Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray,

Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.

POLITICAL POINTS.

General Harrison.—The Dudley Letter, Etc.

INDIANAPOLIS, Dec. 23.—General and Mrs. Harrison, accompanied by their guests, ex-Senator Saunders and wife, attended divine services this morning at the First Presbyterian Church. The evening was spent at home, no one but the family and visiting relatives being present. During the holiday week General Harrison will suspend his afternoon receptions.

INDIANAPOLIS, Dec. 24.—Notwithstanding the general publication this morning that General Harrison would hold

NO RECEPTION

during the holiday week, he had a greater number of visitors today than usual. Aside from the large number of callers, the general was kept very busy with his mail, which has greatly increased during the past few days. Numerous little presents of an inexpensive character arrive daily.

Ex-Senator Henry G. Davis, of West Virginia, arrived in the city last night and was an early visitor to the Harrison residence, departing for home on the noon train. The presence of ex-Senator Davis has given rise to considerable newspaper speculation regarding that gentleman's purposes. Upon the authority of General Harrison, he says it may be stated that Senator Davis' visit had no political significance whatever and politics were not discussed.

THE INAUGURATION.

WASHINGTON, Dec. 24.—Quarters have been engaged at the Arlington Hotel for General Harrison and party here, to witness the inauguration ceremonies next March. There will be in the party General Harrison and wife, Russel Harrison and wife, J R. McKee, wife and two children, ex-Senator Saunders, of Nebraska, and wife, the parents of Mrs. Russell Harrison, and E. W. Halford, private secretary, wife and daughter. On the morning of the inauguration they will go to Willard's Hotel, on Pennsylvania Avenue, and occupy the parlor on the second floor, where they will view the procession as it forms. In accordance with the precedent established by Andrew Jackson, and observed by every President but two since, President Cleveland will call for President-elect Harrison at Willard's and escort him to the Capitol.

THE DUDLEY LETTER.

INDIANAPOLIS, Dec. 24.—Ex-Senator McDonald, Congressman Bynum and a dozen or more democratic office-holders arrived from Washington last night to spend the holidays. Speaking of the Dudley letter, Congressman Bynum expressed the belief that the government will have a difficulty in making a case against him. E. Sellers, the district attorney, whose resignation has not yet been accepted, was in the city a few hours today. He says he occupies rather a strange position. The President has not accepted his resignation, neither has he been officially notified that he refuses to accept it, and unless he assumes that Bailey's nomination created a vacancy, he is still district attorney of Indiana. Judge J. S. Suit, of Frankfort, Indiana, a close friend of Sellers, and who is familiar with the

INSIDE HISTORY

of politics, is out in an interview, giving a new reason for Sellers' resignation, which he says he has from Sellers direct. Judge Suit says:

Mr. Sellers talked unreservedly regarding the letter and said he was satisfied the *Sentinel* had fallen into a trap set for the Indiana democrats by Dudley; that the letter was written with a view of having it reach as many democrats as possible; that no better medium of circulation among the democrats could be obtained than the *Sentinel*; that only one letter was written, and that one was sent where it would certainly fall into the hands of the *Sentinel*; that it was Dudley's intention to divert attention from New York by that letter and cause the democrats to concentrate all their funds as well as their best efforts in Indiana, thereby enabling the republicans to carry New York, which they did, and that the letter was no unimportant factor in such result; that

NO SUCH LETTER

was ever sent to or received by any republican committeeman; that he expressed this same opinion to the leaders of his party, and that the *Sentinel* is mad because of the blunder it made.

Judge Claypole, assistant United States district attorney, in an interview this morning, intimated something of interest might be said about the Dudley case if the law did not impose silence respecting jury room developments.

Acting District attorney Barley says the government has made good progress and has a great amount of evidence, and that it is not all against "small fry."

What the Pope Says.

ROME, Dec. 24.—The Pope, addressing the Sacred College today, gave thanks to God for the blessings the Jubilee had brought him. He exhibited much more feeling than in his former utterances on the question of the temporal power, and indignantly denied he was an enemy of Italy. He urged Catholics everywhere to agitate in a legal manner for the restoration of Papal supremacy and spoke in deprecation of the recent liberal enactments in Italy. His address throughout was unusually violent and bitter. The speech referred exclusively to the Vatican and Italy. His Holiness said while the world could see what a painful situation he was placed in, one could only ask how far could they go in the present system being waged. Even the person of the Pope was exposed to the threats of the mob. The enemies of the Holy See had

WEAPONS ENOUGH

already to injure the Papacy. If these did not suffice, they were prepared to manufacture fresh weapons. It was persistently asserted that the Pope was the enemy of Italy. This assertion was made to mask the real object of the perfidious attacks against the church, and that object was to render Italians hostile to the Papacy. To vindicate the rights of the Pontiff was in reality to advance the prosperity of Italy, and to demand that the greatest moral power in the world should possess real sovereignty in Italy, where Providence had placed the church centuries ago, was not an act of hostility to the country. The fact that bishops in foreign lands were laboring for the restoration of the Pope's temporal right had proved that the whole interests of the Catholic church were bound up in the cause.

The Chamberlains.

LONDON, Dec. 24.—Mr. and Mrs. Joseph Chamberlain arrived at Birmingham today. They drove from the railway station to Highbury, Mr. Chamberlain's residence, in a closed carriage. They were not expected till Thursday and were not recognized. Mr. Chamberlain's son, Austin, welcomed them and accompanied them home from London.

Immigration.

DETROIT, Dec. 24.—Congressman Ford, chairman of the Special Committee on Immigration and Labor, began the investigation here this afternoon. The evidence showed that large numbers of Canadians worked in this city during the day or season, retaining their alien character. This amounted in the printers' trade to 40 per cent., and in the street car men to 20 per cent.

CRIMINAL CASES.

Bauereisen Gets Two Years.—A Brutal Husband, Etc.

ST. LOUIS, Dec. 24.—Information comes from Denison, Texas, to the effect that Dudley Wuterell shot and killed J. M. Moyer and mortally wounded John Christian at Harneyville, Chickasaw Nation, yesterday. The killing was the result of an old feud.

TWO YEARS.

GENEVA, Ills., Dec. 24.—Bauereisen, the Burlington & Quincy dynamiter, was found guilty and sentenced to two years in the penitentiary.

The officials of the Chicago, Burlington & Quincy Railway Company say they had hoped for a longer term, but they are, nevertheless, pleased with the verdict. There were two counts in the indictment, one for the unlawful use of dynamite, the least penalty for which, under the statutes, is five years, and the other for conspiracy to use dynamite, the penalty for which is only two years. It was evidently a compromise verdict. An appeal has been prayed for by Bauereisen's attorney. The prosecution of the case against Bauereisen's co-conspirators in the State courts and against Bauereisen and his confederates in the Federal courts will depend somewhat upon the action of the Appellate Court in Bauereisen's case.

JOHN BRODERICK,

one of Bauereisen's co-defendants, who is now in jail here, was seen after the announcement of the verdict. He said:

"Well, they have convicted an innocent man, and I could have proved that if they would have taken me on the stand."

"Why did they not use you as a witness?"

"Well, I don't know. It appeared that the prosecution did not want me, and said the defense could not have me, seeing I was in the custody of the United States."

SILVER CITY, N. M., Dec. 24.—As a result of litigation about a ranch near here, Saturday, A. L. McAfee was shot dead and a man named Hudson mortally wounded, dying Sunday afternoon.

SPRINGVILLE, Maine, Dec 24.—On Thursday last John Bernier, a French-Canadian, aged 35 years, was convicted of cruel and

BRUTAL TREATMENT

of his wife, and was fined $145 During the trial he was heard to threaten that he would get even with his wife. On Friday evening a doctor was called to Mrs. Bernier who was found to be suffering from the effects of poison from Paris green. Bernier declared she took it in spite of all the opposition he could offer. The next day it was learned that she was dead. An examination seemed to show that on Friday night, while the woman was still suffering from the poison, Bernier beat her cruelly and thrust her out in the bitter cold. She crept back, and he beat her again. She died Sunday. An inquest will be held Wednesday.

ST. LOUIS, Dec. 24.—A *Republic* special from Shawneetown, Ills., says: Clinton Garrett, a white man, was assaulted today

BY A NEGRO

named John Price, and fatally injured Price fled, and when about a mile from town met George Francis, knocking him down and robbing him, securing a small sum of money. The sheriff organized a posse of 100 men, captured the negro and lodged him in jail. If Garrett dies tonight there will be a lynching. Tonight a negro who was defending Price and abusing the injured white man was set on by a crowd and roughly handled.

NEW ORLEANS, Dec. 24.—A *Picayune* special from Vicksburg says: At 1 o'clock last night City Marshal McMahon shot A. G. Clay and Newton Dolan while they were attempting to break into jail for the purpose of liberating a prisoner named Green, charged with liquor selling, who was to be tried today. They had nearly succeeded in breaking the door down when the marshal fired. Both men were

BADLY WOUNDED.

GADSDEN, Ala., Dec. 24.—Jesse J Taylor, an old and highly respected citizen of this county, was today shot and instantly killed by his nephew, Archie Crane, a young man about 25 years old. Taylor way trying to prevent a difficulty between Crane and a man named Lancaster, when the former turned and placed the pistol against Taylor's head and shot him dead.

CASUALTIES.

The Railroads' Customary Work.—Other Disasters.

MENOMINEE, Mich., Dec. 24.—The fire at Hermansville, briefly reported on Saturday night, destroyed nearly the entire village and the Wisconsin Lumber Company's saw mills. The losses approximate a quarter of a million. The town has no fire department, and the flames were fought by a bucket brigade. It was bitterly cold. A great part of the personal property of the inhabitants was saved, and tents and rude shanties have been constructed on the outskirts of the town. No lives were lost, though in many cases there was severe suffering from the cold. The suffering will continue in a great measure until substantial buildings can be erected for the shelter of the people.

MILWAUKEE, Dec. 24.—The report that Hermansville, Wis., was blotted out by a fire is contradicted. A small boiler exploded causing $1000 damages.

PASSENGERS KILLED.

LOUISVILLE, Dec. 24.—The through passenger train to Nashville and the South on the Louisville & Nashville Railway, ran into a Knoxville branch passenger train at Bardstown Junction this morning. Two passengers were killed and eleven injured.

Both trains were running in the same direction. The forward train stopped on the further side of a curve, and the second train ran into it at the rate of forty five miles an hour and telescoped the two coaches, killing Mrs. Mary Perkins, of Old Deposit, Kentucky, and Willie Houston, of Water Creek, Kentucky. The wounded, so far as known, number thirteen, of whom Engineer McPherson and Fireman King are thought to be fatally injured.

Investigation into the railroad wreck at Bradstown Junction shows that the conductor of the first and the engineer of the other train disregarded the regulations.

THE CONDUCTOR

of the first train, which had been delayed and was running on the following train's time, should have sent back a flagman with torpedoes, but failed to do so. The engineer of the following train had instructions to approach the station under full control. His train this morning was going at full speed, forty five miles an hour.

NEW YORK, Dec. 24.—A train loaded with passengers on Brooklyn bridge ran into an empty train at the Brooklyn end of the structure, about 6 o'clock tonight. The front platform of the moving train was smashed, as was the foot of John McWilliams, a brakeman. A young woman received contusions on the head. No one else is reported injured.

BIRMINGHAM, Ala., Dec. 24.—Henry and Jean Van Wormer, brothers, were killed by a train near Oseonta this afternoon while walking on the track.

SAN FRANCISCO, Dec. 24.—Advices from Honolulu report the arrival of the British man-of-war *Hyacinth* from Tahiti. The *Hyacinth* rescued 27 Malden Island, two shipwrecked crews of twenty-four men, of the German ship *Herman* and the Swedish bark *Virgo*. The vessels were wrecked on the 1st and November 27th. A boat containing the mate, captain, steward, cook and two seamen of the *Virgo* capsized and all six were drowned. All of the *Herman's*

CREW ESCAPED.

DENVER, Dec. 24.—Word has just been received here from Boulder, Colorado, that Hastings' saw mill boiler, near Gold Hill, exploded Saturday, instantly killing four men and fatally scalding another.

DULUTH, Minn., Dec. 24.—This morning while a gang of workmen were at work at the Ohio Coal Company's dock, one of the bins holding 600 tons of coal burst and buried John Jackson and John Oleson under the mass. Both were killed.

NASHVILLE, Tenn., Dec. 24.—Baxter court, the handsomest office building in Nashville, burned tonight. Loss $100,000. Judge Mat Wallen was at work on the sixth story when the fire started and managed to fight his way to the second floor through the smoke and flames, where the firemen rescued him. He is

SERIOUSLY BURNED.

SEATTLE, W. T., Dec. 24.—The steamer *Lief Erickson* burned at Alki Point, five miles west of this city, at 6 o'clock this afternoon. The total loss is seven lives: Miss Annie Tollner, of the Sydney Ross Company; J. N. Ross, manager of the Ross Brick Yard Company at Sydney; Jack Simons, a half-breed fisherman; T. S. Smith, of Smith, Taylor & Colby; an unknown man and his wife and an unknown woman.

"The King's Fool."

CHICAGO, Dec. 24.—The first American production of "The King's Fool," a light opera by Adolph Mueller, which is having such a phenomenal run in Vienna, was given here tonight in the Columbia Theatre, under the direction of Herr Hinrich Conreid. A large audience was present, and the verdict was in the main favorable. The music seemed of a much higher character than in the average works of similar pretensions; the scenery and costumes were very brilliant.

French Fishing.

PARIS, Dec. 24.—In the Senate, Admiral Veron alluded to the regrettable effects of the Newfoundland law which prohibited the sale of cod to French fishermen. He complained that the British had erected factories for canning lobsters on the French shore, greatly to the prejudice of the French fishermen, and asked the government to put a stop to these encroachments on French rights.

M. Goblet, minister of foreign affairs, replied the government wanted to secure respect for the rights assured France by the treaty of Utrecht. The French fishermen did not now require Newfoundland bait. France only occupied one-fifth of the French shore where English industries had been established. These had been tolerated as long as they did not interfere with French rights. The government would now, however, cause their removal, and would at once open negotiations with England with the object of suppressing the English lobster factories complained of. He assured the Senate the government would neglect nothing calculated to develop the French fisheries. [Applause.]

The Anarchists.

CHICAGO, Dec. 24.—Corporation Counsel Green and Assistant Knight finished today the city's reply to the bill filed by the Anarchists in support of the injunction restraining the city from interfering with their meetings. The reply asserts that the Arbeiter Bund, the society pressing the injunction suit, was organized for an unlawful purpose, and that it agitates principally the destruction of existing forms of society. It further relates that the Arbeiter Bund held a meeting in Mueller's Hall on December 9th. The meeting took place as advertised, in Greif's Hall. It had been closed to the police. There were inside and outside guards at the hall door, and it was thought that only

AVOWED ANARCHISTS

were admitted. There were present one hundred and fifty men and sixty women. To save themselves they met under the name of the Reichstag's Verein. Albert Currie addressed the meeting in incendiary and unlawful language. He said the Bund had failed to accomplish its purpose on November 11th, but that it would continue in existence, and in the end be successful in its object—the killing of the judges and Inspector Bonfield.

Wednesday the Arbeiter Bund will die its answer, and Thursday the application for authority to sue for an injunction will be argued before Master-in-Chancery Windes.

DIAMOND WORDS.

★ "There are a few things that I believe in with all my heart, and it affords me pleasure to tell of one of them." The speaker was Ex-Senator Albert Merritt, head of the large fruit firm, 62 Park Place, N. Y., and the scene his office. "I was sick, and feared that I had become fated to endure the tortures of dyspepsia and a dangerous affection of the kidneys. A relative said to me: 'Why don't you try Dr. Kennedy's Favorite Remedy?' I did so. I grew steadily better, could eat, digest, sleep, work with a clearer head, and the yellow color of my skin had given place to the tones
