Damage Suits Thrown Out on a Technicality ---Statton Estate Matter.

#### High School Entertainment-Ladies' Society of Brotherhood of Locomotive Firemen Organized.

The large study hall at the Ogden High school building was well filled last evening with an appreciative audience which gathered to hear the pleasing entertainment which had been prepared and was very creditably rendered by the students of the school, the senior girls rendering the main part of the program. Each number was heartily received and evidenced the excellent training which the students are receiving in an educational line,

IN JUDGE ROLAPP'S COURT.

Judge H. H. Rolapp heard the motion of the defendant's attorney in the following named three-cases against the Oregon Short Line Rallway company: George Olmstead, Thomas Sartin and the New Hampshire Insurance company. These three plaintiffs brought suit against the Oregon Short Line to recover damages alleged to be due on account of property belonging to the plaintiffs being destroyed Sept. 10 by fire, caused from the sparks of the defendant's locomotive. The defendant's motion asked that the court set aside the summonses served in the action on account of their being served on a man who was not the representative of the company. The court, after hearing the testimony of George H. Corse, granted the motion.

The court also heard the petition of Elizabeth E. Statton, praying for her appointment as guardian of Thomas King's New Discovery for Consump-tion, and our darling was soon sound and well. We are sure this grand med-icine saved his life." Millions know it's E. and James Statton, minors, also of their estate. The petition was granted and bond fixed at \$100. The estate is valued at \$5,000.

In the matter of the estate of Har-ris L. Bowen, deceased, the petition of administratrix for the final report and distribution of the estate of Her bert F. Bower was heard and granted The court granted the sale of real estate in the estate of Eliza Bingham.

President David John returned home Saturday and President Cluff remained until Sunday. Both expressed themselves as being highly pleased with Founders' day exercisse.

The students from Parowan met to-gether in social capacity with Miss Ollorion Saturday evening. A number of new students were en-
