FRAGMENTS.

CONFERENCE TO-MORROW.

BISHOP HUGHES came down from Mendon yesterday.

TAKES become delinquent on the 31st of the present month.

COMMISSIONER A. L. THOMAS has returned from the east.

COAL MINERS are wanted at Almy and Rock Springs, Wyoming.

FRED. ELLIS, Esq., of North Ogden, called upon us to-day.

THE Home Dramatic Club appears in "Storm Beaten" at the Theatre this evening.

We had a pleasant call to-day from Bishop Robert Williams, of Gentile Valley.

MR. GALLAGHER, of the Arcade Restaurant, is now prepared to feed the multitude. See his ad.

THE circus on Washington Square every afternoon and evening, the admission being 25 and 15 cents.

SUNDAY school singers and workers should not forget the singing practice in the Tabernacle this evening.

THANKS, at the Historian's office, several letters addressed to Miss Ann Wilson. Call and get them.

STEPHENS' first concert will be given to-morrow evening, in his music hall over Coitler & Snodgrass's.

JAMES HUTCHINSON, of Millard County, was admitted to citizenship this afternoon.

A. H. MARTIN, who shot John H. Burton, was down from the penitentiary to-day, to confer with his attorneys.

THE trial of A. H. Martin, for killing John H. Burton, has been set for Tuesday, Nov. 1, in the Third District Court.

"NAUVOO Legion, attention: General orders number one," appears in another column of to-day's News, and will be read with eager interest.

THE trial of John Penman, on the charge of unlawful cohabitation, is to come up to-morrow, in the Third District Court.

THIS forenoon a pocket book was picked up and left at this office. The owner may obtain it by calling for and describing it.

THERE are three cases of diphtheria in the city, all in the neighborhood of the corner of First West and North Temple streets.

D. C. ROBBINS, of Castle Dale, Emery County, is in the city. He reports everything as flourishing in that section, and the people as feeling well.

TO-MORROW evening, commencing at 7 o'clock, the general meeting of the Young Men's and Young Ladies' Mutual Improvement Associations will be held.

THE store house of P. W. Madsen & Co. makes specialties of the Early Breakfast cook stoves and ranges, and the faultless heaters, also of stove trimmings. See ad.

ELSEWHERE in our columns appears the advertisement of Simons Bros., the only exclusively wholesale milliners in Utah. They carry a large and well selected stock at 31 and 33 First South Street.

THE Linday Company open in the Opera House Thursday evening in "Monte Cristo." The prices have been placed on a very popular scale—75, 50 and 25 cents, with no extra charge for reserved seats.

THE Nationals are now in their former fighting trim, busy having retrained, and will play the Heber City baseball artists a series of three games on Washington Square Thursday, Friday and Saturday afternoons.

MESSRS. E. L. AND E. T. PARRY, of Mant, came up from Sanpete last evening. They intend pushing their quarry business into this market, being the exclusive owners of the quarries of oolite, or freestone, in that neighborhood.

A DRUNKEN Indian got into the Third District Court room this morning, and occupied one of the benches as a couch. He fell asleep, and started all present by the loud snoring he set up. Two bailiffs ushered him into the street in short order.

THE trial of Wm. J. Foster, on the charge of embezzlement, was in progress in the Third District Court this afternoon. The defendant was formerly in the employ of the Singer Sewing Machine agency, and it is alleged that he sold a machine at a low price, and used the money to get out of the country.

A COORDIAL invitation is extended to conference visitors to call at the University, inspect the building, grounds, etc., and witness the exercises of the classes. Doubtless many persons from various portions of the Territory would derive great pleasure in calling at this, the leading educational institution of Utah.

RICK BROTHERS show drew an audience last night which nearly filled the tent. Some of the theatrical gymnastic feats were very fine, and the feature was a wonderful and funny feature, and the eating of various articles in a process of combustion by Madame Barton, was a sensational performance. It is worth twenty-five cents to see this show.

QUITE a number of people have been looking for the arrival of a lot of wooden markers and tile hearts and facings, expected by Elias Morris. It will be learned by advertisement in another column that they have reached here and can be examined by all who desire to inspect them. They surpass in beauty and general excellence anything in the line ever seen in Utah.

MR. W. T. HOLLAND, who has been recently employed under Marshal Dyer, at the penitentiary, has left the Marshall's office, and intends going into business at Ogden. He has purchased the Brunswick restaurant, on Main Street, in that city, and will conduct it in future. He has made many friends in this city, and his business energy will doubtless bring success to him in the Junction City.

SENT TO PRISON.

THIS afternoon Thomas Labrum, of Union, Salt Lake County, came into the Third District Court to receive sentence for living with two wives. The District Attorney stated that Mr. Labrum had given no trouble to the prosecution, and recommended him for the Court's mercy. In reply to the Court, Mr. Labrum stated that his plural wife was an invalid, and that he was a poor man. He said he did not wish to bind his wife to a freight train, making the promise, asked by the Court. He was sentenced to imprisonment for three months, and to pay a fine of \$25 and costs.

REFORE JUSTICE PIERCE.

George Geatz on the High Road to the Penitentiary.

George Geatz is in a fair way to serve a long term in the penitentiary. He has been confined in several lunatic cases, but, the latest one, which occurred on Monday evening, is the most serious. He is now in the penitentiary, where he is being held on a charge of assault on a woman.

On Monday evening, Mr. Ira A. Reed, of North Point, Salt Lake County, left his team and spring wagon, valued at \$500, standing opposite the Theatre. Geatz came along shortly after, and was driving a team of horses. He saw the wagon and drove off east, along First South Street. He had gone a couple of blocks when he saw some boys, and the men struck him that he might get them to come along, and in case he was caught he could swear the theft on to one of them. He invited the boys to take a ride, and four of them accepted. One of the number knew Geatz, and asked him where he got his hired. He replied that he had hired it, and said he had bargained to purchase it, and had paid \$25 on it. Finally he told one of the boys confidentially that he meant to get away with the team, and invited him to go along. The boy, whose name is Edgington, thought to himself that he would have a trial at landing the thief in jail. So he assented to the proposition, and followed Geatz to the wagon, and waited for him while he went in to get some of his things. Geatz did not seem to suspect anything till the officers were upon him, when he realized that Edgington, instead of going into the house, had been to the City Hall, and had sworn the theft on to him.

Edgington, who is a native of the city, was admitted to citizenship this afternoon.

A. H. MARTIN, who shot John H. Burton, was down from the penitentiary to-day, to confer with his attorneys.

THE trial of A. H. Martin, for killing John H. Burton, has been set for Tuesday, Nov. 1, in the Third District Court.

REORGANIZED.

At a largely attended meeting last night (Tuesday), evening, Oct. 4, in the Nineteenth Ward schoolhouse, held for the purpose of reorganizing the Young Men's and Young Ladies' Mutual Improvement Associations of the Nineteenth Ward, the following well known ladies and gentlemen were unanimously elected for the ensuing year:

Andrew Kimball, president; Wm. J. Dean, Ed. J. Wood, confederates; Miss Katie Dean, secretary and treasurer; John E. Pike, assistant secretary and treasurer; Joseph H. Haslam, choir leader; Miss Annie Fowler, assistant organist; John J. Haslam, librarian; Julius Billiter, assistant librarian. Program committee: Wm. O. Lee, chairman; J. L. Neuber, J. P. Haslam, Miss Clara A. Gentry, Miss E. Bowman.

A hearty vote of thanks was tendered to the retiring officers. Meetings will be held every Tuesday evening during the coming season.

E. J. WOOD, Secretary pro tem.

FIRST DISTRICT COURT.

On the 3rd inst., the following business was transacted in Judge Henderson's court at Provo:

Judge Henderson returns to Provo, and Judge Boreman goes to Ogden where there is only a civil calendar and lighter work awaits him.

Hans Rommel was admitted to citizenship; was also Peter Moran, under a close call. When asked who was the highest officer in Great Britain as compared with the President of the United States, he said it was Gladstone. The judge thought him sufficiently Americanized.

Mads C. Gothrop was refused for lack of sufficient understanding, and not knowing whether polygamy was right or not.

Niels Jyrth applied for second papers, but under a close examination, was denied. He said he was a member of the "Mormon" Church, held no position, was 70 years old, and did not believe polygamy right, because it was not against the law.

Q—You know what the doctrine of your Church is in reference to obedience; suppose your daughter was advised to go into polygamy, what would be your advice?

A—My youngest daughter is 30 years old and has a mind of her own; I would not advise her at all.

Q—Could you assist in enforcing the law if called upon, in reference to polygamy, etc.?

The applicant said he could not; it would be against his conscience to enforce such laws against his neighbors. Could not swear to renounce polygamy, and was refused citizenship. Peter Anderson was admitted, and the following were arraigned:

The People vs. Gabriel Huntman for battery; N. J. Fairbanks for assault, with intent to commit rape; Robt. Edward King, of American Fork, for unlawful cohabitation. All took the statutory time to plead.

A GREAT INSTITUTION.

Z. C. N. L.'s New Board of Officers and Financial Report.

At 2 o'clock this afternoon the meeting of stockholders of Zion's Co-operative Mercantile Institution was held in this city.

The election for officers resulted in the choice of the following:

President, Wilford Woodruff. Vice-President, H. S. Eldredge. Secretary and Treasurer, T. G. Webster.

Directors—George Q. Cannon, J. F. Smith, Moses Thatcher, H. J. Grant, John Sharp, George Romney and J. R. Winder.

A semi-annual dividend of five per cent. was declared.

The following is the statement for the fiscal half year ending July 31, 1937:

RESOURCES.

Merchandise on hand, \$1,019,649.04. Notes receivable, 156,459.04. Accounts receivable, 298,453.28. Cash on hand, 20,598.11. Real estate in Salt Lake City, 20,598.11. Cash on hand, 20,598.11. Cash on hand, 20,598.11.

LIABILITIES.

Bills payable, 394,730.02. Accounts payable, 21,753.81. Capital stock, 1,000,000.00. Temporary deposits, 147,571.01. Outstanding checks, 335.80. Capital stock, 1,000,000.00. Reserves, 25,000.00. Dividend paid, 5,000.00.

The total cash receipts for the half year were \$1,446,045.38.

Women in Prison.

Mrs. Hodson and her daughter—the latter alleged to be the plural wife of John Penman—were sent to the penitentiary last night in default of bail. They were under bonds as witnesses in the case pending against Mr. Penman, and their former bondsmen being desirous of release, new ones could not be found.

Waived Examination.

Yesterday Edward Montrose was arraigned before Justice Dee on a charge of obtaining money under false pretenses. Montrose is the man who presented a bogus check at Mr. Sidney Stevens' place at North Ogden a few days ago, and who was arrested at Elko by Sheriff Belnap. He waived examination and was held to appear before the grand jury with bonds in the sum of \$800. In default of bail, Montrose was committed to the custody of the sheriff.—Ogden Herald, Oct. 5.

Found Dead.

Last evening a morning Herald reporter learned that William Bright, of West Weber, was found dead yesterday morning in a shed near the house. A bottle which had contained strychnine was lying near by and it is supposed that Bright committed suicide. The coroner's jury met yesterday afternoon but the result of their investigations could not be learned last night. It is not known that Bright has had any trouble. He left home on Monday morning, and was supposed to go to Evanston, and his friends supposed he was gone there.

Bright was about 28 years of age and was not married. The funeral will be held to-day.—Ogden Herald, Oct. 5.

Excellent Fabrics.

Under the head of "All Home-Made," John C. Cutler & Bro., agents for the Provo Woolen Factory, present a new advertisement, enumerating the various classes of goods they have on sale. It is scarcely necessary here to say a good word for these fabrics. They are so excellent that they "speak for themselves." Their reputation is already established, and the people know where to go when they want goods that look well. The suits made to order by the firm are a specialty.

Escaped Criminals.

A dispatch from Cheyenne says four criminals escaped from the Laramie County jail at 8 o'clock last evening, by cutting a hole in the top of an iron cage and crawling through the ventilation of the roof. They are David Boggs alias Wm. McCoy, under sentence to be hanged; James Jones, a professional burglar, and two horse thieves, Charles H. Leroy and Wm. C. Stearns. One thousand dollars reward is offered for McCoy, dead or alive, and \$200 for each of the horse thieves. Great excitement prevails there and there will be a hanging bee on short notice if McCoy is captured.

Last Night's Performance.

Scandal closed his brief engagement at the Theatre last evening to a house about equal to that of the first night, and all things considered, is certainly doing remarkably well.

"Irish Minister" is a piece showing deserving of the reputation cast upon it by a large proportion of the audience of being "thin," but the company is good enough and the star pleasing enough to pull it through and make it appear a very enjoyable production.

The company left for the east this morning and expect to perform in Rawlins this evening. They are well satisfied with their Salt Lake visit.

Before Judge Zane.

Proceedings in the Third District Court to-day:

C. Jensen vs. Alfred Case; two cases; set for trial on Monday, Oct. 10.

Mads C. Glettrup and James Hutchinson were admitted to citizenship.

United States vs. B. H. Schettler; unlawful cohabitation; continued on application of the prosecution.

The People vs. Wm. J. Foster; embezzlement; on trial before Judge.

United States vs. Thomas Labrum; unlawful cohabitation; sentenced to three months' imprisonment and a fine of \$25 and costs.

The People vs. Alfred H. Martin; murder in the first degree; set for trial Nov. 1, 1937.

Continued for the Term.

To-day, in the Third District Court, the case of the United States vs. B. H. Schettler, indicted for unlawful cohabitation, was called for trial. Mrs. Mary Schettler, the defendant's wife, was too ill to be in attendance and was excused. District Attorney Peters applied for a continuance of the case for the term, and said that the marshals had been unable to find and Elizabeth Parry, the alleged plural wife. Mr. Moyle opposed the continuance, and insisted that as the grand jury had witnesses enough to indict, and those witnesses were all present, the government should proceed with the trial, that the defendant might not be put to further inconvenience. The Court granted Mr. Peters' request.

A C. P. Wreck.

A wreck occurred on the Central Pacific Promontory bill on Sunday morning. Two cars of a freight train were derailed and the brakeman Graves, was seriously injured. The conductor was injured slightly. The brakeman was removed to the hospital at Sacramento to receive treatment. The passenger train was delayed several hours by the accident.—Ogden Herald.

Actinic Rays From the Moon.

Photography is a subject more or less familiar to most readers of the News and it is pretty generally known that the art is making rapid development in the direction of more perfect and instantaneous methods. It is well known that, by means of oxy-acetylene, electric and magnesium lights, it is possible to secure fair photographic pictures after sunset, but generally, sunlight has been deemed an indispensable prerequisite for securing a perfect picture. In view of these facts it was a source of astonishment to see two well developed pictures recently taken by moonlight. One is a photograph of a residence clearly outlined, even showing the shadows of the adjacent trees; the other is a view of Salt Lake City taken from the uplands of the 20th Ward, and though not quite so clear in detail is a fair picture of the city as viewed from that point. The impression has prevailed until recently that the actinic rays of the moon were too feeble to produce such pictures, but these are convincing proofs to the contrary. The work was done by Mr. H. Sainsbury, of Artistic Photo Engraving, 60 and 61 Main Street, where they can get the best and cheapest.

A Sad Case.

Horace H., oldest son of Edwin and Naomi Dowden, was taken with diphtheria on Saturday evening and died this morning. The funeral will take place this afternoon at 2 o'clock, with no services. Following so closely upon the death of another child and the haste necessarily enjoined upon the mourners in this instance, with the absence of the customary tokens of affection, this is truly a sad bereavement.

Arraigned.

Olaus Johnson, of Little Cottonwood, was arraigned in the Third District Court this afternoon, on an indictment charging him with unlawful cohabitation. He pleaded not guilty.
