the appointment of a commission to inquire specially into this ques-tion. He further thinks that this course is a reasonably clear indica-tion that Hayes intends to act in accordance with the strictly legal bearings of the case, even to rec-ommending that a new election be hald eld. The Faial Flood at Staffordville.

A special from the scene of the Staffordville flood says little is left but the shattered walls, wrecked timbers, and here and there a gaunt chimney. Timbers, machinery, and uprooted trees, bristle everywhere, uprooted trees, bristle everywhere, and on the once smiling meadows, now buried deep in the mud, are scattering remnants of some sort. Men are at work repairing. The Converse and Granite mills, al-though seriously injured, will be reserved.

ENFIELD, N. C., 28.—Nine stores and dwellings, including the town hall, were burned last night; loss \$50,000, partly insured. Enthusiastic Demonstrations for

Hampton.

GOLDSBORO, N.C., 28.—Hampton and party passed this point at noon. At Timmondsville, Florence reported favorably on the petition and Magnolia, the citizens turned it is a general custom among the reported favorably on the petition people to serve upon the table "hot cross buns" on that day. Here is an extract from a procla-mation that was issued in England of the petition was therefore grant-in the reign of Henry the VIII, in ed under the direction of the Mar od under the direction of the Mar shal, and during the pleasure of the Council. The committee on municipal laws reported an ordinance for the
