# THE MUTUAL LIFE

Is not only the Largest INSURANCE COMPANY in the World, but its Financial Transactions  
are Greater Than Those From Any Other Company.

## The Largest Endowment Ever Paid.

The Mutual Life has recently paid to Mr. Thomas Dolan, of Philadelphia, President of the Manufacturers Association of the United States, \$120,087.50. The original endorsement was \$100,000. Mr. Dolan is a firm believer in the Mutual Life and holds another policy upon his life for \$100,000 in this institution.

## The Largest Single Premium

**EVER RECEIVED.** The Havemeyer family paid The Mutual Life in 1890, a single premium of \$578,345 for five policies of \$100,000 each with guaranteed thrives beginning in ten years.

## The Largest Policy Ever Issued.

George W. Vanderbilt, two years ago made the first payment of \$35,000 on a life premium policy of \$1,000,000 in THE MUTUAL LIFE.

## A Railroad President's Investment.

James J. Hill, President of the Great Northern Railway, paid THE MUTUAL LIFE in 1902, \$100,000 for a policy of \$100,000 with an annuity of \$12,400.

**A Four Per Cent Bond** ISSUED TO A GREAT  
MINE OWNER?

Mr. Samuel Newhouse of Salt Lake City, who recently sold his mining interests to the Standard Oil Co. for a sum which made him several times a millionaire, has just secured a \$200,000 paid up policy, payable at death, together with an annuity of \$8,000 during his life. Mr. Newhouse paid in one check for this bond \$23,828. In addition to \$9,000 per annum Mr. Newhouse will receive a dividend each year.

## The Mutual Life Insurance Popularity in London

An English gentleman recently purchased an annuity of \$20,000 by depositing with THE MUTUAL LIFE CO. of N.Y. \$20,000, which is nearly \$450,000. He purchased an annuity of \$1,000 in 1896, \$2,000 in 1897, \$3,000 in 1898 and \$3,000 in 1899, making an amount to be paid each year during his lifetime of \$10,000, or \$50,000. What better endorsement could a company have than the confidence of our British sources.

The Mutual Life Insurance Company

From its organization to December 31, 1998, received from its policy holders \$687,388,730.26, and it has paid to policy holders and holds in trust for future payments, \$7,612,024,45.38.

Thus it will be seen that this company has returned or holds in trust all the money it has received from its policy holders, paid all the expenses of conducting the business and has remaining \$77,867,585.16 resulting from the investment of the money received. To make this point more clear, of the \$77,537,325.36 assets owned by The Mutual Life today, \$77,867,585.16 comprises interest received upon investments and added to the receipts from policy holders. Of a truth it may be said: The best company is the company which does the most good.

The Mutual Life <sup>HAS</sup><sub>OVER</sub> \$1,000,000,000.00

Insurance in force, and nearly \$300,000,000.00 cash assets which belongs exclusively to its policy holders. It has already paid to policy holders nearly \$500,000,000.00.

The Mutual Life in the United States.

Does more business than any other company. Its policies guarantee more and cost less than the policies of other companies.

Investigation is respectfully invited. Full information by mail or at the Company's office, 55-56-57 Commercial Block.
