continued.

Edmunds said regarding the 29th section forbidding the use of the army as a posse comittatus, that had it been in force in 1861 President fincoln would have been liable to the penitectiary for attempting to hold Fort Sumter. If anybody had attempted to disposees the President would have no right to call on the army to protect his right.

The Potter Investigating Committer.

Washington, 3.—After reces, The secundary for attempting to him, amainly, however, the Louisiana returns reached him, amainly, however, the Louisiana return because it seemed informal. He never learned the army to protect his right.

The Potter Investigating Committer.

Washington, 3.—After reces, The R.S. BIJORDER, President, R.S. BIJORDER, R.S. BIJORDER, R.S. BIJORDER, R.S. BIJORDER, R.S. BIJORDER, R.S. the army to protect his right.

Teller moved to strike out the word "expressly," so as to read "such employment of said force may be authorized by act of Coamay be authorized by act of Con-gress," instead "expressly author-ized," etc.

Whyte moved to insert the words "wilfully and knowingly," so as to provide that any person wilfully and knowingly violating the pre-visions of the section, etc. Agreed

Conkling said the present administration had never given cause for
menace of this sort. He hoped no
Chief magistrate bould ever take it
into his head to use the army or
navy except legally. If he did he
(Conkling) would vote to chastise
such commander.
A motion to strike out the section was lest—20 to 21

Sargent called up the bill report-

fixing the time for electing representatives to the Forty Sixth Congress, Passed.

The House bill in regard to dismissing graduates after all the vaccancies in the arms. cancies in the army are filled, was amended so as to take effect July 1st, 1882. The cadets now in the academy will not be effected. Ad-

MOUSE.

Washington, S.—The Senate bill passed amending the Revised statutes in relation to judicial pow-ers and functions of coust is. The House then went into com-mittee of the whole on the general deficiency bill. Without adopting any important amendments the committee rise and reported the bill to the House. The amendment increasing the appropriation for the payment of claims against the bureau of steam engineering from \$476, 000 to \$1,323,000 was adopted—year 126, nays \$79; also an amendment increasing the appropriation for the payment of claims against the bureau of construction and repairs, from \$558,000 to \$931,000, and the amendment appropriating \$1,505 to pay clothing indebtedness was

The bill then passed—132 to 92. Night sessions were ordered for Blackburn presented a conference report on the District of Columbia bill, explaining that the House yielded in the matter of the appointment of commissioners and in regard to the election of a council, report agreed to—130 to 69.

The internal revenue bill was then taken up—115 to 92.

Pending consideration Foster presented.

Pending consideration Foster presented a conference report regarding the completion of the Washington monument. Agreed to.

Conger moved that the House take recess Lost—105 to 87. He moved that the House sufjeurn, and the House took recess till evening.

contents of the returns; never had it suggested to him that some of

the signatures were not genuine;

Amendments were agreed to increating the appropriation for the
management of arms at the national amounts, from \$100,000 to \$150,and a standard of the committee for him to
appear, declining to accept, though
without disrespect to the committee, He says the only information The bill beving been considered in committee of the whole, was reported to the Schate, and the amendments whole concorred in.

A separate vote was demanded by Marriman on the amendment providing for a committee to consider the expediency of transferring the Indian bureau from the Interior to the War Department, and it was concurred in—yeas 44, nays 9.

The bill was then read the third time and passed.

The ries and harber was taken up and laid aside with the understed business on Monday; and the separate only information he had concerning the proceedings before the committee was newspaper reports, made a personal explanation in the Senate and moved a committee of inquiry, which was adopted, and the Senate alone, therefore, had jurisdiction of the matter, and so far as he was invited to submit explanations of his correspondence with Anderson to the committee, he considered it would be improper to comply. He has no knowledge, whatever, of the alleged frauds which the committee are authorized to investigate, except what is revealed by the correspondence already submitted.

The till was then read the third time and passed.

The river and harbor was taken up and laid aside with the understending that it should be unfinished business on Monday; and the bill passed appropriating \$5,500,000 for the payment of the award made by the flaheries committee.

Window, from the conference on the millitary academy appropriation bill, submitted a report. Agreed to and the bill passed.

would be improper to comply. He has no knowledge, whatever, of the alleged frauds which the committee are authorized to investigate, except what is revealed by the correspondence already submitted.

Morrison remarked when the letter was finished, "we shall have to lead a subpound for him." The chairman said he had intimated at the beginning of the proceedings that Matthews might wish to be present, but the minority had gaid

present, but the minority had said they did not desire to esti him. So veral members of the commit tee have given their opinion that Matthews has treated the committee with contempt.

FOREIGN. CREAT BRITARN

The Bank of England, Lospon, 8—The Times cays: The Bank of England has resolved henceforth, to discontinue the use of the word "minimum" in announcing discount rates. Bank announcements, therefore, will be understood to mean about a med ium value of good bills. The ultimate result will be that the open market rate, and not the banks,

will become the standard for money Eastern News Setcs.

A Bucharest dispatch says: The chamber of deputies, yesterday, de cided that the Roumanian representatives in the congress should inflexibly protest against the retro-cession of Bessarable and to listen to no representations or threats intended to shake their determina

Advices from Constantinople represent that the Bulgarians throughout Roumelis are perpetrating horrible structiles on Mussulmans. General Todieben has ordered vigorous measures of repression against the outlaws. Three Bulgarians taken red handed were summarily executed at Dedeagutch. All traveling in Bosnia is stopped. The highways are infested with robbers, principally Turkish deserters.

England has agreed that the war indemnity is to be included on the same basis as other Turkish debts in the general plan of conversion.

GERMANY.

The Socialistic Excitement Berlin, 8.—Several houses in the city were searched by the police yesterday, and a number of persons arrested. Herr Most, socialistic member of the reichstag, has been sentenced to six weeks imprisonment for persisting in addressing a Boston, 8—Wool is dull, manufacturers buying only for immediate wants; quotations almost entirely nominal, and sales to any extent could only be forced at low and unsatisfactory prices. Considerable new wool is arriving, but as most of these wools come in at a high cost, holders find it difficult to the cost of the cost of
