Six Hundred Delegates from Semi Arid Region Gather in Cheyenne.

WELCOMED BY GOV. BROOKS.

Congratulates Them on Remarkable Success and Growth of Scientific Agriculture.

rest. Roosevelt Extends Greetings and Congratulations, Emphasizing Importance of Work.

cheyenne, Wyo., Feb. 23 .- With more than 600 delegates present, and with hundreds more to arrive on belated and mentound trains, the third Transmissuri dry farming congress opened its sions at the Capital Avenue theater here this morning. The sessions will ontinue three days, and it is confidently expected that during that time work of the utmost importance and monefit to the semi-arid regions of the untry will be accomplished.

A blanket of snow more than a foot deep gree.ed the delegates arriving in obeyenne, as nature's assurance that dry farming" was partly a primomen " Wyoming. The streets of Casyenne irs elaborately decorated in honor of he visitors, and a program of enterainment for every evening of the three days' sessions has been arranged. Today's program includes an address by Gov. B. B. Brooks of Wyoming. president of the congress, and the read ng of papers by state delegates or arious phases and problems of dry arming. A number of state and naional agronomists are on the program for addresses during the congress.

GOV. BROOK'S ADDRESS.

Gov. Bryant B. Brooks of Wyoming cresident of the third Transmissouri iry farming congress, delivered the address of welcome in behalf of Wyming. He said:

oming. He sadd: "Ladies and Gentlemen: On this cus-picious opening of the third Trans-missouri dry farming congress, I have the double pleasure of not only wel-coming one and all to this Equality Sale and to this most American part of America, but also of congratulating yea upon the truly remarkable suc-cess and growth of scientific agricul-ture. Seemingly, nature and time have conspired to make this movement one of the most successful achieve-

have conspired to make this movement (as of the most successful achieve-ments in the whole record of the civil-ing congress of mankind. "Our deep appreciation of your presence here will find its truest ex-pression not in words but in the carry-age out of the excellent program pre-pared for your entertainment and in-truction. The good people of this city may worked with feverish energy, uparing neither time nor expense in heir efforts to make this convention a success.

"Two years ago, when the first dry arming congress assembled in Den-er, I invited the convention to come phere and see what Wyoming could for in the way of dry farming and good time. I told them it would be mutual advantage to get better ac-ainted and that we would welcome in in true Western atyle. Denver originated this dry farming gress, and the first official call was ued by that brilliant and stalwart of Colorado, Gov. Jesse F. Mcald, Denver has started many d things, including the Trans-Mis-ppi commercial congress.the Amcan mining congress, the National rean mining congress, the National restock Association, and the Na-nal irrigation congress, but of them , the Dry Farming congress is one the best and most important. We is the Transmissouri congress, d think of it mainly in connection for our own semi-artid states of Amour own semi-arid states of Am but so important and stupendous work, that in two brief years cories, experiments and teachings e spread to every nation and to by land. Its proceedings have been solved into many languages and lessons studied beside millions of

compared with the early settlement of New Engand. There the ploneer faced a rigorous climate and was men-aced by merciless navages. Thore the forests had to be cleared, the under-brush burnt, the stumps and stones hauled away. There the soil was mis-erly, and the pumpkins on the steep hillsides had to be braced to keep them from rolling away; but despite ad-verse conditions, that New England community, built solidly upon the four corner atones of justice, learning, lib-erty and law, grew and prospered and became so powerful that later on their ideas gave form to the national gov-ernment and wholesome life to many of the great institutions of the west. "Moreover, with the rapid liberoas in wealth and population, the chances are that real estate will never be any changer.""My friends. I trust that the spec-My friends, I trust that the pro-

"My friends, I trust that the pro-coedings of this congress may prove hermonious and successful, and that your visit to this state and city may prove so profitable and enjoyable that you will visit us frequently. "Wyoming, with its wealth of unde-veloped resources, is proud to have you with us, for we appreciate your glorious work." PRESIDENT'S GREETINGS.

My Dear Gov. Brooks: I wish to

"My Dear Gov. Brooks: I wish to extend to you greetlines and congratu-lations upon your third annual meet-ing. I an deeply interested in the progress of your work. Any organiza-tion having for its purpose the de-velopment of the agricultural resources of the great semi-arid section of the United States should have the hearty support of all good citizens. I am in full sympathy with the efforts and ap-preciate the hardships, privations and difficulties with which the ploneers among the mountains and on the great plans have had to contend. Rest as-sized that to far as lies within my powers, everything that each be done to all you will be done. The reclama-tion of our arid hands through irriga-tion, and the conservation of our for-wits and other natural resources, and the development of our semi-arid hand by such methods as you are now ad-vocating, all tend to insure the well-being and growth of this country. I trust that your meeting will be a great success and will result in ac-tion that will cominand the confidence and support of the home builder, the man for whom we are all working "Biocerely yours." "THEODORE ROOSEVELT."

PAN-HELLENIC UNION APPEALS FOR PROTECTION

Lincoln, Neb., Feb. 22.-The Pan-Hellenic union has appealed to Gov. Shallenberger for protection against the alleged lawless acts of South Omaha loters. The following telegram from Chicago was received at the executive offices today:

"The Pan-Helienic union, an organi-bation of the United States of America embracing parentage, calls to your no-tice the lawless and tragic attacks upon the Greek residents of Omaha, Neb., by a mob of American citizens. We trust that any Greek who may have offended against the law may be justly dealt with and punished by the duly constituted tribunals of justice. In the name of the thousands of the Pan-Meilenic union, in the name of fair play Mellenic union, in the name of fair pla and of simple right, we appeal to the American people and the citizens of Ne American people and the clizens of Ne-braska on this anniversary day of the birth of George Washington for assist-ance and protection of our brothers in Omaha and carnestly ask that you, if the necessity for it shall come, through the agencies at your command to pro-tect the lives and property of the Greek Americans who have sought their homes and their opportunities in Omaha, Neb. Omaha Neb.

(Signed) "D. MANOUSSEPOULOS, "President. "V. ENTZANAKIS. "General Secretary."

The senate this afternoon met at 2 clock and had on its table what is likely the final batch of new bills. There are over a dozen of them and most of them are of a technical nature

And at Own Request Viewed Body of Husband.

SO DECLARES CHIEF CORBITT

He Says Not a Question Was Put to

Newark, N. J., Feb. 23,-Chief of Poce Michael Corbitt denies the accur acy of the report published on Feb. 4 stating that Mrs. Mary J. Wilhelm has been subjected by the police to what is known as the "third degree." An investigation shows that the socalled "third degree" was not made use of. Chief Corbitt's statement of the occurrence is as follows: "Mrs. Wilhelm, on the day preceding the funeral of her husband, pleaded to be permitted to view the body. She agreed to hirs a coach to convey her to the undertaker's if her request was granted. The request was granted and it was arranged with her that the fourney be made at 9 o'clock that night so that she would not be subjected to the gaze of a morbid crowd or the fire of many cameras which she could not have escaped were the trip made in daylight. Furthermore, her relatives had been informed of the intended trip they' and they brought her mourning ga journey early in the night and was fully dressed and waiting to make tho trip when the coach arrived exactly at the hour that had been set. She had not retired and consequently was not aroused from her sleep and hustled out at midnight without being told whither she was going. "At the undertaker's the body of the slain man rested in a handsome casket; it had been made as present-able in appearance as it was possible for an expert mortician to make it. for an export evered the body; consequent-et was not suddenly jerked ly a sheet aside to reveal the corpse when the wo-man entered. After Mrs. Wilhelm had gazed on the gazed on the dead man's face for a few moments the glass slide covering was drawn down so that she might she desired, press a last kiss on the ss. Not a question was put to her she desired, This all took place in the large reundertaker for the holding and not in the mortue. After Mrs. Wilhelm had composed her self she returned to the coach, was driven back to police headquarters and was profuse in her thanks for having seen permitted to make the Journey.

noblest and the best thoughts, and

gaged in another similar conflict. There are among us men and women who seem to see near at hand the end of the contest between the liquor inter-ests and their opponents, and note the heur of human deliverance. I hope they are right, but, for my part, I do not share their opinion. Many battles have been fought, and victories won; but, the end is not yet. We are in a durable contest; it is well we should recognize that fact; and if victory is finally won it must be by fortailes. finally won, it must be by Christian citizenship of America. Ours is a Christian land; our institutions are Christian; so my appeal is made to Christian men and women who in the largest sense believe in the gentic gospel taught by the Christ. Before the final victory, some men will fall, some political parties will go down to defeat, will change the party affiliand men ions of a lifetime

NO JUST CAUSE DIES.

"The Christian church rests its foun-dations in prayer, courage and sacrifice remembering that no good and just cause ever dies. Truth crushed to earth will rise again. But we must also bear which is again. But we duly also bear in mind that the liquor Interests are a mighty foe. They are entrenched be-hind great money power and the most perfect organization in the country, but, in the end, the Christian church must win. I do not mean by the Christian church, any sect or creed, but Il men and women who believe in the 'hristian faith, whether they profess it or not. I say this because nothing, no power of evil or organized might, has ever been able to orush it. You may lose battles in Utab, we may lose bat-tles in Indiana, but we will not lose the war and that is a great matter. We lose fault Rue Chancellorswills

war and that is a great matter. We lost Buil Hue, Chancellorsville, Fredericksburg-but, we did not lose the war. A dauntless purpose arose from the necessibles of the hour, and Appointed for this iand. The days of shedding of blood for political cause are past abo with them the flaming sword, for the good of the church thereafter. The Christian church of todas, is more altruistic than it was. It is answering the calls of mercy more readily than ever effore: it is better and more powerful for good than ever before in its bistory. I believe it does more for men today, that ever before. But I sometimes think the church is losing its same of spiritual need. The Christian church of America lacks great conviction on this greation -this Carintian church of America lacks great conviction on this diestion this power of a great conviction stirring the hearts of Christian mon and wo-men that if once experimonal, could also America for telliperance in 12

LACKS CONSECRATION

"The church lacks consecration. It has more in mind the care of the only and less the care for the noul than was once the case; and with the cam-ag of this condition much of the mil-tant spirit of intelerance of wrong has core

here are some things without which are could neither be safety for porp-ty or life. What are these things? ne of them is the majesty of the law id another is the peace and repose of clety, and when property is used in finnce of the law, when property is ed to disturb the peace and order of repose of society, this property ust get out of the way or be destrox-, for these Unings are fundamental id upon them stand the government Washington and Lincoln.

WHO FAYS THE LICENSE.

WHO FAYS THE LICENSE. Continuing Governor Hanly said: "I am glad our friends, the enemy, ave begun to discuss the economic hass of this question. It discloses ourage, but peor judgment. For 10 ears they have been snying that local ption does not restrict, neither does rohibition probibit. If this is iron, chy all this concern about destrue-on of property? The speaker narrated is experience at Marshalltown. In, here he went to speak for temper-nice. He was handed a statement igned by nine local liquor dealers talming to own \$25.000 (n fix-pres and stock, upon which they ald taxes, and if this was eatroyed, the loss of these taxes-ould leave the town in bad shape. ould leave the town in had shape. If that Governor Hardy replied to tizens who handed him this paper. "Let not your heart be trou-"Let not your heart be trou-" He then had the county treas-send him a statement of the ac-return of property assessed by o mine inquor dealers, and the taxes actually paid on the same. "And at do you think it was?" he asked, be taxable property returned was is \$1.500, and the amount of taxes unly paid was \$9.16 for city, state county. Then the liquor men put decauty paid was solved in for any, shale decauty. Then the liquor map put another story shout their payment filess annual license, the loss of pair would prove highly detrimental the local municipal finances." Gov.

tanly replied by showing it was not be liquor men who really paid those conses, but the men, the boys of Mar-halitown, in return for which those ion and boys were given a fir-

SALOON THROWN OUT.

But nine months ago, these citizens ere throw out the saloon and the mu-ipality still lives, with honds still definithed, and the gracs not yet owing in its streets." The speaker errol to citles as large as 10,000 abitants that had prohibition ar the hast performance, for the schools stight performance, for the schools which all kinds of crimes are thad were not there. "But a dryin which all kinds of crimes are hatched score not there. "But a dry-town is a dead town, is it, with grawn nowm streets, idle labor and all that?" he adked. "How does the bott Lake saloonkneeper know that?" He never does husinesse in a prohibition town. Such are not competent witnesses. I can speak from actual experience. "Ten years age in Indiana there was no way through which the voter could express his disaproaction of the liquor inalis. End shortly measures were

tin soldiers valuable only for dress into the found the function of the functi

biend one, went at once to Senator Carl A. Badger. He called Senator Radger's aitention to the promise he had received from the committee's chaltman. The appeal was from one gentleman to another, to the ethics of fair play between gentlemen, and mem-bers of co-ordinate branches of 2 states legislature. The reply of Sens-tor Carl A. Badger was typical of this campaign. He showed that he was well aware of the house member's request, of the senate committee chaltman's promise, and of the presence to a split of this, of the bill involved, he-fore the senate, with a doubt sentence

to splite of this, of the bill involved, he-form the senate, with a doubt scateneo passed upon it. His works, ns Mr. Cunnen quotes them work: "YOU KNOW THIS IS WAR. AND IN WAR-FARE ALL IS FAIR." Senator Badger remained through the rest of the day a prominent actor in the efforts to do away with the Can-non hill.

DELEGATE HOSTS COMING.

Delegations in large number are com-ing to Sail Lake tomorrow. Reports use in from nearly every city of the state, and the size of the delegation appointed to attend, guarantees that the theater will be taxed to its capacity the theater will be taxed to its capacity the theater will be taxed to its capacity by regular delegates. These delegations have been confined to the regular rank and file of the Republican party, and each man coning is known for his at-titude on this moral question, not for his desire to make a political pays out of the wishes of the people. As an instance of the Keen interact in the mass tracting the two has a function

As an instance of the keen interest in the mass meeting, the people of Summit county alone have named 40 delegates. From Brigham City, 35 are noming. The entity lower floor and the first circle will be reserved for regularly appointed delegates. The second and third gal-leries with be thrown open for the gen-eral public. For the first circle and lower floor administon will be by takket only, and these tickets with he secured exclusively from B. F. Grang and Ne-phi L. Morels.

The mass meeting will commonce at 30 o'clock, and omong its tasks will be one to draw up a set of posidutions aproximg the views of the Republivotors in altendance.

NEW TABERNACLE.

L. D. S. Sirnciare at Riverton Opened. By President John R. Winder.

On Sunday last. President John 13 Winder, Elders Rudger Classion and Green F. Wikinsy, of the council of aposities, and Blabop Ornin F. Millot, attended a ward conformation at Rivers-ton, Sais Lake county. The occasion was the opening of the talenthack re-cently exected, and in addition to these named there were present the presi-dency of Jordan stak, the most of the necessiting and auxiliary officier of Rivpresiding and auxiliary officers of file presiding and auxiliary officers of file-ceton. Three machings were hold, in this furction and afternoon for the mutual Improvement associations, at all of which addresses were delivered by the visiting elders. The leases is one of the most up to

The house is one of the most up-to-late and boutiful obspells in the 'hurch. The basement is well pro-The induce to one of the most up-to-date such backing to baptic in the Church. The basement is well pro-vided with class rooms, a slage and a large a massement hall, while the main hall above will sort at least 500 persona
