Lehi Pratt Dashes Into Burning Building Thinking to Save Child.

INMATES HAD ALL ESCAPED

Rushing to Window Surrounded by Flames, He is Dragged Out Badly Burned—Little Hope for Recovery.

Thinking that his sister's child was in a burning building, Lehi Pratt dashed through smoke and flames last night in a heroic attempt to save the life of the child. He is now at the Holy Cross hospital suffering from burns which will probably prove fatal.

The fire was in the home of Thomas Parker, 1475 Arapahoe street in Poplar Grove. Parker is a brother-in-law to Mr. Pratt. The blaze was caused by Mrs. Parker who had fallen and knocked over a lamp. Mrs. Parker has been in ill health for some time. About 9 o'clock last night as she was walking across the room she suddenly fell in a dazed condition, and a table on which was a lamp.

**DASHED INTO FLAMES.**

In a moment the room was in flames. Parker managed to rescue his wife and three children. Mr. Pratt got out of the house, but heard a noise that sounded like the cry of a child. He thought one of the children was in the flames, and without a moment's hesitation he dashed into the flames. Not finding the child, he rushed to a window and attempted to raise it. He was then behind him prevented escape. Parker saw Pratt at the window and rushed to his rescue. The window was smashed and Pratt was dragged out. He was terribly burned about the face and head and probably got some of the fire in his lungs.

**LITTLE HOPE FOR RECOVERY.**

Assistant Chief Crosby did all he could for the injured man until the arrival of the patrol wagon and Pratt was taken to the emergency hospital where Dr. S. G. Paul, cared for him. Later he was taken to the Holy Cross hospital. Little hope is held out for his recovery.

The house was a frame structure and was completely destroyed. It was 1,500 feet from the nearest fire plug.
