DESERET EVENING NEWS.

TRUTH AND LIBERTY.

VOL. VI. SALT LAKE CITY, UTAH TERRITORY, THURSDAY EVENING, OCTOBER 30, 1873. NO. 289.

LOST HOURS.

I ween the vigil that I keep
Is a sad and solemn thing;
Where the chill October breezes sweep,
And the ferns lie withering.
For I pass the years in long review,
The years I have trifled past,
The years when life was bright and new;
Ah, what have they brought at last?
And I cry, as I look at my drooping flowers,
My baffled hopes, and my failing powers,
"Oh, my lost, lost hours!"

What a harvest might have been garnered in,
When the golden grain was wasted!
What a nectar of life it was mine to win,
When the draught was barely tasted!
What happy memories might have shone,
Had folly never sta ned them!
What noble heights to rest upon,
If a steadier foot had gained them!
And I cry, as I sit 'mid my faded flowers,
"Rashness and weakness have fatal dowers.
Oh, my lost, lost hours!"

Too late for battle, too late for fame,
Comes the vision of better life;
With eyes that are smarting with tears of shame
I gaze at the world's hot strife.
The patient love can not pardon now,
Or the proud believing cheer;
Where the white cross gleams and the violets grow
Lie the loved that made life so dear.
Kind Nature renews her perished flowers,
But Death knows nothing of sun or showers,
"Oh, my lost, lost hours!"

Last Night's Dispatches.

EASTERN.

Vienna—China—Appointed—On the Retired List—Promoted.

WASHINGTON, 29.—General Van Buren, ex-commissioner to the Vienna Exposition, had an interview with the President and Secretary of State to-day.

Minister Lowe had a conversation with the President on the condition of affairs in China.

The President, to-day, appointed Constantine Maguire collector of internal revenue for the St. Louis district, vice Ford, deceased.

The Attorney-General says of the letter purporting to have been written to him by A. A. Williamson, in reference to the Wright case, in St. Louis, and speaking of the arrangement to select a jury favorable to the government, that the letter is a forgery, as he is informed by Williamson, and that no such letter was ever received by him or was ever on the files in his department.

Gen. Philip St. George Cooke, commanding the Department of the Lakes, has been placed on the retired list.

Lieutenant Colonel George Crook, of the Department of Arizona, has been appointed Brigadier General.

The Department of the Lakes and of the East has been abolished and the command is now in the military division of the Atlantic, commanded by Gen. Hancock.

Trial of Taintor—Stone-deaf Juryman—Financial.

NEW YORK, 29.—In the trial of Taintor, for embezzlement while cashier of the Atlantic bank, Judge Benedict gave an adverse decision on the point of law raised by the counsel for the defense, that it was competent to produce evidence to show that Taintor acted for the bank and with the knowledge and consent of the president and directors in making stock speculations. This was understood to be the chief point for the defense. After Judge Benedict's decision the defence declined to put in any evidence. Judge Benedict then directed a verdict on the evidence of the prosecution, and the jury found Taintor guilty. His counsel gave notice that they would move for a new trial. He was then remanded to jail, apparently quite dispirited by the result.

The trial of the Cuban bank clerks, in Brooklyn, on a charge of stealing over a hundred thousand dollars' worth of securities, was brought to an abrupt termination. After the testimony was all in and the case given to the jury one of the twelve informed his associates that he could not consent to any verdict, and when asked for his reasons, he said he had not heard a word of the evidence, that he was stone deaf.

The change in the European situation to-day, was quite marked, and many inclined to the opinion that the Bank of England rate will be advanced in consequence of the continued drawing heavily on London. At Amsterdam the decline in some of the new American railroad bonds is stated, by private dispatches, to be heavy. The Missouri Kansas and Texas bonds, which were marked above eighty, are reported to be selling at 46½. At the close of the day the situation in Wall street was marked by a quieter feeling. When the government first agitated the policy of a silver premium it was almost nominal in small pieces, while trade dollars were worth 8½ to nine per cent premium; but now small silver is worth three, and trade dollars thirteen per cent.

Missionaries—Sentenced.

The Episcopal Board of Missions, this morning, resolved to ask the house of bishops to make each Territory a missionary jurisdiction, and to elect seven missionary bishops.

George Williams, one of the gang of bond forgers, to-day, was sentenced to the New Jersey State prison for ten years, for forging a check on the Iron Bank of Morristown.

Stokes Sentenced—To W. U. Bondholders.

The judge's charge in the Stokes trial terminated at 4.45 p. m., having lasted exactly three hours. Tremaine then took special exception to his honor's condemnation of what is called emotional insanity. Judge Davis said he used the very language of the Court of Appeals. Tremaine said he specially objected to the expression that the evidence of insanity was very meagre, and asked to have the question submitted to the jury. Judge Davis said he had submitted it to them within the law. Tremaine also took exception to the remark that insanity, as a rule, involves delusion, and that the prisoner's idea seemed to have been based upon reality, and to his honor saying that the other holes inside the cloak besides the four in the breast were not particularly material, and that it was claimed that the fatal wound was made through any of them. At the conclusion of Tremaine's exceptions the case was given to the jury, who retired, and at 10.25 sent for Judge Davis to repeat the definitions of the various degrees of crime in taking human life, after receiving which they again retired.

Later.—The jury have returned a verdict of manslaughter in the third degree, and Stokes has been sentenced to four years in the States prison with hard labor.

Prest. Orton, of the W. U. Telegraph, gives notice that, owing to rumors of counterfeit bonds being in circulation, holders are required to present the bonds with coupons for the November interest.

Snow—Cale and Shipwrecks—Bankrupts.

From three to seven inches of snow are reported in various parts of Canada last night, and still falling.

A heavy gale is reported on the North Atlantic coast, and a number of vessels have been wrecked.

The New Brunswick Carpet Co. have been adjudged bankrupts, in the United States District court.

Mobocracy in Indiana.

RICHMOND, 29.—A mob of sixty disguised men attacked a party of seven deputy sheriffs, guarding the jail at Centerville, which the workmen are tearing down to remove to the new county seat; after firing one hundred shots from small arms, without serious results, a six-pounder cannon loaded with spikes, nails and scrap iron was fired at the door, which being demolished the mob occupied the sheriff's residence in the front part of the jail building. After a parley the deputies surrendered conditionally. Thirty men will occupy the jail to-night, when another attack, by a large party, with cannon from Cambridge city is expected. Richmond is threatened with an attack for the purpose of taking the county records back to Centerville.

MARSHALL, Texas, 29.—Ice half an inch thick formed last night and it is still cold; no new cases of fever or deaths are reported.

Ice—Fire.

AUGUSTA, Ga., 29.—Ice formed last night.

A fire at Americus, on Monday night, destroyed a large portion of the business part of the town; loss $301,000.

The Memphis aid subscription amounts to over three thousand dollars.

N. P. Banks was nominated independent candidate State senator, to-day.

Cheap Transportation.

Josiah Quincy, president of the American Cheap Transportation Society, has issued a lengthy address, setting forth the suggestions which should be made to Congress for legislation at its coming session, relating to the transportation question. To the coming meeting of the above association, to be held in Washington, January 14th next, delegations from all Kindred State organizations are invited.

$70,000 Fire.

A fire at 213 and 215 State street, to-night, burned out a number of firms in the drug and chemical trades, causing an aggregate loss of $70,000, nearly all insured. Several losers are fully insured.

$3,000 Reward.

ALBANY, 28.—Governor Dix has offered a reward of three thousand dollars for information which may lead to the conviction of the persons who caused the death of Chas. G. Kelsey, at Huntingdon, L. I.

Chinese Visitors.

TRENTON, N. Y., 29.—The chief of the Chinese Education Commissioners of this city and the assistant commissioner and superintendent in charge of a large number of Chinese students at Springfield, Mass., arrived here this morning, and will spend several days visiting the public institutions. The visit is made especially for the benefit of the chief commissioner, who will soon return to China, where he holds a high rank.

Absentees May Return.

MEMPHIS, 29.—There were nine yellow fever deaths in the past 24 hours to 6 this evening. The Board of Health says that absentees may return to the city, but it urges every precaution.

Big Fire.

FREEHOLD, N. Y.—A large fire is raging here; the post office and four stores are burned and the fire is still raging.

WESTERN.

$20,000 Race.

SAN FRANCISCO, 29.—The persons arranging for the coming running race for twenty thousand dollars between California and Eastern horses, have determined to make the race on the Ocean House Track, this side of the Bay, on the 15th of November; they could not make satisfactory arrangements with the Central Pacific for the transportation of passengers to the Alameda course across the Bay.
