It is a pure and limpid vegetable lotion, intended to restore the hair by natural growth and reinvigoration. It is splendidly perfumed, and the most delightful toilet dressing known. CHICAGO, 27.—Leon Chatteau declivered an address to the board of trade to day, which received the careful attention of members, as it set forth in strong light the advantage and propriety of a reciprocity treaty between France and the United States, by which the products and manufactures of these two nations may be freely exchanged without detriment to the interests of either. Resolutions were adopted looking toward the advancement of such a reciprocity. Mr. Chatteau starts Thursday for San Franc scr.
