EVENING NEWS March 11, 1881 turday. BY TELEGRAPH PER WESTERN UNION TELEGRAPH LINE.

FORTY-SEVENTH CONGRESS. SENATE.

WASHINGTON, 10.-Morgan, from the committee on foreign relations, reported a concurrent resolution, re-questing the President to bring the resumption of work. A meeting attention of the Government of Nicaraugua to the necessity of arrang-ing by convention for the fiscal setbringing of troops here will tend to create bad feeling and may lead to tlement of all unadjusted claims existing between the Government collision. Strikers, labor unionists, and a mob, held a big and enthusiastic meeting to-night, and determined to of the United States and the Gov-ernment of Nicaragua. Resolution, after an explanation by Morgan, that the amount of claims in favor

of citizens of the United States ranged from three millions to six mil-lions, and that the resolution did not cover counter claims of Nicaragua. Adjourned. HOUSE.

WASHINGTON, 10. - Thompson resented the minority report of the committee on elections on the case of M. D. Ball, declaring him enti- ing. One hundred and fifty cavalry, tled to a seat as Delegate from Alas- under command of Captain Emil ka. Ordered printed. The Speaker laid before the House

four memorials from citizens of so in the morning with Gatling guns, Utah-one from 10,966 young la-howlizer, etc. The B. & M. Railway dies, one from 13,935 young men, Company will at once put their men one from 15,000 women, and one from 12,378 men-for suspension of further action on all bills relating to Utah, and for the appointment of a commission of honorable and un-

available to enable the light-hous board to meet the extraordinary ex-

tory of their raid on "scab" laborers on grading yesterday afternoon, and in a secret meeting to day seriously contemplated snoking the Burling-ton & Missouri railway depots and office, and the daily Heraid affice, and at one time decided upon such

continue. The House resolution, in relation to a memorial to Congress for a100,000 to erect suitable buildings for government offices, was considered and subpted. The Governor relarned the Park City charter disapproved, but recommended a substitute therefor, which was read and dental outrage, but subsequently reconsid-ered it. The railway company has the offices and depot barricaded and watched to-night. The city is in a

state of considerable uneasines. The Governor also returned the jury fee bill unapproved, suggesting a substitute, which was read and adopted. Councilor Murdock presented a petition. stating that Morten Petersen was arrested The authorities are preparing to core with the strikers, but will probably wait for the arrival of troops before in Sevier County and sent to the insane was held by the strikers to-night at asylum; that this county is paying the expenses, and said Petersen is not and never was a resident of Sevier County, and asking that the Territory pay the expens-es of his confinement. which they developed the policy of representing to the State authori-ties that there is no cause for calling out the militia, and that the The Governor sent word that he had

approved C. F. 32, in relation to attendance rolls of jurors and witnesses. At 12.30 p. m. the Council went into executive session on a communication

from the Governor, After the doors reopened, a message was received from the House stating that enforce if possible their established the Governor, wishing the words "provid-ed that no doctrinal or sectarian tenets should be taught or allowed to be taught," etc., be added to the appropriation for the University and for the new University price of \$1.75 per day for the com-mon laborer. More serious trouble is expected. Nine companies of mi-litia will arrive in Omaha early to-

Ititia will arrive in Omaha early to morrow moining. Companies C and E, Fifth United States Cavalry, and Company F. Ninth Infantry, left Fort Lincoln this evening by special train for Omaha, and will arrive here at 4 o'clock to-morrow morn-ing. One hundred and fifty cavalry, under command of Captain Emil Adam, and two companies of infan-try, from Fort Omaha will arrive al-so in the morning with Gatling guns, howlizer, etc. The B. & M. Railway Company will at once put their men to work under this millitary protec-tions of violence. The ringleaders

When undertaking a long journey we advise you to take along a good supply of St. Jacobs Oil in case of an attack of acute rheumatism or other painful aliments. In this connec-tion the St. Louis *Post-Dispatch* re-
