ULCERS FORMED ON BOTH ANKLES

As Big as Half Dollars—Followed Attack of Varicose Veins—Would Lie in Misery Almost All Night—Cried with the Terrible Pain.

HIS CURE RESULTED FROM USING CUTICURA

"I had varicose veins and was in the hospital three weeks. After I was discharged big ulcers broke out on my ankles. I got some of the ointment which they had given me but it did me no good. They kept getting worse instead of better and really I could just manage to get along. I had pains broken out on both ankles and I used to lie in misery almost all night long and would cry with the pain, which were something terrible. When I got up I would have to sit in two chairs in order to rest my ankles. My sister advised me to try the Cuticura Remedies. I washed my ankles with hot water and Cuticura Soap and applied the Cuticura Ointment and I had instant relief the first time I used them. Now I am very glad to say that my ulcers are all healed up and I can walk as well as anybody. Robt. E. L. Oliver, 3433 Cedar Ave., Hampden, Baltimore, Md., Jan. 11 and 18, 1908."
