## GENERAL KANE'S FUNERAL EVENING NEWS

whitehod Daily, Biendays Roospied, AT FOUR O'OLOCK.

PRINTED AND PUDLISHED BY THE NEWS COMPANY CHARLES W. PENROSE, EDITOR. Thursday, Dec. 27, 1883.

## EDITORIAL NOTES.

A Mississippi paper says that possible, and feel assured, from what while some persons were boring an we know of the sentiments of our felartesian well in Lee county, that low citizens towards the noble spirit State, they found a log 325 feet un- that has left this world for a higher der the earth, which was in a fair sphere, that while the tears of his state of preservation and resembled mourning family fall like the dew poplar.

"If you want to spoil all that God feelings of love and veneration gives you; if you want to be milet- for the departed will go out from able yourself, and a maker of misery | thousands of hearts in these moun to others, the way is easy enough. tains, to mingle with the emo-Only be selfish, it is fone at once. tions of the mourners present at Think about yourself, what respect the solemn rites which will consign the people ought to pay you, what to the dust all that remains of one people think of you, and then to you whose deeds will be ever honored nothing will be pure."

The American Register, speaking of General Rosencraz's proposed anti-polygamy amendment to the Constitution, says: "If Senator Edmunds had taken the course proposed by General Rosecrans on this subject he would have accomplished his object without an attempt to sel aside the Constitution." The fact that the Edmunds law is unconsti tutional is, it appears, being graduturning over to our views on the and other railroad magnates to the sulject after a while.

The latest scheme for getting plots conducted by Central Pacific her name in the papers has been men to defeat Tom Scotta' project invented by a "highly respectable" for the Texas & Pacific Railroad and young lady of Baltimore. It was a sim obtain special privileges and advanple plan. All she did was to pro- tages for the Southern Pacific, keepmise two men that she would marry ing in the dark its connection with each of them and set the same hour the Central Pacific. for both weddings. The one who came first took her, and she relied of two constructions. They may be on the other to do something that explained as relating to perfectly lewould advertise her. He did. He gitimate transactions, looking at chared the couple about with a pis- them in what is called a business tel ontil a policeman caught him point of view. And on the other and locked him up.
