LOCAL AND OTHER MATTERS.

Priesthood Meeting.—The regular Priesthood meeting of the Salt Lake Stake of Zion will convene at 11 a. m, to-morrow at the Salt Lake Assembly Hall.

Time Table.—The new time table of the Utah Central Railroad, which went into effect yesterday morning, will be found in to-day's NEWS. Those who wish to be informed regarding the running of trains should peruse it.

New Advertisement.—Z. M. I. is out in a large, new advertisement. They have everything wanted in the line of general merchandise, of the best classes, and no house sells cheaper.

Reported Improving.—We learn from Mrs. Rich, of this city, that she received a dispatch last evening from her husband, Apostle C. C. Rich, which stated that he was feeling considerably improved in health.

Free Lecture.—Prof. and Mrs. Dr. Wells will deliver a lecture on "Their Travels Around the World, by Land and Sea, and Through the Air." It will be given in the 14th Ward Assembly Room, at 8 o'clock to-morrow night. A cordial invitation is extended to the public.

Honoring the Memory of President Young.—Yesterday was a big day for the people of Pleasant Grove. There was a grand procession crowning the queen, pic-nic, songs, recitations, music, dancing, etc., in honor of the birth-day of our late respected President Brigham Young. Business was suspended throughout the town and both old and young cut themselves loose from work for the day. The proceedings passed off without any accident, and a general good time was enjoyed by all.

Burglary.—The Ogden *Herald* says that on Wednesday night, the saloon of Ed. Keyes, on Fifth St., near Franklin, was entered feloniously. The burglar effected his entrance by bursting in a panel of the back door. Once inside, he commenced his predatory operations, getting away with two boxes of cigars, one box of cigarettes, and $1.85 in small coin. As soon as the proprietor of the place noticed that a burglary had been committed, he notified the police authorities and a search was instituted, resulting in the arrest of the young fellow who, some time ago, stole a valise at the depot and was given the hospitality of the city for a term of 40 days. He now languishes in limbo, awaiting a trial.

University of Deseret.—The commencement exercises of this excellent institution were conducted yesterday, beginning at 2 p.m., being the close of the last academic year. The object of the meeting was the distribution of certificates to successful students in the several classes. The following obtained them:

Physical Science—Henry L. Steed, Enos L. Stookey, David R. Allen.

Political Science—Alvira E. Snow, Lizzie Smith, Jas. H. Moyle, Sarge F. Balliff, David R. Allen, Henry L. Steed.

Natural History—Henry L. Steed, Alvira E. Snow, David R. Allen.

Geography and History—Alvira E. Snow, Moslah Hall, Lizzie Smith, Rose Taylor.

Chemistry—David L. Dean, J. W. Snell, Henry L. Steed, E. L. Stookey.

English Language and Literature—Wm. Tidwell, Kate Snedaker, M. A. Sansom, Constance H. Bergen, Robert Salmon, David R. Allen, Enos L. Stookey, Lizzie Smith, Clark Hubbard, Nils Jensen.

Mathematics—David L. Dean, Jas. H. Moyle, Wiley G. Cragun, Moslah Hall.

The distribution followed, each person coming forward and receiving the certificate as the name was called out.

The valedictory address was delivered by Wiley G. Cragun.

Addresses were also delivered by the following gentlemen: Prof. T. B. Lewis, Supt. of District Schools of Salt Lake County; Ex-Ter. Supt. Prof. O. H. Riggs; R. T. Burton, Esq., member of the Board of Regents.

A poem, composed for the occasion by E. L. Stookey, was read.

The president, Dr. Park, made some very appropriate remarks in behalf of the students.

A FORTUNATE CAPTURE.

HOW THE POLICE CAUGHT A BURGLAR AND GOT THE TOOLS OF THE GANG.

At the time Tremaine, the notorious burglar, was captured at Ogden, a man believed to be his accomplice in the Kaysville and other robberies was with him. This party, whose name is Johnson, *alias* Loveland, escaped at the time, taking with him a satchel, believed to contain a full complement of burglarious implements.

Johnson was arrested but the connection between him and the burglaries could not be proved. He was, however, sentenced to imprisonment for the theft of a coat. The satchel he carried away with him at Ogden never was, till quite lately, discovered, although the police have been on the lookout for it.

It appears the satchel and contents were carried to Kelton, on the Central Pacific Railroad, as it arrived here yesterday by express, addressed to this same Loveland or Johnson. The police became acquainted with this fact, and acted accordingly. Their watch was ceaseless, being all the more vigilant on account of their being aware of the presence in this city of a notorious gang of burglars. Their watchfulness was rewarded this morning, when Johnson, *alias* Loveland called at the Pacific Express Office and got the satchel. He was in the act of walking away with it when Officers Andrew Smith and W. Salmon, who were close by, started after him. Johnson immediately dropped the satchel and ran up Main Street, the officers in hot pursuit. The latter drew their revolvers and shouted for him to stop or they would shoot. While still running Johnson turned his head to look behind him, when he stumbled and fell. Quick as thought the officers were upon him, and he was soon secured and taken to the city jail, where he now is.

The satchel, which the officers had left behind while engaged in the pursuit of the fugitive, was also taken possession of by them and is now in the custody of the police authorities. It contains a complete assortment of burglar tools, apparently of the most improved and ingeniously constructed patterns.

This lucky capture by the police, who are entitled to credit, is exceedingly fortunate at this particular time, as it will doubtless frustrate the matured plans of the burglarious gang now in this city. The presence of the bad men who comprise it, combined with the forwarding of the "kit" to this city, shows clearly that robbery was in the air, and that these circumstances meant business. Therefore there is no knowing what amount of crime has been prevented in Utah by this "stitch in time" by the police.

A Brutal Attack.—We have received information concerning a brutal outrage which occurred at Draper, in this county, about eight o'clock yesterday morning. It appears that for some time past a misunderstanding has existed between Bishop Isaac M. Stuart and Henry Pearson, regarding some land matter. About the merits of this dispute we have no knowledge, and merely mention it as the cause which led directly to the disgraceful occurrence of yesterday.

At the time mentioned young Isaac Stuart, son of the Bishop, and Henry Pearson met upon the highway, when the former attacked Pearson and beat him so unmercifully that doubts are entertained regarding his recovery from the injuries he sustained. This morning he was lying in a helpless condition, with him a competent surgeon. In accordance with this missive, Mr. Williams, accompanied by Dr. Benedict, went down on the 2 p. m. train to-day.

The offence is all the more inexcusable on account of the comparative feebleness of the victim's health, and the relative position of the perpetrator of the wrong as the son of the most prominent Church official in the settlement, a fact alone that should be sufficient to induce him to exhibit a good example to the people.

Mr. Stuart was arrested after the occurrence, and placed under bonds.

The Immigrants.—This morning Mr. Cope, Freight and Passenger Agent of the U. C. R. R., received the following dispatch from U. P. R. R. Western Division Agent, Mr. W. B. Doddridge, at Evanston:

"Mormon immigrants should reach Ogden at 7.35, June 3d."

We learn from Supt. Sharp, of the U. C. R. R. that should the company not reach Ogden until the time named those destined for this city and south will not get into Salt Lake until Sunday morning.

PARLOR MATCHES are now made so that they have many advantages over the old brimstone match, and are the only matches used among the Eastern consumers. They give a light and are ready for use immediately, and do not have the offensive smell that the common match has, and in a very short time we may look for the change here.

BENEFACTORS.

When a board of eminent physicians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dispelled all doubt, and to-day the discoverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors.

OF FOR A THOUSAND TONGUES TO SING.

The praises which are daily received of that popular article now known as Hale's Honey of Horehound and Tar. It is now becoming known among the people as a positive fact that this article has performed more cures of Coughs, Colds, Influenza, Hoarseness, Difficult Breathing, and all affections of the Throat, Bronchial Tubes and Lungs leading to Consumption, than any other article ever brought before the public. All we ask is a little more time for the people to test the article then to tell their friends of its effects, and then we are satisfied that it will be the family physician for any or all the above complaints, and occupy a prominent position in every household. Sold by all druggists and at Crittenton's Medicine Warehouse, New York, at 50 cents and $1 per bottle. Great saving by buying large size.
