kee Consolidated, who for several lays has been following a small streak of mineral, believes that he has broken into an ore body that will determine the future of that property as one of the

of big producers that have made Godiva hill famous. The metals which predominate are iron and cop-

per, with a small percentage of both silver and gold. Picked samples assay as high as 15 3-10 per cent copper and 33 2-10 per cent iron, while a "grab"

ready to ship large quantities of ore. There is a great deal of talk about the

Dixis Group being sold within a sho time and then things will boom hehe. short

### MINING NOTES.

The Horn Silver had four cars of ore on the market today.

Three cars of ore from the Mammoth of Tintic were on the market today.

during the past several months had been caused by the expectation of a large dividend, and the report of the company indicating that 10 per cent was the utmost that could be looked for, had a depressing influence on the stock. The Utah Sugar Co., being a regular dividend payer, of course, was not affected to the same degree, though it shaded off a little, through the sort of sympathy that seems to exist between stocks of the same character, even where under totally different management and environments. Consider-able comment has been caused during "News" building, \$10,000. W. P. Davis, Eighth West between North and South Temple streets, two the week by the big real estate sale made by the Utah National Bank, from brick cottages, \$1,600. which it realized \$50,000 cash. It has had the undoubted effect of enhancing story brick cottage, \$2,500. the public estimation of that bank's stock, which is now said to be largely stock, which is how said to be largely controlled by President Chipman. An entire re-organization of the bank's directory, with the addition of several strong local capitalists is said to be among the near possibilities. PROBATE AND GUARDIANSHIP NOTICES. ### WEEK IN WALL STREET.

New York, Feb. 10 .- The activity and strength of the earlier part of the the stock market culminated on in the stock market cumunated on Wednesday. The realization of profits by the stronger financial interests had transferred stocks to weaker hands and left speculative accounts vulnerable to bear attack. Sudden declines in prices wiped out margins and dislodged stop ared the outside demand for stocks aged the outside demand for stocks and business drifted back into the hands of professional operators. The pressure of realizing sales and the list-lessness of the outside demand invited occasional attacks by the bears, which wiped out practically all the week's advances. The good general huriness advances. The good general buriness outlook, large railroad earnings and dividend declarations and prospects at-tracted some buying of a substantial character, which gave a firm undertone to the market.

sample submitted to Assayer Hillstead registered 93-10 per cent copper. The extent of the strike has not yet been determined. It covers the entire face of the drift, however, and while it is possible that it may prove to be but a kidney, it is more than probable that it is an extension of the ore chute of the May Day, and will prove a veritable

bonanza. Values in copper are a new thing in Godiva mountain; some small deposits of a very high grade have occurred in the Humbug, but they are rare, though the indications are stronger in the La on the south end of this mis-Reine. named mine. Buying orders were sent in from here

by a number of local speculators, and the price of Yankee stock went up several cents during the day. ARTICLES CHANGED.

### Shareholders of Superior Mining Company Met Yesterday.

At a meeting of the stockholders of he Superior Mining company held yesterday afternoon the articles of incor poration were changed so as to in crease the capital stock from 150,000 shares to 500,000 shares, the whole of the increase being turned into the treasury to provide means with which to continue development. The company has nine patented claims in the Blue Ledge district near Park City secured under lease and An effort is to be made to r

000 within the next nine months. THE LION CON.

the bond which is said to call for \$100,-

### Contract Let for One Hundred Feet of Shaft Work.

The directors of the Lion Consolidated, of Stockton, held a meeting last evening and let a contract for 100 feet of shaft work. It is stated that the shaft will be pushed down about 200 feet as soon as possible and ore will be taken out under the superintendency of Fred Matthews, formerly of Eureka. Work is also to be started on the necesture. sary buildings at once.

MINES CLOSE DOWN.

### The Eight-Hour Law Causes Troub 9 in British Columbia.

A dispatch from Rossland, B. C., says that the mining community is in a condition of genuine consternation, owing to the discharge today of 100 men by the Le Rol Mining company, and the announcement from Nelson that the Hall mines and smelter had also shut down today, on account of enforcement of the eight-hour law for underground mining.

### Ore Shipments.

Special Correspondence. Eureka, Feb. 9 .- The ore shipments from the Tintic district for the week ending today are as follows:

Carlonds. Dragon Iron-mine ..... 10 Centennial-Eureka .. .... Bullion-Beck .. .. .... Gemini Godiva Uncle Sam Mammoth New Imperial ..... Sunbeam ..... .. .. ..... f... 12 SANK VIERS Sorenson & Hughes Iron .. .. In addition to the above the Mam-moth mill sent out four corloads of concentrates and two bars of bullion.

### Tintic Mining News.

Special Correspondence. Eureka, Feb. 9.-The new tramway reaching from the Centennial-Eureka mine to that company's ore house, near the tracks of the Oregon Short Line and Rio Grande railway companies, is nearly completed. Manager Allen was out to the mine today and the new tramway was tested by running nine

The Mendha property at Pioche, Nevada, marketed a car of ore today.

The Daly-West of Park City reached the market today with sixteen cars of оге.

The Conklin sampler reported eight cars of ore from Park City and three from Tintic today.

A meeting of the directors of the Martha Washington is scheduled for Monday next.

Col. Theodore Bruback expects to go to Butte tomorrow to examine mining tions: property.

H. S. Joseph promises a shipment of ore from the Lower Mammoth within the next few days

The directors of the Grand Central Mining company met in Provo yesterday and again passed the dividend.

Five care of ore were marketed today from the Uucle Sam of Tintic and one was receipted for from the Sampson property in Bingham,

A meeting of the Joe Bowers will like. ly convene early next week at which time it is thought active development will be decided upon.

The Mercur mine reported at the rooms of the consolidated Kansas City Smelting and Refining company with 600 pounds of cyanide dust.

Tony Jacobsen went to Stockton today, where he will discharge the West Argent payroll for last month, which amounts to \$1,600.

Another assessment of ½ of a cent has been levied by the Little Pittsburg, which becomes delinquent March 12th.

The Taylor-Brunton sampler reported five care of ore from Tintic, four from Frisco, one from Bingham, eight from Park City and one from Nevada today, Reports from the Ely mine at Cherry

Creek, Nevada, show continued im-provement in the property. The weekly assays will not be given out in the fu-The De La Mar Lode says that news failures were smaller than in any year of an important strike in the Mono-
