

## LAST BIKE MEET OF SEASON OF 1904

Manager Heagren Will Give Cycle  
Fans a Great Treat  
Tonight.

WILL BE TEN BIG EVENTS.

Five-Mile Motor Race Between E. B.  
Heagren, J. M. Chapman, Earl Staley  
and T. M. Samuelson.

Cycle fan, this evening is your last  
chance for this year.

There will be no more bike races after  
tonight's meet until next season shall roll  
around.

But the program is a hummer, and  
should draw a big crowd.

Manager Heagren has done his very  
best to arrange a list of events that will  
please the most exacting track devotee in  
the city.

Some people like sprint events, others  
like motor races, and some short handi-  
cap events and lap races.

Well, there will be every kind of a race  
tonight. E. B. Heagren, T. M. Samuelson,  
J. M. Chapman and Earl Staley, mounted  
upon their respective motor-cycles, will  
fight it out for first money in a  
five-mile race. The race should be a  
hair-raiser. At the present writing the  
crowd is expected to be large.

The Collins & Blackburn shows will not  
charge extra for the fans attending the  
race, and after the races there will be  
some thrilling stunts on the grounds  
for the entertainment of the crowd. In  
addition to the several performances by  
Austin sisters, Manager Blackburn says  
he will have a few daisy surprises in store  
for the public. Fraviola will loop the  
loop in the hall again, but by way of  
joking he said she was not seriously in-  
jured on Tuesday night.

Manager Heagren of the track is very  
anxious to make this evening's bike meet  
a huge success. He has therefore offered  
the riders liberal prizes, and the  
spectators who win first and second to-  
night will have to go some.

The program as announced this morning  
by Heagren is as follows:

Five-mile motor race, professional, E. B.  
Heagren, J. M. Chapman, Earl Staley,  
T. M. Samuelson.

One-mile open professional.  
Half-mile consolation, professional.  
Three-mile open lap, amateur.

Three-quarter-mile handicap, amateur.

Wilcox's miners from Butte turned the  
tables on the Salt Lake team yesterday  
afternoon, and gave them a sound  
downing to the tune of 4 to 2.

Dowling and Thomas did the twisting  
and turning, and the former got away with  
first prize. While the local batters con-  
nected with him for nine hits, they availed  
little because of their altered natures. Mc-  
Ginnity had the pleasure of seeing ten  
hits, which he thought would fool the Butte  
batters, so sailing into clear territory  
and in addition to it did him lots of  
good. The detailed score is given below:

THE REAL CAUSE.

The Ancient Scalp-Fever Theory Ex-  
ploded.

At one time dandruff was attributed  
to the result of a feverish condition of  
the scalp, which threw off the dried  
scales.

Prof. Ernst, Hamburg, Germany,  
noted authority on skin diseases, ex-  
plodes this theory and says that dan-  
druff is a germ disease.

This germ is really responsible for the  
dandruff and for so many bad heads.  
It can be cured if it is gone about in the  
right way. The right way, of course,  
and the only way, is to kill the germ.

Newbro's Herpicide does this, and  
has nature intended it should.

## Munyon's Paw Paw.

Dr. Thos. O. Carter, an Eminent  
Washington Physician, Gives  
Munyon's Paw-Paw a Strong  
Professional En-  
dorsement.

I have used and am now using Munyon's  
Paw-Paw, and find it a most effec-  
tive peppin tonic. I successfully pre-  
scribe it in cases of severe nervousness,  
indigestion and stomach trouble.

Professor Munyon is to be congrat-  
ulated in utilizing the fruit of the Paw-  
Paw tree, the digestive qualities of  
which, I believe, is second to no known  
product in the fruit or vegetable king-  
dom.

THOS. O. CARTER, M. D.  
212 C St., N. W.

"I want every tired woman after a  
hard day's work or an afternoon's shop-  
ping, to take a table-spoonful of Paw-  
Paw and see how quickly it will refresh  
and invigorate her."

"If the toilet who feels the need of a  
stimulant will step into the nearest  
drug store and ask for Paw-Paw, she  
will have no further use for whisky,  
beer or other stimulants."

land league recruit, pitched the second  
game for St. Louis. Although effective,  
he lacked control owing to his nervous-  
ness. Boston's play, however, and  
Wilhelm's bases on balls gave St. Louis  
the game at an early stage. Attendance,

BASEBALL NEXT YEAR.

"Honest John" McCloskey Wants to See  
Light Club League.

The Boise Capital News says:  
Manager R. Kelly of the Spokane ball  
team, was taking life comfortably this

morning over the defeat of his team yes-  
terday. In speaking of the pennant he  
said:

"Boise deserved to win the pennant. The  
people of Boise stood loyally behind Mc-  
Closkey when he was laboring under ad-  
verse circumstances, who never flinched  
when dire results were threatening. Your  
people stood behind him loyally and al-  
ways came to his rescue when more mon-  
ey was needed. Mr. McCloskey and his  
team won the pennant by clean, honest  
work. The individual members of the  
team all deserve the highest praise and  
efforts. They worked in perfect har-  
mony which is largely the result of the knowl-  
edge Mas has of working men."

The only reason I have for saying that  
McCloskey naturally he must have won  
the pennant is that he was in a crippled  
condition. We were in the lead by  
several games and he was not jumped up  
the pennant would have been ours to a  
certainty."

The winning of the pennant has in no  
wise changed the demeanor of Manager  
McCloskey. Naturally he must have won  
the pennant as he was in a crippled  
condition. We were in the lead by  
several games and he was not jumped up  
the pennant would have been ours to a  
certainty."

"We were the pennant and we had to  
get many handicaps. We were late in  
getting started and had to get together  
a team after the fact. The players were  
under observation and had to pick up  
players here and there, wherever we  
could get them. The loss of Gus Koloff,  
after we had signed him, was a serious  
blow. We had to experiment with  
Cook, Ward and others which re-  
sulted disastrously and the loss of many  
games. This coupled with bad habits  
of Elsey and Wright, and the long con-  
tinued illness of Marshall left us back early  
in the season from which it took us  
some time to recover. The illness of  
Marshall was just at a time when he was  
hitting the ball the hardest of any play-  
er in the league and was winning us many  
games. He is far from being in good  
condition yet, and it will take him at least  
a year to fully recover and get back into  
his best condition."

"As to the individual members of the  
team they all deserve the very highest  
praise. They have all done splendid work  
and have not let us down. They have de-  
serted themselves as gentlemen and have  
reflected credit upon Boise wherever they  
have gone."

"I have won the pennant by good,  
clean ball, with no come backs of ma-  
licious talk which so frequently occurs.  
Any club that can go to Spokane and  
win nine out of twelve games as we did  
had to go some. It was a setback from  
which the Spokane team never recov-  
ered."

Speaking of Manager Kelly and his  
team, Mr. McCloskey said:

"The Spokane club individually and col-  
lectively is a strong aggregation of the  
best players in the league. It is one of  
the greatest leaders in baseball circles  
in the United States. From the start I  
knew that we were the man we had to fear  
and fight."

"Winning the pennant in one of the great-  
est advertisements Boise has had for sev-  
eral years, but I am afraid the city will  
not enjoy such ball as she has witnessed  
this season for some time to come as  
the jumps are so great that it is a lux-  
ury they cannot afford. Baseball must  
be profitable to live and the gate receipts  
are eaten up in railroad fares and other  
traveling expenses."

Mr. Kelly was asked if a league  
could not be organized which would in-  
clude Boise, composed of such towns as  
Boise, Idaho, Salt Lake, Spokane,  
Butte, Ogden, Salt Lake and Boise, mak-  
ing it an eight team league.

"Unless such a league as this can be  
organized," replied Mr. McCloskey, "I am  
afraid Boise will never be in a first class  
league on account of its isolation. If  
such a league could be formed it would  
break the jump between Salt Lake and Port-  
land. Boise is a good baseball town and  
will be better as the city grows and  
its income increases. However, it will take  
some good organizer to bring this about."

MAY PLAY VARSITY.

Colorado College Tigers Will Come Here  
This Season.

Colorado Springs, Sept. 22.—It has now  
been settled that the Colorado college  
team will visit the University of Utah in  
Salt Lake City. It will probably be a  
post-season game, as the Utah Agricul-  
tural college has the better part of the  
year. It is a surprise that the Tigers will  
travel to the Pacific coast this season and  
play the Pomona college of Clairmont, Cal.

ON THE RACE TRACK.

Major Delmar Could Not Lower Record  
Held by Crescens.

Columbus, O., Sept. 22.—Sensational  
racing with a good though futile effort  
by Major Delmar to beat 2:24, interested  
a large crowd of the city. The winner  
today, Major Delmar was forced to  
content against cold weather and a light  
wind, which hindered him on the second  
lap. After the first half in 1:10, he  
was unable to finish strong and lost  
by half a second.

The California trotter, Sweet Marie, fa-  
vored in the first heat and recovered so  
that George G had to trot in 2:24 to win. This  
makes George G the fastest trot-  
ter of a double-header. The second heat  
went to the visitors. Attendance, 2,400.  
Summary:

2:27 trot, each heat a race, purse \$1.  
2:26—Sweet Marie won the second and third  
heats in 2:24, 2:24. George G won the  
first heat in 2:24. Ozanem, Wentworth,

sixth heats in 2:28, 2:29. Lattie Gier  
won the first and second heats in 2:29,  
2:29. King Direct won the third heat  
in 2:28. Dr. Medard won the fourth  
heat in 2:28. Pinchem Wilkes, Ben F  
and Bob also started.

2:35 trot, three in five, purse \$100.—Red-  
lac won three straight heats in 2:35,  
2:35, 2:34. The second heat was won by

Jr., Eucenite, Jessie C. Ruth, C. Free Sil-  
ver and Ben Pelt also started.

To beat 2:24, trotting, without wind  
shield or pace-maker—Major Delmar, R. G.
