Wards, asking for 'repairs to Eouth' Temple street l stween Flith and
Seventh West atreets, as in wet weather it was almost impassable for teams, etc. Granted, and super-visor of streets instructed to make the necessary repairs to said street in the order of business.
Henry Shingleton petitioned for the transfer of the 'unexpired por-tion of his license to do business as a merchant to Mr. Butler. Granted.
William Petersen, one of the suf-ferers from the recent fire on First South street, being present, peti-tioned verbally to be allowed to put to construct the fire-proof metallie roof until the weather will parmit him to construct the fire-proof metallie roof until the street and sidewalk forting his premises whereon to place building material, and also to business, for the period of not to ex-ceed four months.
A petition was presented from

eed four months. A petition was presented from Jas. T. Little and LeGrande Young,

tempt, which was immediately paid. Mr. Hopkins gave security for the payment of the first fine, and the court adjourned. representing that in the summer of 1873 or 1874 they purchased of the city, through its agent, Mr. Isaac

Bad Read .-- S. Williams of Sanpete, stepped into our office yester day. He delivered himself with much warmth of expression regarding the horrible condition of the road on the Spanish Fork and Pay-

city, through its agent, Mr. Isaac Groo, what they supposed to be blocks 185,186,187 and 188, in plat"D" Sait Lake City survey. That they went upon the land they intended to purchase, with the agent, and salacted the same, and paid for what they supposed to be said blocks, but that said agent by over-sight and mistake, delivered to pe-titioners the certificate of survey for blocks 190, 191, 192 and 193, instead of those aforcaid. The petitioners on bottoms, where he had the misfortune to break his wagon coming north. He says he would rather pay moderate toll than to run su

of those afore aid. The petitioners therefore asked that they be allowed to purchase the land they contracted for, and to pay for the same at a fair risk of having his angry pas excited besides having his wag damaged, and supposes other traprice, or that an exchange be made so as to enable them to obtain the land they before intended to get. A plat of the blocks in question accom-panied the petition. Referred to the velers feel [similarly. That road should be mended that the neces-sity of mending the vehicles and

tempers of the traveling public may be obviated. The road down
