Kruger Wants to Meet Czar.

London, Dec. 29.—A dispatch to the Standard from Brussells says that the visit of Dr. Leyds to Paris is directly connected with Mr. Kruger's desire to meet the czar. The Dailyy Mail asserts that at the

meeting which will take place on Sep-tember 10th between the czar and the kaiser, the circumstances of the Boer war will be gravely discussed. NEW YORK CLEARING HOUSE

Banks of Country Kick Against its

Collection Charges.

New York, Aug. 29 .- A general convention of delegates from all the state bank associations in the country to take action against the New York clearing house banks' practice of charging for the collection of out of town checks is suggested by the executive committee of the Connecticut Bankers' association which has issued a circular letter to that effect. The latter pro-poses a system of state or district clearing houses in which each district or state should appoint a point to which all collections on banks in that district should immediately pay in par funds their own checks when presented by the clearing house bank or institution at that central point. The ap-pointment of certain designated cities to be recognized as deposit and clear-ing house banks, and recognized as such by the banks of the country is another suggestion made in the circu-lar for consideration at this conven-
