

close surveys of the various houses. A report was sent to the police station and officers sent to investigate, who, after a short tour of the locality, run onto two of the suspects who imme-diately made a hasty get-a-way. Later officers found three more of the quintet and took two of the most suspicious ones to the police station. The men ones to the police station. The mer were closely questioned but were subse quently released as no charge was pre-

ferred against them. ferred against them. Chief Browning and his men are busy these days keeping suspicious char-acters on the move. They no sooner reach the city than they are met by the officers, who urge them to keep on moving. If arrested the unemployed men are given "floaters" or opportuni-ties to get out of town, of which they avail themselves.

#### AUTO MISHAP.

The bridge across the Ogden bench canal on Twenty-fourth street between Jackson and Harrison avenues, which has been the cause of so many accl-dents in the past, again figured in an automobile accident, the driver run-ning the machine over the side of the bridge into the canal. The occupants machine, who were residents o Salt Lake, returning from an auto ride up Ogden canyon, were badly shaken up and bruised but not seriously. As hear as could be learned the accident happened at 2:30 o'clock yesterday morning and the noise of the crash and the screaming of the women occupants could be heard for blocks.

WORK ON VIADUCT MOVING.

The force of men working on the via-duct was increased from 15 to 50 yes-terday and within the next two days this number will be doubled and prob-ably trebled. As fast as the prelim-inary work proceeds and the ground is decode for the large compute compa cleared for the large concrete gangs things at the depot will present a busy condition.

## MAPLETON. SAD DEATH OF A MOTHER.

Mrs. Van O. Fullmer Summoned-Fruit Cannery and New Orchards, Special Correspondence.

Special Correspondence. Mapleton, Utah Co., April 26.-The funeral services over the remains of Mrs. Caroline L. Fullmer, wife of Van O. Fullmer, were held today in the meetinghouse, presided over by Bishop William T. Tew. The speakers were Elder J. S. Boyer, Bishop O. B. Hunt-ington of Springville and Bishop Tew, who dwelt on the noble character of the deceased, and offered consoling re-marks to the bereaved husband and family The Robinson brothers' quar-tet with the choir rendered sweet and appropriate music for the occasion. Mrs. Fullmer has been a faithful worker in the ward Primary and Re-lef society. She was a very kind heart-ed, unassuming woman, a good wife and mother. She leaves six children to be cared for by her husband and friends. Her baby, which she gave birth to but a few days ago, was not expected to live until the family re-turned from her funeral, while two of the others were sick with measles. The family have the sympathy of all. There was a large turnout at the funeral. The deceased was the daughter of Mapleton, Utah Co., April 26 .- The was a large turnout at the funeral. The deceased was the daughter of Dunam Van Leuven and was born March 9, 1870; died April 24, of blood

rigating. Among the arrivals this week are Jacob Snyder and family, Bert James and family from Provo, Utah, M. L. Scott and family of Macloud, Alberta, Canada, and two or three families from Idaho and Oregon. They all say that this country can't be equalled. Green vegetables are in the market, as well as strawberries, all home grown. olsor Many cases of measles have been among the people here during the win-ter, but no fatalities. A number of Coloradoans have pur-

chased small tracts of land here this spring and are planting same to the famous Elberta peach. A fruit cannery for Mapleton will Dairy Business Takes on New Life-
