Newbro's Herpicide PAULA A. EDWARDES

AULA A. EDWARDES

Paula A. Edwardes, the well-known theatrical star, writes as follows:

"I am charmed with Newbro's Herpicide. It is a refreshing hair remedy, producing a beautiful luster and a luxurlance of growth; at the same time keeping the scalp free from dandruff." Very truly yours, (Signed) PAULA A. EDWARDES. New York City,

Good results from the use of Newbro's Herpicide means as much to one person as to another, but on the other hand, the fact that leading theatrical stars prefer Newbro's Herpicide is an important point in its favor. Professional people have an inclination and an opportunity-not enjoyed by others- to discriminate in their choice of toilet remedies and their opinions should not go unheeded.

The extraordinary success of Newbro's Herpicide is due to the simple fact that it kills the dandruff germ. While other remedies treat the disease that results in hair loss, Newbro's Herpicide destroys the cause of the disease, after which nature grows the hair, if it is not too late.

Chronic baldness cannot be cured, but before the hair follicles are too hadly diseased, one can, by careful treatment and intelligent sanitary care, keep down and ultimately destroy the tiny vegetable growth (dandruff germ) whose continued presence in the sehaceous glands of the scalp means hair destruction.

Ladies become enthusiastic over Newbro's Herpicide, hecause it brightens up the hair and keeps it light and fluffy. Stops itching of scalp almost instantly,

Delightfully refreshing.

Send is conts in stamps to THE HERPICIDE COMPANY, Dept. In Detroit. Mich., for sample and booklet. One Dollar Bottles Guaranteed. At Jrug Stores. When you call for HERPICIDE, do not accept a substitute. Applications at prominent Barber Shops.
