Mr. W. H. Hibbard, of the Deadwood Telegraph Line, has gone east on business. His family remains here.

To fully appreciate the utility of the telephone, a person must have a little business with Fort Douglas, this ardent weather.

The rate per cent. of city taxes, and the appropriation of their disbursement, were fixed last night. No change from last year.

The substitution of numbers for names, in the Telephone Exchange, is suggested, as affording better facilities for conversational privacy.

LOCAL AND OTHER MATTERS.

Flood at Pinto. — On the 24th inst., clouds from the north-west and south-east met over and around Pinto, Iron County, followed by a heavy flood, which swept down from the south-east, and moved stacks, bins, fences, parts of barns, etc. Some were swept away entirely, gardens were covered with the moving earth, crops were beaten down by the hail, and a horse of Bishop Knell's that was tied up was drowned. Brother C. Westover's house was washed down, but all the family were saved. No human lives lost.

Pioneer Day in Tooele. — Tooele City celebrated Pioneer Day on the 25th in fine style, with a splendid procession, a patriotic meeting, a rousing Sunday School Jubilee and an evening dancing party. Lysander Gee, Esq., and his assistants arranged the affair, John Gillespie was marshal of the day, John Rowberry the orator, John Marsden leader of the band and Father Daniel Williams chaplain. Among the speakers who addressed the assembly were Apostle F. M. Lyman and Elder L. J. Nuttall. James D. Stirling is our informant of the interesting event.

Unexpected Death. — With great regret we record the death of Mrs. Luella B. Curtis, of Logan, the report of which will be found in another column. She was a lovely woman and devoted to her husband, who, being sick in this city, she came to wait upon, and he recovered. Five days previous to her unexpected demise, she appeared unwell, but would not consent to have medical advice. But growing worse, a physician was procured, and her mother, Mrs. Elizabeth Benson, was sent for, who arrived only a few hours before her departure. She was but a little over 20 years of age, and her death, which took place at the residence of Mr. Thomas C. Armstrong, in the Fifteenth Ward, will be widely regretted by a large circle of friends both in this city and in Cache Valley. The funeral took place July 26th, in Logan, to which place the remains were forwarded.

Tripped Up. — This afternoon, about 5 o'clock, a small boy was severely hurt while standing on the east sidewalk of Main Street, immediately in front of Thomas Carter's gun store. A large bull terrier dog belonging to Mr. Carter was inside the store, when another canine made its appearance on the street. Out shot the terrier like a bullet from a gun, and running under the boy's legs tripped him up. He fell upon the plank pavement, and struck his right temple with such force as to deprive him of consciousness. He was picked up, and taken inside the store while a doctor was sent for, on arriving, found that no dangerous injury had been inflicted. The boy soon after he was carried inside, and a few minutes recovered, but was lying down asleep when our reporter visited the scene. A severe concussion on the right temple is the extent of his hurt. He is about 10 years old, poorly dressed, and name unknown.

CITY COUNCIL.

Proceedings at the City Council on Tuesday evening, July 26th, 1881, Mayor Little presiding: The committee on claims, to whom was referred the petition of Wm. Hyde, late jailor of Salt Lake City, asking that he be allowed the sum of \$1,044.99 for prisoner's meals furnished at a reduced rate for nearly two years, which petition was referred with instructions to ascertain the price allowed to the petitioner per meal, from the time he assumed the duties of jailor until his resignation, and report their findings to the Council, submitted their report, showing the various changes in the rates allowed the petitioner for the prison board from the year 1859 until the present incumbent of the office assumed his duties. The report was received and a motion made to appropriate for the relief of Wm. Hyde the sum of \$500, which motion, after a very lengthy but spirited discussion, upon being put to vote, was lost. Ayes six, noes seven.

Alderman Raleigh presented the draft of a bill for an ordinance on the subject of liquor, which, upon being read, was referred to the committee on municipal laws.

The subject of determining the rate per cent. for city taxes to be levied upon the assessed valuation of city property for the year 1881 came up for consideration and was fixed at the same rate as last year, viz, five mills on the dollar—to be apportioned as follows: two mills on the dollar to defray the contingent expenses of the city, two mills on the dollar to open, improve and keep in repair the streets of the city, and one mill on the dollar to control the waters of the city.

The Council adjourned for one week.

Putting on the Roof.—We learn from the Logan Leader that the work on the Temple in that city has reached a very important stage, viz, the laying of tin on the roof.

This was begun on Tuesday the 19th inst., and is being rushed with all speed. All the men who can work to advantage on the roof are placed there, the aim being to get the tin securely fastened down as soon as possible.

The sheeting consists of white pine flooring, is being painted in the joints as it is put down, and is securely nailed to the rafters. The sheeting receives a coat of paint before the tin is laid on, and the tin is painted on both sides. David James of this city is superintending the putting on of the tin, and the men who are doing it are crowding the carpenters so closely that the latter were working fifteen hours per day last week, to get the roof ready for the tinners.

This rush of the carpenters crowds the masons so that they too have to do a day and a half's work in a day, and a busy scene is presented to the visitor who ascends to the roof.

The parapet wall on the south side of the building is finished, and that on the north is well under way; the mason work on both sides is now above the roof, so that the masons will soon be employed on the towers. There is a great amount of mason work yet to be done, however, and the present rush is rather severely testing the finances of the Temple, so that a great necessity exists for continued liberality and generous donations on the part of the Saints of that Temple district. We are pleased to note the rapid progress of the work, which reflects great credit upon our friends of the north, and we shall be still better pleased as long to announce the Temple's completion.

Missionary Movements.—Elder Jacobson writes from St. Francis, Amoka County, Minnesota, on the 11th inst.

Since February, himself and Elder M. Anderson have been laboring principally in the northern part of that State.

The severity of the winter prevented an extension of their labors at first, but since spring opened they have been very busy.

A goodly number of meetings have been held, and they have baptized 10 persons since February. Other converts are anticipated.

Elders D. Jensen, Jens Frantzen and James Godfrey have reorganized a branch at Linden, Brown County, with an addition of seven souls.

Elder Wm. Barker, who has been laboring in Wisconsin, has removed to Monticello, pursuant to instructions from Pres. Wm. Palmer. There are now six Elders in Minnesota.

A two-days' Conference of the Saints of Minnesota and Wisconsin, has been appointed by Brother Palmer, to be held at St. Francis, Amoka County, Minnesota, September 24, 1881.

From a letter written by Elder R. L. Bowen from Falkville, Morgan County, Alabama, on the 14th inst., we glean the following:

Himself and Elder William Holmes have travelled together through Morgan, Calhoun, Lawrence and Colleton Counties, upwards of 1000 miles, held 30 meetings since January, made many friends, removed much prejudice, baptized 3 adults and converted quite a number of others, who are afraid however, to yield obedience to the Gospel they believe. President John Morgan visited them on the 24th inst. and remained till the 30th inst., holding meetings, which were well attended and very enjoyable. A good prospect is presented for the future.

The Ogden Celebration.—The Ogden Herald of Tuesday contains full particulars of the joint celebration of the 4th and 24th of July, which occurred in that city on Monday the 25th. The main feature of the day was a magnificent procession which formed on Union Square at 10:30 a.m., and moved through the principal streets to Lester Park, where the remainder of the proceedings took place.

Mayor Herrick presided, and Hon. P. D. Richards, D. H. Peery and other distinguished citizens were present. Mr. E. Stratford offered the opening prayer, after which the Declaration of Independence was read by Col. D. W. Fletcher.

The oration of the day was delivered by Joseph Stanford, Esq. Mr. Thomas Cunningham sang the "Dance Song." Judge R. K. Williams made a motion, with commendable original poem composed by himself for the occasion. Addresses were then made by Judge M. M. Brewster and Jas. Taylor, Esq. The Ogden band interpreted the proceedings with appropriate music. In the afternoon sports and games took place, and the whole affair wound up with a dance in the evening. It was a big success.

Sunday School Jubilee.—Another David Canadian made a written account of the Jubilee of the Sunday Schools of the Southern half of Sanpete Stake, held on the 14th inst., in Mant. The city was gallantly decked with the Stars and Stripes, and two bands, directed by the Brothers Westmacott, entertained the town with brass and martial music. About 3000 persons assembled in the bowery about 11 a.m., where a pleasing programme was very creditably rendered, occupying two sessions, the forenoon and afternoon. Supt. John B. Mathen conducted the affair. It was a grand success, but we are compelled to condense it at the present time. Our thanks are due, however, to our correspondent, for his graphic description of the event.
