EVENING NEWS. PUBLISHED DAILY, SUNDAYS PROSPERD AT FOUR U'CLOCK.

DAVID O. CALDER, FOITOR AND PUBLISHER.

NEWS OF THE DAY.

Tuesday.

began at Dollymount, Ireland, this morning; at the close of the con-test with the 800 yard range the Irishmen were one abead of the

June 29, 1875.

Americans. -Loeder, the new witness for Tilton, has been arrested on a charge of perjury, at the instance of Colonel Beecher.

-The work preliminary to turning the U.S. Treasury into the hands of Mr. New, the new Treasurer, is in progress

-Still the tornadoes and deathcarrying storms continue. Two more are mentioned in to-day's more are mentioned in to-day's telegrams, one in Iowa, the other in Hungary, the latter terrific-hundreds of lives lost, and an im-cents per folio for each copy of the mense amount of properly destroyed.

----Six more indictments found against Tweed and other alleged New York ring thieves.

-The Washington Monument Society wants contributions from the Sunday schools of the country, to aid in finishing the monument.

The committee appointed to investigate the Schiller disaster, find that negligence was the sole cause thereof.

--- One hundred and forty buildings were burned in the province of Seville, Spain, last Monday.

-Another big failure is reported in London.

Six persons were drowned near Little Rock, Ark., on Moncay evening.

-In the American-German naturalization case mentioned a day or two since in the despatches, the Attorney General of the U. S. has rendered a singular decision, declaring that young Steinkoouler, who desires to evade service in the Prussian army, has two nationali-ties, one natural, the other acquired.

any work after the 5th inst. the 6th proximo. COMMISSIONSE'S FEES. Is our article in yesterday's NEWS Jealousy, Murder upon "Court Fees," it was stated that the fees and compensation of John Condon, a laborer, asiding on Halstead Street, this morning, while at breaking, drew a revolver clerks in district and circuit courts for administering oathe, taking ac-taking effect in her head and

knowledgments, taking and certify- taking effect in her head and breast, killing her instantly. Con-ing affidavits and depositions, were don then placed the pistol to his the same as those of commission- breast and fired, inflicting a wound which proved fatal. Jealousy was the cause. The fee law of 1853, which the Arrested for Perjury

Poland bill expressly extends over -The international rifle match Utab, fixes the fees of commission ers as follows-

For administering an oath, te cents; taking an acknowledgment, wenty-five come 324WOT

For hearing and deciding on criminal charges, five dollars per day for the time necessarily employed. For attending to a reference in a litigated matter in a civil cause at law, in equity or in adminalty, in

<u><u>rursuance</u> of an order of court.</u> three dollars per day.

For taking and certifying deposisame furnished to a party on reuest.

For issuing any warrant or write or any other service, the same compensation as is allowed to clerks for

like service. For issuing a warrant for any crime set forth in the tenth article of the 1842 treaty with Great Brit-

ain," or the 1843 convention with France, two dollars; and for hearing and deciding upon any criminal ense under said treaty, or conven-tion, five dollars per day for the

time necessarily employed. RELIGIOUS ROWS IN BEL-

GIUM.

A CORRESPONDENT of the London Times writing, June 5, concerning religious row in that city, says-"A peaceful town of about 150. place," 000 inhabitants, threatening some

thing very like civil strife-the

ties, one natural, the other acquired. For particulars see telegrams. —There was heavy loss by the burning of the Watsen Bridge Works, at Paterson, N. J., last night. — Indictments for embezzle-ment and larceny have been found against several officials and ex-offi-cials of the eity of Cincinnati. —Seventy thousand dollars damage by fire, at McKenna, Texas.

NEW YORK, 19.—Joseph Loeder was arrested late last night, on com-plaint of Col. Beecher, for perjury, Price appeared as a witness against him, making allidavit that he did not know Loeder previous to 1872, and Enew softling about Til-ton's house until recently, when he said that Losder told him now would be a good time to make some money. Judge Morris appeared for Loeder and Price to be locked up for examination. Morris said yes-terday that his side was ready to begin again within an hour after the discharge of the jury, using the testimony of Loeder and Price. PATTERSON, N. J., 29.—The fire PATTERSON, N. ---- The yellow fever prevails at Key West, Fin.

There is a rumor in New York that Loeder, has confeased that his affidavit and charges against Beecher and Mrs. Tilton were manufactured and false.

The latest news from Dublin says the American riflemen were Ghent victorious by nearly forty points. The scores will be found in the tel-

-Pembroke, the murderer Mrs. Bingham, in East Boston, has been sentenced to be hanged.

NEWS NOTES.

In the Valley of Chamounix they had in the past winter thirty-four feet of snow

Punch says of "Lohengrin," that though there is a king in the

pers, there is no air apparent. The Buffalo Express condemns he present fashion of women's Block Crook on the streets. In the last eight years nearly one hundred millions of dollars' worth of church property was sold in

Lialy. A rather puzzling remark from a young lady just off a sleeping-car from New York: "My berth was nearly the death of me."

One can travel now from the top to the bottom of the Alps to the fabled realm of the Sybarites in the Guif of Taranto, without changing

It is said that the hurrying to catch trains and boats, of which there is necessarily so much in these days, tends to produce dis-case of the heart and brain.

The Rev. and ex-Hon. James Harlan has sold out his interest in the Washington Chronicle, and, in accordance with the advice of Dr. Greeley, has gone West. He hopes to be Senator from Iowa again.

Large tracts of land in the south f France, not hitherto cultivated, are being planted with a kind of oak trees, beneath which truffles are generally found; and it is expected that each acre of this land, lately sold as low as £5, will yield a crop of truffle worth £20 a year. A show company known as the "La Rue Troupe," which has been giving outertainments in Chatau-qua county, has "gone up." The proprietor of the Mayville House had five girls, a fiddler and a small boy on his hands, together with tights and short downed a small lights and short dresses enough to start a bathing house.

Travellers report that all kinds

N. T., having been presented with a fine pair of Angora goats, at-tempted the remarkable feat of taking the fleeces from their backs, and making a fashionable dress of the wool, between and and sun. Operations were commenced at survise, and at an early hour in the afternoon the goods were ready for the dress complete in every particular, and ready for wearing at sunset. A female clairvoyant physician dict under peculiar dreumstances afternoon the goods were ready for the dressmakers. Four ladies then made the dress complete in every particular, and ready for wearing at sunset.

the Liberal the and Clerical party i assuming very perilous proportions and the newspapers scarcely exag gerate when they talk of the possi bility of civil war. There have been similar disturbances in various parts

of the country, at Brussels, Liege,

"The Burgomaster of the town was attacked and roughly treated by the mob, though the only severe injuries inflicted were on his hat. The only blood, I believe, shed in

of the Ultramontanes, while protesting, knife in hand, that he was fo religion,' enforced his protest by volicys of the most blasphemous oaths. It is perhaps only right to say that the circle party disown him, notwithstanding his course-

us championship of their cause The Times, commenting editori

ally upon the affair, appears to scent a coming life and death

struggle between Catholicism and

"It is quite usek the it is quite beside the question, we the advo-cates of modern Roman Catholic-ism to dwell upon their peaceable disposition and upon their loyalty to established authorities. The issue to established additionates. The last lies much deeper, and it is a matter quite independent of technical in-terpretations of doctrine whether, on the whole, Roman Catholic on the whole, Roman Catholic principles, as represented in recent Papal utterances, are, or are not, inconsistent with the tenor of me-ders development. The Pope him-self (says they are, and those who disagree with him in his own church speedily find themselves out of place in their communion.

ing house. a report that all kinds a truck" can be raised ad-usly on the banks of the nions, radishes, beans, cu-s, calbages, tomatoes, In-orn, tobaces, celary, parsley, succession of the al-apples, and other indigenous apples, and apples, and apples, app

one of the proprietors of the al-pace factory in Chautauqua Co., N. Y., having been presented with a fine pair of Angora goats, at-tempted the remarkable feat of the fact, cannot be doubted, that they are confronted in modern Roman Catholicism with a false and mis-

of European statesmanship, and re-appears under various disguises, in every threatened disturbance."

CREAT BRITAIN. Report on the "Schiller" Dime

LONDON, 29.-The court of in-outry appointed to investigate the loss of the steamer Schiller have injuries inflicted were on his hat. The only blood, I believe, shed in the fray may be seen on the door of the Athenaeum, where it has prob-ably struck awe into some innocent hearts as clear irrefragable proof of a flerge hand-to-hand struggle. The wife of the conclerge, who first pointed it out to me, was evi-dently under this impression, but I afterwards learned that it had been left there by the tipsy here of the knife and rosary, who had cut his own fingers. She had evident-ly been a good deal scared by the night's tumult, and declared that she had fully made up her mind to be then and there assassinated, if the mob once crossed the threshold, but had, all the same, been heartily amused in the midst of her fright, by the way in which the champion of the Ultramontanes, while protes-

thunder storm passed over there to-day; the lightning was incessant, and hail fell in such quantities that the roofs of the houses and the surrounding hills were covered two feet thick. The water fall was extraordinary. A tornado swept the streets of Buda, carrying vehicles and everything movable down. Many houses were suddenly flood-ed, and desiroyed before the inmates could escape. Five hundred persons are missing, and at least one hundred have been drowned, or
