INWARD AND OUTWARD.

INWARD AND OUTWARD. The inward effects of humors are worse than the outward. They weaken all the organs, inflame the mucous membrane, cause catarrhal troubles, and endanger the whole system. Hood's Sarseparilla eradicates all hu-mors and cures all their effects. It's the great alternative and tonic medicine whose merit has been every-where established. Accept no substitute. 5

MAYOR WITHHOLDS APPROVAL

Five of the liquor licenses passed upon by the city council Monday evening have not yet passed muster with Ing have not yet passed muster with Mayor Bransford, and have not receiv-ed his signature. In the opinion of the sexecutive, there is something in the bonds that is not suitsfactory, and he will make investigations before at-taching his signature. The licenses af-fected are those of John Lollin, A. B. Margetts, the Sullivan Drug company, N. M. Rosenblum and the Chespeake bar

Other, council proceedings that did not receive the mayor's approval yesterday were paving extension No. 46, suewalk extension No. 141 and curb and gutter extension No. 8. Mr. Brans-ford would know the city's portion of the expense of these improvements be-fore signing. The same question must be answered concerning the proposed laying of sidewalks on Capitol hill, as petitioned by E. B. Atkins and others, before the measure will be endorsed by the mayor.
