SEVEN DOLLARS A HEAD. That is What the Northwestern Car-

ries Soldiers to Ogden For-When bids were opened at army headquarters in Chicago for the trans-portation of traops from Fort Sheridan to San Francisco, the Chicago and Northwestern was found to be the low-est bidder, at \$7 per capita from Fort Sheridan to Ogden. From Ogden to the coast the troops are carried by the Southern Pacific. This is the lowst bid ever made for the transports-

ON PUGET SOUND.

President Hill Has Undertaken the Task of Booming Seattle.

President James J. Hill of the Great Northern says: "There is a great strug-gle going on for the control of the trade of the western coast of the United States, and which will result in one great cosmopolitan city and port, and that struggle will be between Puget aund and San Francisco.

The advantage at present is with San Francisco, because an amount of nents made in that city—and you know dozen races of as many different that capital is the chief element in a descriptions, and prizes will be awarded and graft. But in the long run, Puget in denoma, etc., and cach tacket holder the rate of oceanic freight, it will read-ily be perceived how chean cost will be and 10:50 p. m.

ily be perceived how cheap cost will be at San Francisco in the long run.

"Scattle has reached a point in her growth that is as high as she can hope from her present resources, and that is why I have made such efforts to establish an Oriental line connecting with this point and why I am today expending nearly six militions of deliars in the construction of two of the greatest freight-carrying steamships that have ever been undertaken in the that have ever been undertaken in the history of the world.
