The Secretary of the Interior has recommended to the President the restoration to the public domain of the lands in Wallowa Valley, in Oregon, which were withdrawn about three years ago from public lands for use of Joseph's band of Nez Perces Indians.

Land Sales Suspended.

Secretary Delano has concluded to suspend the sales of Indian lands in Kansas till January, 1876. This action is taken upon the recommendation of General Ingalls, Commissioner Smith and others, in consequence of the suffering of the settlers by drouth and grasshoppers.

Harmless Fanaticism.

CHICAGO, 3. — At the national temperance convention, to-day, a resolution that women were entitled to the elective franchise, and that the convention lend its warmest effort to that end, was defeated, 78 to 52. It was resolved that the time had arrived to more fully consider the relations of the national government and its responsibility to the liquor traffic, and it was resolved that the convention ask the next Congress to prohibit the manufacture and sale of all alcoholic beverages in the District of Columbia and the territory of the U. S., to prohibit its importation from foreign countries, to require total abstinence on the part of all officials and subordinates in the civil, military and naval service, and to adopt, for ratification by the several states of the Union, a constitutional amendment, which shall make the traffic in alcoholic beverages illegal throughout the national domain. Anna Dickinson delivered an address, in which she said that crusades and temperance meetings had very little effect, and that political organizations and political work was the only means for checking the evil. The convention adjourned *sine die*.

Marriage of Sheridan.

The marriage of Lt. Gen. P. H. Sheridan and Miss Irene Rucker, daughter of Major Rucker, Assistant Q. M. General, was celebrated at the residence of the bride's parents, 504 Michigan Avenue, at half-past 8 this evening. The following were invited, and were present, with the exception of the President, who asked to be excused on account of the pressure of public business—Mrs. Grant, General and Mrs. Belknap, General and Mrs. Sherman, and staff officers, General and Mrs. Van Vliet, General and Mrs. Pope, General Auger, General Terry, General Ord, General and Mrs. Crooke, and General Harry. The ceremony was performed by the Rt. Rev. Bishop Foley, according to the forms of the Catholic church, of which both parties are members. The gifts were numerous, and of the most expensive kind. After partaking of an elegant dinner the bridal pair, accompanied by Col. and Mrs. M. V. Sheridan, were driven to their residence on Michigan Avenue, which had been handsomely decorated for their reception.

On Strike.

Considerable excitement was created here to-day by the strike of the employees at the various coal yards, on account of a reduction in wages; non-union men were employed, but the strikers in large numbers visited the various yards and compelled them to stop work. Several non-union men were severely beaten.

Riotous Miners Fighting.

MAHONEY CITY, Pa., 3.—At 3 p. m. to-day Sheriff Warner telegraphed that his posse had been fired upon, and asked for military assistance. The Pottsville light infantry and the Gowan guards immediately left by special train for this place. On arrival they found the mob had slunk away on the outskirts of the town. The citizens were greatly excited, and all places of business were closed. The first disturbance was at Tyler & Co's. colliery, when Sheriff Agnew, with a posse, ordered the rioters to disperse. One of the shots fired on the sheriff, and the firing then became general, the rioters firing a volley on the citizens, who were outnumbered. Henry Leitenberger, a policeman, was wounded and is in critical condition; Henry Lechner was wounded in the leg, Wm. Eakin was shot in the trunk, and another man in the shoulder. Eight of the raiders were wounded and carried away, one of whom was killed. The strikers have dispersed in different directions. Col. Hunsinger has established his headquarters in the City Hall. Much excitement prevails and the miners will again resume work to-morrow.

Under Orders.

LEBANON, Pa., 3.—The eighth regiment has orders to hold itself ready to march into the troubled mining districts.

Want Grievances Redressed.

CINCINNATI, 3.—In the Brewers' Congress to-day, the committee on resolutions made a lengthy report, which recited the fact that brewing pays about nine million dollars revenue tax, and would probably pay more but for the stringent rules of the revenue officers. They request the government to remove the unnecessary restrictions under which the malt liquor interest labors, and ask that Congress be petitioned to amend internal revenue laws so as to limit the power assumed by the commissioner of the revenue of deciding the amount of tax a brewer is liable to pay.

Fatal Shooting.

TERREBONNE, La., 3.—Ex-parish Judge Belden was shot and mortally wounded by Sherburn, the present judge, in a difficulty at Houla, this morning.

Left for the West.

OMAHA, 3.—Senator J. P. Jones and family left here for the West this morning.

Shot and Killed.

HUNTSVILLE, Ala., 3.—Deputy Collector Holwan was shot and killed to-day, by an illicit distiller.

WESTERN.

Excitement in Sonora.

SAN FRANCISCO, 3.—A dispatch from San Diego says that a letter to the San Diego *Union*, from Ures, Sonora, reports great excitement over Mexican raids in Texas, and that war is feared between the U. S. and Mexico. The newspaper *Estrella*, referring to the Washington *Chronicle* version of the Texas raids, that Mexico is too weak to restrain the raiders, says, "If the great republic cannot or will not keep marauding parties from trespassing into a friendly state, and committing all kinds of atrocities, it cannot wonder at weak Mexico being unable at all times to prevent her bad boys from entering a friendly state."
