—Lawson-Moran, 984 miles 8 laps.
2—Fogler-Root, 984 miles 8 laps.
3—Sherwood-Wiley, 984 miles, 8 laps.
4—Bardgett-Holbrook, 984 miles, 6 laps.
5—Hooper-Holbrook 984 miles, 6 laps.
6—Monroe-Morgan 977 miles, 8 laps.

AFTER CONIBEAR.

Seattle, Jan. 26.—Charles Comiskey of the Chicago Americans is trying to get Trainer H. B. Conibear of the University of Washington to return to the Windy City to train the White Sox this season Conibear has just received a fifth letter from Chicago asking him to come. Conibear is popular at the University of Washington and does not seem anxious to leave. He has not made up his mind whether to accept the Chicago offer, however. Conibear answered the first offer with an emphatic "No," but each succeeding letter finds him wavering just a little more. In case Conibear is chosen atheletic director of the University of Washington, he certainly will not go. Otherwise he may spend the summer with the White Sox.

PULLIAM IS ANGRY.

New York, Jan. 26—President Harry C. Pulliman of the National league yesterday made the positive statement that unless the National Association of Professional Leagues (the minor league body) rescinds the so-called "unjust, un-American and ultra-Russian" blacklist resolutions that organization passed last October he will resign his position as president of the National league and wash his hands of organized baseball forever

"I am in dead earnest in this matter," said Pulliman, "and if the decision is against me the National league will elect my uccessor at its February meeting. If I go down in defeat I will retire from the game that I have served faithfully for fourteen years without regret I will have that which I had when I entered the game, viz., my self respect. I will have in addition the gratitude of the ball player—the clean ball player—who knows what I risked to preserve his rights, and I will have also the respect and confidence of the great ball public, who believe that the politics of the game should be played as cleanly and as fairly in the legislative halls as the game itself on the diamond. So, therefore, if seemingly defeated, the victory will be mine."

BOXERS AT WORK.

Battling Nelson and "Boer" Unholz Preparing for Battle.

Los Angeles, Jan. 25.—The dampness played an important part in the training camp life of "Boer" Unholz and Battling Nelson yesterday. Neither man is a good mudder, and so they cut out their road work entirely. Unholz was satisfied to do a little warming up in the gymnasium and let it go at that. The Tennessee Kid arrived at the East Side camp last night, and will act as Rudolph's sparring partner. Ted Wolff and Joe Thomas are still at the Ward sanitarium The latter will assist Unholz. Wolff has been ill since Tuesday night with tonsilitis and had to submit to the surgeon's knife yesterday in order to get relief

It was too wet and cold out at Arcadia for Nelson to work on the open-air stage, but the Battler is so intent upon getting into first-class battle array that an indoor "gym" was fixed up for his convenience One of the large rooms at the Oakwood hotel, known as the dance hall, was fitted up on short notice and the Dane enjoyed a forty-five minute workout, finishing his labors with a four-round pummeling match with Kid Dalton.

"I'll be so fast on the night of the fight that Unholz will think there's half a dozen Nelsons in the ring with him," said Bat. "Im using Dalton for the heavy work and will let Freddie Kelly attend to the speed polish when he gets here. I havn't weighed since I came out here, I don't belive there's a pair of scales about the place. I guess I am in the neighborhood of 133 pounds."

MURDER AT McGILL, NEV.

Geo. Bozemeasa, a Greek Saloonkeeper. Killed by Unknown Parties.

Ely, Nev., Jan. 25.—Geo. Bozemeasa, a Greek saloon keeper at McGill was fatally shot last night in that town. He was alone in the saloon at the time and was killed by a rifle ball which entered his left cheek and ranged upward through the brain, so no statement could be secured from him as to his assailant before he died. Cheris Landpandredoo, a brother-in-law of the murdered man has been arrested on suspicion. It is thought that later developments will prove the existence of a vendetta, as much bitterness has existed between the Greek factions since Tuesday when arrests of Greeks were caused by one of their countrymen. All unemployed Greeks were deported from McGill the day following the shooting of Constable Davis by George Vaselt Joulas, and a guard is constantly on duty to see that they do not return. Yesterday a few of the deported Greeks attempted to enter McGill, but a fusilade of rifle shots, fired over their heads kept them at a distance. Constable Davis, who was shot on Monday night has little chance for recovery, and death is expected at any time.

TO FIGHT REVOLUTIONISTS.

Odessa Jan. 24.—Gen. Tomalycheff, who has been made Governor-General of who has been made governor-general of inaugurated his regime with a determination to fight the revolutionists of Odessa with energy. The police yesterday discovered a bomb in a public tea room. The place was cleared and closed, the bomb left where it was and the new governor-general notified. He gave orders that the bomb be exploded where it was found. This was done, with the result that the house where the tea room was located was totally destroyed. Gen. Tomalycheff announced that this method of fighting the revolutionists will be continued.

DETSCH NOT GUILTY.

Philadelphia, Jan 24.—The jury in the case of Andrew Jackson Oetsch, on trial charged with the murder of Harry Ferre this afternoon returned a verlict of not guilty. The jury was out but a short time. The defense claimed that Ferre was shot and killed in mistake for a burglar while standing outside the room occupied by Detsch and his wife. The commonwealth maintained that Detsch had learned of the alleged intimacy between his wife and Ferre and had planned the killing.

TRANSVAAL GOVERNMENT.

Has Decided to Reconsider its Attitude Towards Asiatics.

Johannesburg, Jan. 26.—The Transvaal government has decided to reconsider its attitude toward Asiatics, with a view to finding a less objectionable registration system. It is understood that a judicial investigation of the subject will be instituted, pending which all prosecutions for violation of the present law will be dropped.

U. S. MAIL ROBBED.

New Orleans, Jan. 26.—Daring thieves tonight held up and robbed a United States mail wagon loaded with incoming mail which had just arrived from Cincinnati and other northern points over the Queen & Crescent route. The thieves were reported to have secured about $5,000, but the postoffice authorities refused to make any statement about the amount of the robbery. The wagon, which was heavily screened and on which rode a driver and his helper, was attacked near some freight cars in the downtown section of the city. The driver and helper, neither of whom was hurt, were held by the police on suspicion. At least two out of 11 mail sacks were rifled.

EMPRESS' MOTHER DEAD.

Tokio, Jan. 26.—It was officially announced yesterday that Lady Showing Ichijo, mother of the empress, died Jan. 25, at the age of 80 years.

A LOND SEA VOYAGE.

St. John, N. B., Jan. 26.—After nearly 50 days on the ocean the 300 immigrants who left Antwerp on Dec. 7 for St. John by the Canadian Pacific steamer Mount Royal to make homes in western Canada and the United States, arrived here today on the Canadian Pacific steamer Montrose. The Mount Royal was buffeted about the Atlantic for a month, given up for lost and finally reached Queenstown. There the passengers were transferred to the steamer Montrose and on Jan. 11 left again for St. John. The Montrose should have reached here Wednesday last, but rough weather delayed her.

NIGHT RIDER OUTRAGE.

Hopkinsville, Ky., Jan. 26.—H. R. Rodgers of this county was visited last night by a party of about 75 night riders. Hhe was called from his house and severely whipped with buggy whips. Mr. Rodgers is a member of the "association," but is alleged to have sold his tobacco outside of the organizers. He was called from his house warning not to do so, the warning being coupled with a threat. Several shots were fired into his house and all telephone wires were cut.

Mother takes a Cascaret and baby gets the benefit. It is easy to supply, in this natural way, all the laxative a baby needs.

An exclusive milk diet tends to constipation with all of us. So does inactivity.

Without exercise, without coarse food and fruit and green vegetables, our bowels are never active.

Is it any wonder that a nursing baby, who cannot yet walk, needs the help of a laxative?

All babies do, as you know.

When baby grows older, his different foods will do what Cascarets do for the bowels.

When baby can walk and play and be active, exercise will take the place of a laxative.

But, until then, a gentle laxative is almost a constant necessity. All mothers know that.

It isn't necessary to give the laxative direct to the baby. It is better if the mother takes it.

Then the baby gets its laxative as part of its food. And the mother is helped at the same time.

But use nothing but Cascarets.

They are gentle and natural—purely vegetable. No irritation, no harshness, no griping.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure to get the genuine, with C C C on every tablet. The price is 50 cents, 25 cents and
